## **About the Washington Council and the Fall Counselor Workshop Higher Education Book**

The Washington Council for High School-College Relations is a not-for-profit organization that provides information and programs to encourage and assist Washington students in their transition from high schools to colleges, and from two-year colleges to four-year colleges. To this end, the Washington Council produces this book and sponsors the following Programs:

### **Washington Council Programs for Students**

- Eighth Grade College Exploration Day
- High School College Planning Days
- Fall Transfer Fairs/Events

### **Washington Council Workshops and Resources for Advisers**

- Fall High School Counselor Workshops
- Transfer Adviser Workshops
- Washington Council Web Resources, Calendar, and Listserv ([www.wa-council.org](http://www.wa-council.org))

The Washington Council member organizations include Washington high schools, Washington colleges and universities, and higher education agencies. Washington Council publications and programs are run and governed by a Board of Directors that is representative of its membership.

### **The 2023-24 Fall Counselor Workshop Higher Education Book: A Resource for High School Counselors is a collection of postsecondary opportunities in the State of Washington.**

The Washington Council Board has been responsible for collecting the entries and overseeing preparation of the book. The participating institutions are responsible for information on their institutions. Readers are cautioned that they must consult the admissions offices at individual colleges to be sure of having the most current information.

All institutions listed in the Fall Counselor Workshop Higher Education Book subscribe to the principles and laws of the State of Washington and the federal government, including applicable executive orders pertaining to civil rights. These institutions are committed to the policy that all persons shall have equal access to programs and facilities without regard to age, color, creed, marital status, nation or ethnic origin, physical handicap, race, religion or sex. All statements and content included in the Fall Counselor Workshop Higher Education Book are made by the individual colleges and universities and organizations that are represented in this book. The information contained in the Fall Counselor Workshop Higher Education Book is subject to change, and the editors and individual institutions will not be responsible for change or error.

## Council of Presidents

410 11<sup>th</sup> Ave NE

Suite 101

Olympia, WA 98501

(360) 292-4100

Website: [councilofpresidents.org](http://councilofpresidents.org) | Twitter: [@CouncilofPresWA](https://twitter.com/CouncilofPresWA) LinkedIn: [Council of Presidents](https://www.linkedin.com/company/council-of-presidents)

## Washington's Public Baccalaureate Institutions Want and Welcome Washington High School Students

- We are excited to welcome Washington high school students to any one of our public four-year college or universities! **We want you!**
- **Your students are our students.** We serve students in our local communities and across the state.
- **We believe college is for everyone that wants to attend**, and we are here to help make this a reality. We are committed to serve all students with a focus on identifying and reducing gaps among student populations.
- **If a student wants to earn a bachelor's degree, are thinking of doing so or has not consider, there is a place at one of the state's public baccalaureate institutions for students in Washington to earn a bachelor's degree and achieve their dreams, attain further career credentials, and follow their passion. We want Washington students.**

## Washington's Public Baccalaureate Institutions

- Central Washington University
- Eastern Washington University
- The Evergreen State College
- University of Washington Bothell
- University of Washington in Seattle
- University of Washington Tacoma
- Washington State University Pullman
- Washington State University Tri-Cities
- Washington State University Vancouver
- Western Washington University

## Who We Are and How We Assist High School Counselors

The Council of Presidents (COP) serves a coordinating role for multiple initiatives and activities across the state's public baccalaureate institutions, fostering coordination and collaboration among its member institutions, with state, regional and national partners.

COP offers a central location for information, facts and engagement with Washington's public, four-year institutions for high school counselors. COP provides a collective, sector viewpoint on a range of policies, practices and processes around the transition from high school to college and facilitates conversation within the sector and between other sectors and entities on current and emerging education related topics.

## A Public, Four-Year College or University Near You

- Two research universities
- Three comprehensive universities
- The state's public, liberal arts college
- Located in all 39 counties.
- Four campuses in Bothell, Tacoma and Vancouver
- Multi-institutional partnerships in Spokane and Everett
- University centers and academic partnerships co-located with Washington's community and technical colleges.
- Statewide online learning offerings

## Supporting the Whole Student

Washington's public baccalaureate institutions are **increasingly serving—and serving to completion**—more students who identify as members of underrepresented student populations including students of color, low-income students and students who identify as experiencing basic needs insecurity.

Our students are your students. We know students attending a Washington public, four-year institutions experience similar rates of basic needs and food insecurity as students in the two-year sector. We are committed to provide the wraparound programs and services needed to serve the whole student to degree completion.

Below are services and programs to support our students as they complete their degrees.

- First-year, first-time student interest groups and programming.
- Dedicated advising.
- Offices of Equity and Student Inclusion.
- Ethnic and Student Inclusion Centers.
- Food Pantries.
- Student Wellness.
- Childcare.
- Accessibility.
- Academic Learning Supports.

## You are College Material!

If you want to go to college, are thinking of college or have not considered college, there is a place for you in Washington to go to college and achieve your dreams, attain career credentials, and follow your passion.

### Recommendations for Successful Transition to College

- Communication with high school counselors and college admissions advisors early and often.
  - **Apply early!**
  - Institutions are here to guide students on the next steps.
  - Ask about special programs and student support programs and services while in high school.
- Institutions are committed to reaching out and welcoming students.
- Ask questions and seek clarity.
- **Remember, Yes You Can!**

## Diversity, Equity and Inclusion

The Council of Presidents stands in solidarity with all those across our nation who experience discrimination, bigotry, prejudice, violence, and hate due to their race, ethnicity, national origin, sexual orientation, gender identity or expression, disability, age, religion, and socioeconomic status.

We remain actively committed to continuing and advancing efforts to promote greater diversity, equity, and inclusion on our campuses that align with their missions to serve Washington residents and the local communities in which they reside.

Our work is grounded in the belief that faculty, staff, and students benefit from a vibrant, rich learning community composed of a broad cross-section of individuals of all different perspectives. Success in an interdependent, globally connected world depends critically and urgently on our ability to foster equity of access and outcome related to our 21st Century ideals of opportunity and discovery.

### Holistic Admissions

- Each Washington public baccalaureate institution considers **the whole student in the admissions review process**.
- Holistic admissions consider grades, courses – both the type and the level at which taken along with other information to make an admissions decision. This may include leadership in activities outside of the school environment or other examples a student may provide.
- Every application goes through a holistic assessment process, even if the student applying has not met the state’s admissions standards policy.

### SAT and ACT and Admissions

**All Washington public baccalaureate institutions permanently test optional.** Students will not be penalized during the admissions process or student eligibility for institutionally supported scholarships, course placement or admissions to Honors programs.

**Test Not Considered:** Institutions do not consider test scores, nor are test scores considered at any point in the admissions review process, even if a student chooses to submit a test score. No additional, alternative measure of college readiness is required in place of a test score.

**Test Not Required:** Institutions do not consider test scores in the admissions review process, even if a student chooses to submit a test score (see test not considered above). However, test scores may be considered for placement, entry into Honors program, and/or scholarship awards.

**Test Optional:** Students may choose to submit test scores to strengthen an application. Not submitting test scores will not disadvantage a student. In place of a test score, students who apply may be required to submit additional and alternative measures of college readiness such as successful completion of dual credit coursework, exams, or scores on high school college readiness assessments.

<b>Test Not Considered</b>	<b>Test Not Required</b>	<b>Test Optional</b>
Eastern Washington University Washington State University	University of Washington, Bothell University of Washington, Seattle University of Washington, Tacoma	Central Washington University The Evergreen State College Western Washington University

### Applying to College

All Washington public baccalaureate institutions have **joined the Common App**. Students and families through the Common App have the option to complete a single admissions application for our state’s public, four-year institutions.

### Guaranteed Admissions (WAGAP)

The Washington Guaranteed Admissions Program **supports admission opportunities** at participating Washington public, four-year institutions to increase college awareness and college going culture across the state for Washington students. To be eligible to participate in WAGAP districts or schools must provide a Letter of Support and complete a single data sharing agreement with all participating institutions of higher education. **To be eligible** for guaranteed admission students **must** meet or be on track by fall 2024 admissions to meet two requirements:

- Earn a 3.0 cumulative GPA **AND**
- Complete **ALL** Washington’s College Academic Distribution Requirements (CADRs)

To be on track for CADRs, a student must have completed all CADRs by fall 2024 admissions. Some CADRs require completion in the senior year of high school. A student who has not yet but is expected to complete a CADR by fall 2024 admissions. **To learn more:** <https://bit.ly/WaGap>

## What You Should Know about Washington Public Four-Year College and Universities

- **Largest Produce of Bachelor's Degrees in Washington.** We are the largest provider of bachelor's and graduate degrees in Washington, offering a rich and diverse selection of pathways to quality baccalaureate, graduate, and professional degree completion.
- **An Affordable, Accessible Option. The sector average admit rate is 83% for first-time, first year students.** We rank in the **top 10 for low average undergraduate tuition** and fees among all states. In Washington the costs are **lower** than national trends, with in-state tuition averaging only \$7,485 for public four years, and \$7,388 for upper division and \$4,564 for lower division for community and technical colleges. And net costs to students are often lower once federal, state, and institutional aid are considered. Public four-year institutions **rank 2nd in the nation for Pell Grant recipients. Fifty-three percent** (53%) of the Class of 2020 graduated from a Washington baccalaureate degree-granting institution with **no student loan debt**.
- **Serving an Increasingly Diverse Student Population.** Over **80% are Washington residents. Nearly 50% identify as non-White. Over a third of students** in the public four-year sector receive a Washington College Grant; **48% of College Bound Scholarship** recipients attend a public four-year institution.
- **Strong Commitment to Degree Completion.** We rank **2nd** in graduation rates for the West region for bachelor's degree-seeking students at public, four-year institutions. The six-year graduation rate for Washington public four-year institutions is **69%**; national rate was **62%**; WICHE states **64%**. Time to degree is **4.02 years** (average) and 3.75 years (median).
- **Value Added.** Bachelor's degree completion continues to be associated, in Washington and nationally, with increased lifetime earnings, lower unemployment rates, lower incidences of poverty, better health outcomes, longer life expectancy and higher rates of civic and social engagement.
- **Dynamic Education for Current and Future Careers.** Demand for workers with postsecondary credentials is higher than it has ever been. We continue to actively engage in the development and review of education pathways and credentials that lead to degrees and outcomes to respond effectively to the changing demands of the current and future workplace.
  - Washington employers **want to hire local talent** to fill these positions whenever possible.
  - Fewer than **30% of job openings** that pay a family-sustaining wage over the next 10-14 years will require only a high school diploma.
  - While many companies are considering or have started to drop bachelor's degree requirements for jobs, those cases make up 15 percent or less of the available jobs and still require individuals to have significant work experience and skills.
  - Earning a bachelor's degree is the **only and best predictor within a student's control** for earning a good wage in WA.
  - Participation in college can **make up disadvantages** such as poverty, racism and other structural barriers based on the social capital provided, access to high-quality learning experiences and access to high impact programs (e.g., internships, study abroad, research).

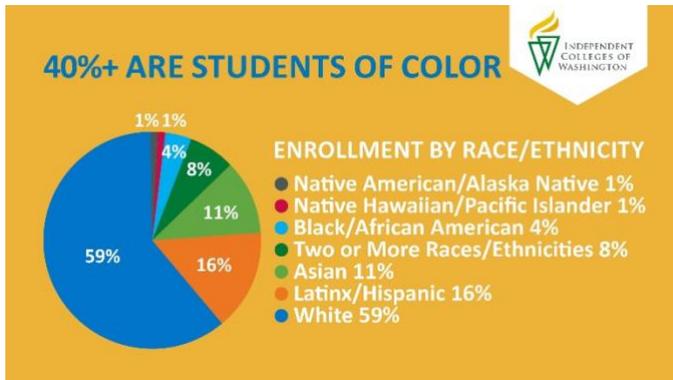

*Independent Colleges of Washington campuses are **servicing Washington** by offering unique higher educational environments and holistic support for state residents on their journeys to **completing degrees**. Together, we are **cultivating talent, championing diversity**, and making it possible for more Washington residents to find the college or university that best meets their individual needs here in their home state. With a commitment to educating the whole person, we are **delivering value** for our alumni and for our communities.*

## About Our Campuses

- Independent Colleges of Washington campuses collectively educate approximately 35,000 students.
- We enroll students from all 39 Washington counties, all 49 sister states along with the District of Columbia, Puerto Rico, and Guam, and more than 80 countries.
- Our graduates make up approximately 20% of new bachelor's and graduate degree earners in Washington each year. In some fields, we are powerhouse producers, conferring 40% of graduate degrees in education, for example, and 50% of nursing graduate degrees in Washington.
- If taken together, ICW campuses would be one of the 20 top private employers in Washington, employing a higher number of employees than Kaiser Permanente in the state; together we employ more people in the state than do Google, Expedia, or Comcast.
- Between 2010 and 2020, institutional aid from ICW member campuses has nearly doubled.
- ICW campuses have some of the highest graduation rates; completion rates at Washington independent colleges are 83% versus the national average of 62%.

## About Our Students

- More than four in 10 students across the ICW membership identify as Black, Indigenous, or persons of color.
- Approximately 40% of our undergraduates qualify for need-based federal and/or state grant aid and work study, such as the Washington College Grant.
- One in five students are first in their families to earn a college degree.
- Approximately one in three students transfer credits from other institutions.
- More than one in four (28%) of our undergraduate and graduate students are older than 25.
- Approximately 1,000 ICW students are veterans.

## Workforce of the Future

Independent Colleges of Washington students can pursue degrees in more than 800 fields of the study.

## Diversity, Equity and Inclusion (DEI)

- Independent Colleges of Washington's member institutions are committed to creating and maintaining a vibrant and welcoming community for students, staff, and faculty.

- Member campuses are invested in diversity, equity, and inclusion (DEI), and committed to developing more inclusive campus communities. ICW works to support a thriving community of professionals leading DEI efforts on our campuses, deeply engaged in implementing diversity-aware recruitment, hiring, and retention strategies, ensuring cultural competency and anti-racism training across campus; conducting campus climate survey; building capacity/infrastructure; making curricular changes to ensure accessible and inclusive teaching; integrating cross-functional work happening on campus; and directly supporting students of color.
- Each campus has invested in the creation of [resource centers and institutes to further advance DEI efforts](#). For more information on our DEI efforts, please visit [icwashington.org/dei](http://icwashington.org/dei).

## Resources for Counselors and Advisors

To assist those who are guiding prospective students no matter their age or path, please consider these [Resources for Counselors, Advisors \(icwashington.org\)](#). Whether a student needs [academic](#) or [behavioral health support](#), or [support for nutrition and housing](#), or [wants to get involved in specific communities](#), ICW campuses offer a well-rounded suite of services to help students be successful on their higher education journeys.

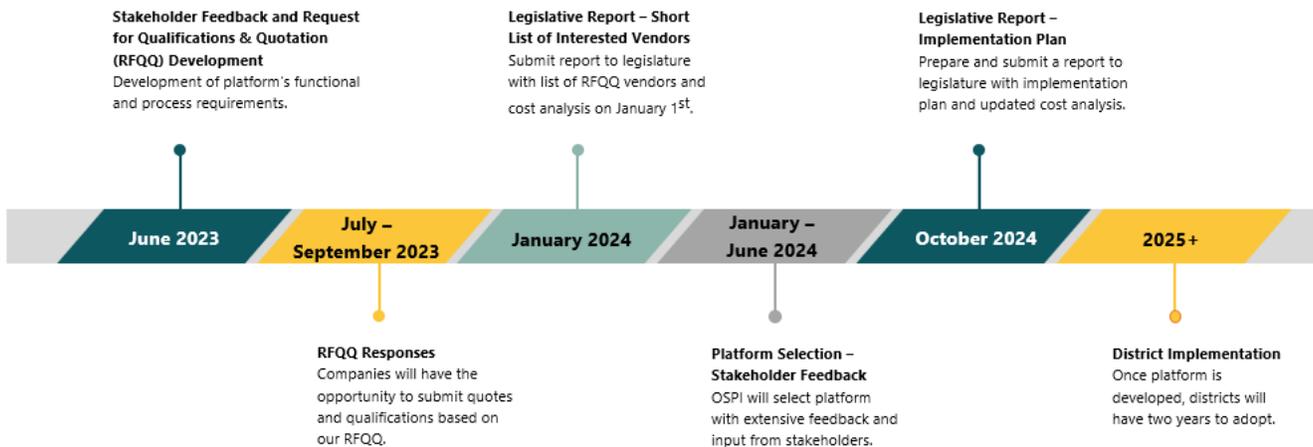

## Moving Towards a Statewide Universal High School and Beyond Plan (HSBP) Platform

The High School and Beyond Plan (HSBP) is a state graduation requirement. Each student must have a HSBP to guide the student’s high school experience and prepare the student for postsecondary education or training and career (ESHB 2224, Chapter 31, Laws of 2017). This bill now requires that **students start their plan by seventh grade** and then continue to revise them throughout middle and high school to accommodate changing interests or educational and career goals.

During the 2023 legislative session, the Legislature passed Engrossed 2<sup>nd</sup> Substitute Bill (E2SSB) 5243, which made several changes to the requirements for HSBP implementation and called for OSPI to begin leading work that would ultimately result in the adoption of a statewide universal platform. Additional details about what has change with this bill, opportunities for engaging in the process and providing feedback, and additional detailed information can be found on OSPI’s HSBP webpage.

### Projected Timeline:

## Ensuring College & Career Readiness via a Comprehensive School Counseling Program (CSCP)

All students need access to personalized career and college exploration opportunities to assist them with seeing connections between their learning and future aspirations, including further education or training and/or career preparation via community and technical colleges or universities, apprenticeships, industry certification programs, and military or on-the-job training.

During the 2021 legislative session, the Legislature passed Substitute Senate Bill (SSB) 5030, which mandates the development of a comprehensive school counseling program (CSCP) plan in alignment with elements of current best practices. SSB 5030 requires districts to implement a CSCP for all schools within the district that includes, among other areas of support, a focus on college and career development as evident in the American School Counselor Association (ASCA) National Model. Go to the OSPI’s [Comprehensive School Counseling Program webpage](#) for resources to assist in the understanding and development of these required CSCPs.

**From SSB 5030, as detailed in RCW 28A.320.600, Washington school districts must develop a CSCP Plan that:**

- Establishes a comprehensive school counseling program aligned with nationally recognized school counseling **frameworks** and WA state learning **standards**, such as social-emotional learning (SEL) and multi-tiered systems of support (MTSS);
- Provides a process for identifying **student needs** through a multi-level **school data review and analysis** that includes, at a minimum, use-of-time data, program results data, and data regarding communication with administrators, parents, students, and stakeholders;
- Explains how **direct and indirect services will be delivered** through the CSCP; and
- Establishes an **annual review and assessment process** for the comprehensive school counseling program that includes building administrators and stakeholders.

**Relatively Recent Legislation that Supports Postsecondary Preparation**

**From HB1599 (2019), Washington’s updated graduation requirements include guidance that:**

1. Districts must adopt an Academic Acceleration policy (see [RCW 28A.320.195](#)) by the 2021-22 school year
  - a. Course decisions must be made *in alignment with students’ High School & Beyond Plan (HSBP)*
2. Evidence is provided within the HSBP that all students have received information about *state and federal financial aid* programs
3. **All 10th grade students must update their HSBP**, using their statewide assessment scores, transcript and other pertinent data or information, to *inform junior year course decisions*
4. Students with Individualized Education Program (IEP) services **must develop a HSBP** that is *aligned with their IEP Transition Plan*, and in a *similar manner and with similar staff* as their general education peers
5. All districts must provide access to an *electronic platform* for the HSBP (see [Bulletin 041-20](#))
6. Student must complete a *Graduation Pathway* that is aligned with their HSBP (see below)

**From SB6141, a Financial Aid Advising Day (FAAD) requirement** (see RCW [28A.300.815](#)):

1. Districts must notify and provide an annual FAAD for seniors and families *by Dec. 1*
  - a. This date is in statute, but may need to be extended this year to accommodate the later FAFSA release date in December 2023
2. The HSBP must inform students about the **Washington College Grant** (former State Need Grant) and other specifics about applying for financial aid (see component #2 in HB1599 section above)
3. A WA financial aid calculator and a sample award letter should be demonstrated and provided to families during the annual FAAD

**Graduation Requirement Emergency Waiver (GREW) Change for Class of 2024**

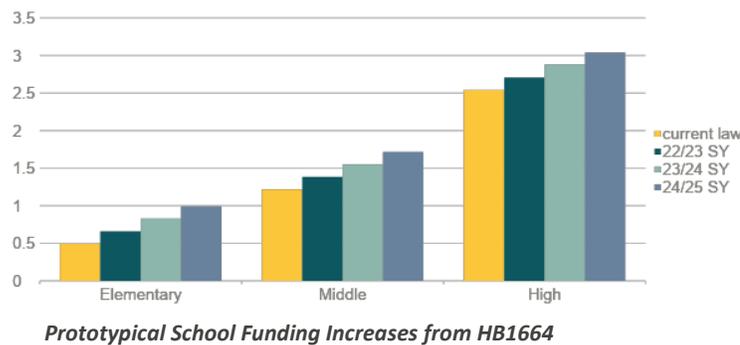

1. Rules adopted by the State Board of Education (SBE) in May 2022 extended the emergency waiver program through the 2023-2024 school year for the class of 2024. Access the SBE’s [Emergency Waiver Program webpage](#) to explore the **changes to previous rules for the 2023-24 GREW, including:**
  - a. Eligible students may still waive up to 1.0 “core” credit; however, there will no longer be an option to waive the Graduation Pathway after 8.31.23.
2. The High School and Beyond Plan (HSBP) must still be completed according to [RCW 28A.230.090](#) and be aligned with how students demonstrate their postsecondary preparation in order to access a GREW.
3. Schools should use the GREW as a **last resort** and only with students for whom a “good faith effort” has been made to support their completion of all graduation requirements.
4. Special care should be given to ensuring students are not waiving the courses or a graduation pathway that would ensure their preparation for, and access to, postsecondary education opportunities.

## Other Relevant Legislative Updates

HB1536 (2023) – Adds parameters and restrictions for the withholding of diplomas from HB1176 (2020).

1. Schools may not withhold transcripts or grades as a means to recoup fees for property damage.
2. Diplomas may only be held if willful damages exceed \$1,000 for the earlier of either five years from the date of the student's graduation or until amount owed is less than \$1,000.
3. School districts must provide community service options for the students/families who cannot pay monetary damages. Community service must be credited at the applicable local or state minimum wage, whichever is greater. When amount owed is reduced to less than \$1,000, the diploma of the student must be released. The parent or guardian of the student shall be liable for damages as otherwise provided by law.
4. If a student's records are requested by the department of social and health services or other agency granted custody of a child, the records may not be withheld for nonpayment of school fees or any other reason.
5. Each school district that withholds a diploma must publish and maintain the amount and cohort information on its website for current and five school years and be updated annually.

HB1664 (2021) – Phases in additional funding over the next three years for “physical, social, and emotional supports” in schools. This funding must be used to hire any of the staff positions listed in OSPI's guidance ([OSPIs Physical, Social, and Emotional Support \(PSES\) Q&A, pg. 2](#)).

## Career and College Readiness Related OSPI Updates

OSPI's 2021-24 [Strategic Goals](#) (#2) include a focus on increasing access to postsecondary options that will prepare our students for their future goals, and specifically continued efforts to increase flexibility with course choices.

1. The Superintendent of Public Instruction has approved seven new state Career and Technical Education (CTE) course equivalencies, now available for district adoption. CTE equivalency courses align with core content learning standards to support student course flexibility and choice on their path to obtaining a diploma and preparing for postsecondary education. These state equivalency frameworks were built in collaboration with educators and business and industry partners and are considered best practice for aligning instruction of CTE course content with learning standards for core academic courses.

### ❖ Newly-Approved CTE Course Equivalencies:

- 5202501 Business Communications (1.0 ELA)
- 149991 Engineering Essentials (1.0 Science)
- 510913 Sports Medicine 1 (.5 Health)
- 510913 Sports Medicine 2 (1.0 Lab Science)
- 151302 CAD (1.0 Art)
- 010608 Floral Design (1.0 Art)
- 190901 Textiles and Design (1.0 Art)

- ❖ Starting *September 2021*, any statewide CTE Equivalency courses offered in a district or at a skill center must be offered for academic credit and transcribed as the academic course. This can help students meet their credit and graduation pathway requirements while meeting college admissions standards.
    - Passed in 2023, [SB5617](#) also now directs any districts using a skill center to accept the host district's CTE equivalencies and corresponding academic credit for any skill center courses
  - ❖ Districts with 2000 or more students must provide access to at least one statewide CTE equivalency.
    - The full list of state approved CTE Equivalencies is on [OSPI's Statewide Course Equivalencies](#) webpage
2. [Seal of Biliteracy](#): the requirement for students to have met standard on the SBA in ELA was removed so now students can be considered as having met the ELA standard by meeting any of the Graduation Pathway options!
- ❖ There is also work happening to broaden the number of languages in which students can demonstrate their proficiency, and increase access to exams in rural areas, thus providing a broader group of students with more opportunities to meet their World Language requirement for four-year college admissions.

### Graduation Pathways available to the Class of 2024:

- [Career/Technical Field = CTE Course Sequence](#)
- [Military Career Interest = ASVAB Exam \(AFQT Section only\)](#)
- [Postsecondary Education = English Language Arts \(ELA\) and Math Courses and Exams](#)  
(Can use any combination of the ELA and math options.)
- [Performance-Based = \*\*NEW! Graduation Pathway \(HB1308\)\*\*](#)
  - ❖ The State Board of Education will be developing rules to implement this new graduation pathway option, with final rules likely to be available by early 2024
  - ❖ Additional information about this new pathway option is posted on the State Board of Education [Performance-Based Pathway Webpage](#).

## **About the Washington Student Achievement Council**

The Washington Student Achievement Council (WSAC) is a ten-member council supported by a cabinet-level state agency. The Council's mission is to advance educational opportunities and attainment in Washington. In pursuit of that mission, the Council:

- Leads statewide strategic planning to improve educational coordination and transitions.
- Supports Washingtonians through the administration of financial aid, two college savings plans, and support services.
- Advocates for the economic, social, and civic benefits of postsecondary education.

Our commitment to equity: In support of advancing educational attainment for all Washingtonians, we commit to fostering a culture of equity, diversity, and inclusion among our staff and in all areas of our work.

## **What's New in 2023-24**

### **Bridge Grant**

For the academic year 2023-24, students who are receiving the maximum Washington College Grant may be eligible to receive an additional \$500 Bridge Grant. The Bridge Grant is to assist with costs associated with higher education. The Bridge Grant is not available to students that are eligible for the College Bound Scholarship and the award is limited to the student's need.

### **2024-25 FAFSA / WASFA Release Date Change**

On December 27, 2020, Congress passed the FAFSA Simplification Act. This act will offer a major redesign of the processes and systems used to award financial aid starting with the 2024-2025 award year. This redesign will delay the release of the 2024-2025 FAFSA and WASFA to December 2023. Aim Higher Washington will be providing trainings to support you through these changes. More information can be found at [wsac.wa.gov/aim-higher-training](https://wsac.wa.gov/aim-higher-training).

### **WA Grant Campaign**

A Washington College Grant (WA Grant) campaign has been implemented to increase awareness of the WA Grant program. This is a multi-faceted campaign to encourage students, apprentices, and families to apply. WA Grant gives more money to more people for more kinds of education and training beyond high school.

### **Washington Award for Vocational Excellence**

The Washington Award for Vocational Excellence (WAVE) was established by the Legislature in 1984 to help emphasize the importance of career and technical education, and the value of real-world, hands-on learning. The award was suspended in 2010 because of budget cutbacks during the Great Recession and restarted by the Legislature in 2022. The award recognizes high-performing career and technical education (CTE) students at the high school and college levels.

Award values are based on the total number of scholarships awarded, as funding is limited, but can cover up to two years of tuition, according to the tuition charged by the institution students will attend. WAVE is administered by the Workforce Board in collaboration with WSAC, which handles the disbursement of funds. Application information is available at the Workforce Board's WAVE landing page: [wtb.wa.gov/wave/](https://wtb.wa.gov/wave/).

## College Bound – GPA Requirement

Beginning in the 2023-24 academic year, there is no high school GPA requirement to receive College Bound at a community college or technical school. Students who enroll directly after high school into a four-year college or university will still need to meet the 2.0 GPA requirement to receive College Bound. Students with a high school GPA below 2.0 who attend a community college or technical school initially and then transfer to a four-year college will be able to receive College Bound. All students must still meet other College Bound Pledge and program requirements to receive funds. Students must still meet admission requirements to the four-year college or university of their choice and enroll before receiving College Bound.

## Residency

Beginning in 2022, it is easier for undocumented students and others to meet residency requirements for in-state tuition and state aid. To qualify, students must:

- Earn a high school diploma, GED, or diploma equivalent from anywhere in the United States before their first term.
- Live in Washington for at least 12 consecutive months immediately before their first term for purposes other than college.
- Sign an affidavit saying they meet the above requirements. Students who are not a US citizen, national, or permanent resident will also commit to applying for U.S. permanent residency when eligible.

## Access and Support Programs

### Aim Higher Washington

[wsac.wa.gov/aim-higher](https://wsac.wa.gov/aim-higher)

The Aim Higher initiative is a coordinated effort to increase equity in educational attainment by helping more students in Washington apply for financial aid. The initiative's programs provide students with early, accessible, pathway-relevant financial aid information and application support. More info can be found at [wsac.wa.gov/aim-higher](https://wsac.wa.gov/aim-higher).

### Plan Your Future

[wsac.wa.gov/actionplan](https://wsac.wa.gov/actionplan)

WSAC developed a student-centered one-stop-shop website to assist juniors and seniors with their postsecondary planning, admissions, financial aid application support, and other critical resources.

### Washington Application for State Financial Aid (WASFA)

[wsac.wa.gov/wasfa](https://wsac.wa.gov/wasfa)

The Washington Application for State Financial Aid (WASFA) is accessible at [wsac.wa.gov/wasfa](https://wsac.wa.gov/wasfa). This application is available to students who are not eligible to complete the Free Application for Federal Student Aid (FAFSA) due to their immigration status, defaulted federal loans, or other issues with federal aid. Students who complete the WASFA will be considered for state financial aid programs only. The WASFA is available in English and Spanish.

## GEAR UP

[gearup.wa.gov](https://gearup.wa.gov)

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) is a federally funded program that provides high-poverty school districts with resources to support them in preparing students for postsecondary options. WSAC, Washington State University, and University of Washington lead GEAR UP programs serving over 37,000 students in 70 school districts. The WSAC-led program serves over 5,500 students in 26 school districts. WSAC maintains a website of free resources available to schools, students, and families, including family newsletter templates, college visit resources, a

scholarship listing, and more. There is also a page focused on COVID-related updates and resources.

## 12th Year Campaign

[wsac.wa.gov/12th-year-campaign](https://wsac.wa.gov/12th-year-campaign)

[wsac.wa.gov/fafsa-completion](https://wsac.wa.gov/fafsa-completion)

The 12th Year Campaign provides free trainings, materials, and other resources to those working with students on admissions and financial aid applications. The 12th Year Campaign can also support districts and schools with their Financial Aid Advising Day planning. Additionally, the 12th Year Campaign also promotes the Plus 5 Push by encouraging sites using 12th Year Campaign resources and student-level FAFSA data from the secure WSAC portal to increase their financial aid completion by 5 percent.

## OtterBot

[wsac.wa.gov/otterbot](https://wsac.wa.gov/otterbot)

OtterBot is a free texting service to support Washington high school students and their parents/guardians. It is designed for juniors and seniors who are enrolled in College Bound. Students and their parents/guardians will receive timely text reminders and can ask OtterBot questions about financial aid or college access information 24/7.

## Student Loan Education Course

[www.studentloaned.wa.gov](http://www.studentloaned.wa.gov)

The Student Loan Education Course provides a series of learning modules with information on applying for aid, comparing award letters, knowing how much aid a student needs, and repayment topics with four tracks:

- Preparing for school.
- Understanding my loans.
- Loan repayment.
- Supporting my child's education.

## College Savings Plans-WA529

[529.wa.gov](https://529.wa.gov)

Washington's two 529 college savings plans are the Guaranteed Education Tuition (GET) Program and the DreamAhead College Investment Plan. They help families save for future college and career training expenses.

GET and DreamAhead accounts grow tax-deferred and remain tax-free when used for qualified education expenses—tuition, fees, room & board, books, supplies, and more. Students can use GET and DreamAhead funds at public or private four-year colleges or universities in the U.S. and even some schools abroad, as well as trade schools and registered apprenticeship programs.

## GET

GET is a 529 prepaid tuition plan that offers Washington residents a “peace of mind” way to save for higher education. The State guarantees that savings in a GET account will keep pace with changes in-state public tuition rates. Specifically, 100 GET units purchased today will always equal one year of tuition and state-mandated fees at Washington's highest priced public university, no matter how much it changes in the future. The GET open enrollment period runs November through May each year.

## **DreamAhead**

DreamAhead is a 529 college investment plan open to anyone in the United States. Account owners select savings options and their money is invested in the market. DreamAhead investors can customize their saving portfolios based on their risk tolerance and student age. DreamAhead enrollment is open year-round.

## **Scholarship Search**

### **theWashBoard**

[thewashboard.org](http://thewashboard.org)

TheWashBoard.org is committed to increasing access to scholarships and financial aid for Washington students. Launched in 2010, theWashBoard.org, a free, scholarship matching website for Washington students, is a simple and central scholarship search and application resource. Last year, nearly \$18.3 million in scholarships were offered with a minimum of 3,741 available awards on TheWashBoard.org.

## **Need-based financial aid programs**

### **College Bound**

[collegebound.wa.gov](http://collegebound.wa.gov)

College Bound is an early commitment of state financial aid to cover tuition at public rates, some fees, and a small book allowance at over 65 eligible Washington postsecondary institutions.

This commitment is mostly fulfilled by the Washington College Grant. The application is a two-step process. After being auto-enrolled in 7th, 8th, or in some cases, 9th grade, high school students must fulfill program pledge requirements and meet residency and income requirements. Students must enroll in college within one year of high school graduation and four academic years' worth of funds to be used within five years of high school graduation.

### **Passport to Careers Program**

[wsac.wa.gov/passport-to-careers](http://wsac.wa.gov/passport-to-careers)

[wsac.wa.gov/passport/guide](http://wsac.wa.gov/passport/guide)

This program offers two pathways for foster youth and unaccompanied homeless youth seeking a postsecondary degree or career training.

The Passport to College program helps students successfully attend a postsecondary institution by providing a college scholarship and comprehensive support.

The Passport to Apprenticeship Opportunities program helps students with career-related training under state-approved apprenticeship or pre-apprenticeship programs. Support services and financial aid are provided through ANEW.

## Washington College Grant

[wsac.wa.gov/wcg](https://wsac.wa.gov/wcg)

[wsac.wa.gov/wcg-apprentices](https://wsac.wa.gov/wcg-apprentices)

The Washington College Grant (WA Grant) provides need-based financial aid to Washington students pursuing postsecondary education and access to funding for registered and approved apprenticeship programs. Students who meet eligibility requirements<sup>1</sup> can use the financial aid at Washington's eligible institutions<sup>2</sup>, including public two- and four-year colleges and universities, and many accredited private/independent colleges, universities, and career schools in the state. In addition, participants may receive WA Grant funding for approved apprenticeship programs available through approved apprenticeship program providers.

In 2022-23, the eligibility thresholds have increased and funds are guaranteed to all eligible students and apprenticeship participants, making the WA Grant one of the most generous financial aid programs in the country.

<sup>1</sup> Find income and program requirements at [wsac.wa.gov/wcg](https://wsac.wa.gov/wcg)

<sup>2</sup> Find a complete list of eligible institutions at [wsac.wa.gov/sfa-institutions](https://wsac.wa.gov/sfa-institutions)

## State Work Study

[wsac.wa.gov/state-work-study](https://wsac.wa.gov/state-work-study)

State Work Study is financial aid for low- and middle-income students. Qualifying students get an approved on- or off-campus job to support their education. Work study builds students' skills, increases their earnings, and reduces reliance on student loans. The state contributes to the wages of work study employees, so participating employers benefit from educated and motivated workers at a lower cost. Many employers hire work study students on a permanent basis after graduation.

## Merit-based financial aid programs

### American Indian Endowed Scholarship

[wsac.wa.gov/american-indian-endowed-scholarship](https://wsac.wa.gov/american-indian-endowed-scholarship)

The American Indian Endowed Scholarship program provides educational scholarships on a competitive basis to high-achieving resident students, with demonstrated financial need, who have close social and cultural ties to an American Indian tribe or community within the state. Recipients demonstrate academic merit and a commitment to serve the American Indian communities in Washington.

## Workforce programs

### Educator Workforce Programs

[wsac.wa.gov/teachers](https://wsac.wa.gov/teachers)

The Washington State Educator Workforce Program provides financial aid to attract and retain teachers to work in subjects or locations of high need known as shortage areas. The program includes options for current teachers, student teachers, paraprofessionals, and non-educators hoping to move into the teaching field. The conditional scholarships require the participant to fulfill teaching service in a Washington K-12 public common school in exchange for the scholarship funds. The grant is awarded to applicants with the most financial need who are student teaching in a Washington K-12 Title I public common school.

## **National Guard Postsecondary Education Grant**

[wsac.wa.gov/national-guard](http://wsac.wa.gov/national-guard)

The National Guard Postsecondary Education Grant, commonly known as the National Guard Grant, helps eligible, actively participating members of the Washington National Guard with the costs of higher education through a conditional scholarship. Participants commit to serving one year in the Washington National Guard in exchange for each year of grant funding. Combined with state and federal aid, grants can be used for costs of attendance, such as tuition, fees, room, and board, at approved colleges in Washington, as well as a portion of books and materials.

## **Dual Credit**

### **WA Grant Maximum Usage Standard & Dual Credit**

[wsac.wa.gov/college-credit-high-school](http://wsac.wa.gov/college-credit-high-school)

The Washington College Grant (WA Grant) has a maximum usage standard of 15 quarters/10 semesters or equivalent. The timeframe only applies to the quarters in which a student received the WA Grant. Because dual credit students cannot receive state financial aid to pay for college credits earned through dual credit, no course work taken in dual credit programs will apply to the WA Grant maximum usage timeframe<sup>3</sup>. Additionally, students who earn an associate degree through dual credit programs can use WA Grant toward another associate degree, if they are enrolled in an aid-eligible program.

Maximum usage timeframes differ for state, federal, and institutional financial aid. Dual credit participation may still affect a student's access to financial aid, depending on the type of aid. Students who get close to the maximum timeframe will need to work closely with the financial aid representative at their college/university to maintain eligibility for federal and institutional aid. This issue is most likely to occur for students who graduate high school with a high number of college credits. Colleges and universities also typically include credits earned in dual-credit programs to evaluate satisfactory academic progress (SAP) when determining financial aid eligibility.

<sup>3</sup> Once a student completes their BA/BS, they are no longer eligible to receive the WA Grant, even if they had not utilized the fulltime limits. College credits earned through dual credit programs may be applied to BA/BS degrees.

## **College Admissions and Transfers**

### **Transfers**

[wsac.wa.gov/transfers](http://wsac.wa.gov/transfers)

Washington's public community and technical colleges offer transfer associate degrees that make it easier for students to transfer to bachelor's programs in Washington. These degrees transfer to all public and most private four-year colleges and universities.

There are three different transfer associate degrees:

- Direct Transfer Agreement (DTA) Associate Degree: Meets most lower division general education requirements at four-year colleges and universities.
- Associate of Science – Transfer (AS-T) Degree: For students who want to earn a bachelor's degree in engineering or science.
- Major Related Programs (MRPs): DTA and AS-T plans that prepare students for bachelor's degrees in specific majors such as business, nursing, and computer science.

Once admitted to a participating bachelor's degree program, students who complete transfer degrees can generally expect 90 transferrable quarter credits and junior class standing.

## **College Admissions**

[wsac.wa.gov/college-admissions](https://wsac.wa.gov/college-admissions)

Washington colleges have different admission policies, and some are more selective than others. Public community and technical colleges have an open-admission policy. WSAC works with partners in K-12 and higher education to set minimum admission standards for the state’s public baccalaureate schools.

High schools can choose to participate in a [Guaranteed Admissions Program \(GAP\) - Council of Presidents, a partnership with 5 public baccalaureate schools. \(councilofpresidents.org/ admissions/guaranteed-admissions-program-gap/\)](https://councilofpresidents.org/admissions/guaranteed-admissions-program-gap/)

## **Counselor Resources**

### **Graduation requirements**

[sbe.wa.gov/our-work/graduation-requirements](https://sbe.wa.gov/our-work/graduation-requirements)

Information about waivers: [sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program](https://sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program) – The Board adopted permanent rules at the May 2022 meeting, extending the waiver to the class of 2023.

[sbe.wa.gov/our-work/waivers](https://sbe.wa.gov/our-work/waivers): view “Applications for Waiver of Implementation of the 24 Credit Framework for Up to Two Years” and “Waivers Granted from the Credit-Based Graduation Requirements”.

Students seeking admission to a public four-year public college in Washington must meet the credits required in the minimum college admission standards- [wsac.wa.gov/college-admissions](https://wsac.wa.gov/college-admissions). In addition, students interested in college athletics and athletic scholarships must meet NCAA academic eligibility requirements, available at [ncaa.org/sports/2014/10/24/play-division-i-sports.aspx](https://ncaa.org/sports/2014/10/24/play-division-i-sports.aspx)

# Community and Technical Colleges of Washington

Washington State Board for Community and  
Technical Colleges  
1300 Quince Street SE  
PO Box 42495  
Olympia, WA 98504-2495  
(360) 704-4400

[www.sbctc.edu](http://www.sbctc.edu)

## Student Profile

Total Enrollment: 261,874  
Faculty/Student Ratio: 1:15

## Type of Student

College/University transfer: 41%  
Professional-technical: 32%

## Equity & Diversity

“Leading with racial equity, our colleges maximize student potential and transform lives within a culture of belonging that advances racial, social, and economic justice in service to our diverse communities.”

Washington State Board for Community and Technical  
Colleges Vision Statement, adopted June 2019.

## Top Degrees Awarded 2021-22

- Associate in Arts (DTA)
- Workforce degrees
- Associate in Applied Science-Transfer (AAS-T)
- Associate in Business (DTA/MRP)
- Nursing and Pre-Nursing degrees

## Top Transfer Destinations

Each year, about 22,000 students who started their education at a community or technical college students transfer to a public or private baccalaureate institution.

To help make transferring simple for students, community and technical colleges hold direct transfer agreements with:

- Bastyr University
- Central Washington University
- City University of Seattle
- Cornish College of the Arts
- Eastern Washington University
- The Evergreen State College
- Gonzaga University
- Heritage University
- Northwest Indian College
- Northwest University
- Pacific Lutheran University
- Seattle Pacific University
- Seattle University
- St. Martin’s University
- University of Washington (all campuses)
- Washington State University (all campuses)
- Walla Walla University
- Western Governors University
- Western Washington University
- Whitworth University

## Resources for Counselors

[CheckOutACollege.org/GetMore](http://CheckOutACollege.org/GetMore)

Find college and degree options, career and wage data, ideas for paying for college, search by program and location, multiple languages, links to two-year and four-year colleges, Fall Counselor Workshop PowerPoint, and publications.

## Check Out a College brochures

Get brochures from your nearest community or technical college, or order larger quantities at a reasonable price. **FREE:** Ask your local college for Check Out a College brochures.

See the Washington community and technical outreach staff roster at <http://www.CheckOutACollege.org/GetMore> for college brochure contacts.

**LOW COST:** Order online from the Washington State Department of Printing website:

- Go to [myprint.wa.gov](http://myprint.wa.gov)
- In the “Search” field at lower left, type “Check Out a College”
- Order based on instructions

## Dual Credit Options

### Running Start

Running Start allows 11th and 12th grade students to take college courses at Washington's 34 community and technical colleges. Students earn high school and college credits for these courses. Running Start students and their families do not pay tuition for up to a combined college and high school annual FTE of 1.4. Students pay mandatory fees, books, and transportation. Some colleges have grants and waivers to help students with these expenses. Check with the college for details.

Students interested in Running Start may get more information from their high school counseling office or from the Running Start coordinator at their local college. Many colleges offer orientation sessions to help students and families learn more about the program. The entire catalog of courses is available to Running Start students. This includes electives, vocational, online, and advanced course work.

More at [www.sbctc.edu](http://www.sbctc.edu)

### College in the High School

College in the High School programs provide college-level academic courses to 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade students. Courses are taught at the high school by high school teachers with college curriculum, college textbooks, and oversight by college faculty and staff.

- Beginning fall 2023, all course fees have been removed. All students can participate in these courses at no cost.
- Located at the high school.

### CTE Dual Credit

CTE Dual Credit allows high school students to earn college credit in their high school career and technical education (CTE) classes without leaving their high school campus.

- Tuition free.
- Located at the high school.
- Credits apply only to [professional-technical certificates or degrees](#).

## Professional-Technical Program Matrix

The SBCTC Workforce Education professional-technical program matrix in this handbook is subject to change. Programs are listed by general categories and may not reflect actual program names.

- See Career and Job Training Programs matrix.

### Eligible Training Provider (ETP) list

Visit the Career Bridge website at [www.careerbridge.wa.gov](http://www.careerbridge.wa.gov) for the ETP list.

## Applied Baccalaureate Degrees

- An applied baccalaureate (applied bachelor's) degree builds on the education and training from a two-year technical associate degree, allowing graduates to move up the educational and professional ladder without starting over.

### Degree Options

- Most community and technical colleges offer a variety of applied bachelor's degrees.

For a complete list, visit [www.SBCTC.edu](http://www.SBCTC.edu).

### Applied Baccalaureate Tuition

- Tuition rates are roughly double the cost of regular community and technical college credits. See community and technical college tuition chart.

## University and College Transfer

More and more students get started on a bachelor's degree with an associate transfer degree. Students get a high-quality undergraduate experience and save money by starting at a community or technical college and transferring to a Washington four-year college, branch campus, university center, or applied baccalaureate program.

### Associate transfer degrees

Several options are available, so students should work closely with an advisor to choose the right degree and classes for their educational and career goals. Students should contact the four-year college or university of their choice to fully understand and meet degree requirements before transferring.

**See Transfer Degree Inventory chart.**

### University Centers and Transfer Partnerships

Students can earn an associate transfer degree at a community or technical college and then stay on campus to complete a bachelor's degree from one of our many four-year college or university partners. Options are subject to change.

**See University Centers and Transfer Partnerships chart.**

### High School Diploma Options

Community and technical colleges offer three ways to earn a high school diploma.

1. Earn an associate degree through Running Start, request high school diploma from college
2. Earn an associate degree, request high school diploma from college (may require financial aid)
3. Earn a high school diploma from the college through one of the following high school completion programs (may require financial aid)

### I-BEST

Washington's nationally renowned Integrated Basic Education and Skills Training program (I-BEST) uses a team-teaching approach to combine adult education classes with regular, credit-bearing academic or job training classes so students get through school and into jobs faster.

### Project I-DEA

With I-DEA, English language learners who face the largest language gaps are learning English quickly and in practical ways.

Like I-BEST, this project uses an integrated, team-teaching approach so students learn English in tandem with job skills and life skills. Classes are "flipped": Students learn basic words and ideas online and cement their knowledge in class with the aid of instructors and peers. Computers and 24-hour internet access allow students to learn topics that matter most to them, anytime, anywhere.

### Competency-based education

Many adult education courses are competency-based; students move through adult education into pre-college (remedial) or college-level courses based on knowledge gained rather than time spent in a classroom. Students move as quickly through courses as their competencies take them.

### High School Equivalency (HSE)

Many people who did not finish high school have the same knowledge and skills as those who did graduate. By taking and passing a series of HSE tests, adults can demonstrate they have acquired the same level of knowledge. Washington state uses the four-part GED® tests for its HSE test.

Most colleges and employers accept an HSE credential as being equivalent to a high school diploma. SBCTC oversees the HSE testing program for the State of Washington. Those who meet the eligibility requirements may take the HSE tests at official test centers located throughout the state. You can find a local test center through the GED® Testing Service.

### High School+

High School+ is a competency-based high school diploma offered at Washington's community and technical colleges for adults who are at least 18 years old. Advisors look at transcripts and knowledge gained from life experience, and work with students to craft an educational plan to fill gaps. To receive a diploma, students must demonstrate competency in reading, writing, and math in the context of science, history, government, occupational studies, and digital literacy.

### Sports and Recreation

Community colleges provide a variety of enrichment activities and programs, including intercollegiate athletics. Sports include basketball, baseball, cross country, golf, softball, soccer, tennis, track and field, volleyball and wrestling. Recognizing the time commitment of student-athletes, colleges may fund tuition Grants-in-Aid through scholarships of up to 40 percent of tuition costs. Visit the Northwest Athletic Conference website at [www.nwacsports.org](http://www.nwacsports.org) for details.

### Multicultural/Diversity and Student Leadership

The multicultural/diversity and student leadership offices on our college campuses work to create an environment that welcomes everyone, encourages civic engagement and student involvement, and provides opportunities for student success. They offer events, programs, and spaces that promote understanding, celebrate diversity, and honor different points of view. Their commitment to diversity, social justice, and multiculturalism has earned prestigious awards across the state.

## Disability Student Services

Campus disability support service offices ensure equal access to educational programs and services by providing consultation on accommodations (e.g. placement testing, classroom, assistive technology) for students with disabilities who are otherwise qualified for college.

The rights of students with disabilities are different in college from what they were in high school. It is important for high school students and their parents to plan appropriately for their students' transitions to post-secondary institutions. Compared to services at public schools, the services provided by post-secondary institutions may seem minimal.

To be eligible for disability-related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

## Financial Aid

Community and technical colleges award federal, state, college-based grants, and work-study based on the Free Application for Federal Student Aid (FAFSA) and Washington Application for State Financial Aid (WASFA).

**Financial aid deadlines vary. Check with the college of your choice for priority dates. We encourage students to apply early.**

Colleges widely recommend students planning to attend fall quarter adhere to the timeline set for College Bound students (February 1).

Those planning to attend winter or spring quarter should also apply for aid by spring of the previous year.

**See Admissions and Financial Aid chart.**

## Scholarships

A variety of scholarships may be available from each college based on financial need, program of study or major, academic merit, leadership or community service. Many colleges offer scholarships through their foundations or list scholarships at their websites.

**Most deadlines for fall scholarships** for graduating high school seniors offered by community and technical college foundations will be in February, March and April of that year.

## Tuition Waivers

Certain populations are eligible for full or partial reduction of tuition. Tuition waivers vary by campus, so check with college registration offices.

Some examples: Military veterans, senior citizens, active-duty military/Washington National Guard, children of deceased or disabled law enforcement officers and firefighters, families of fallen soldiers and families of disabled veterans, basic education.

## Accreditation

Northwest Commission on Colleges and Universities

## Introduction

Bates Technical College has delivered quality career education with a focus on hands-on learning for more than 80 years. The college three vibrant and unique campuses throughout Tacoma — including the award-winning Advanced Technology Building and the new Center for Allied Health Education. Bates offers a variety programs that deliver practical and concentrated hands-on education and in-demand education, while also providing an affordable, accessible path toward employment.

## Diversity, Equity, & Inclusion

Bates Technical College is dedicated to fostering an inclusive environment that embraces diversity and equity. We believe in creating a college climate and workforce that welcomes individuals from all backgrounds. Our overarching goal is to cultivate an environment that is free from all forms of discrimination, ensuring that every person feels valued and respected.

To further this mission, we have established the Diversity, Equity, and Inclusion Office, recognizing its crucial role in addressing these matters and advancing our shared objective. As a public educational institution, we are committed to providing equal opportunities for everyone, fostering an environment where diverse perspectives are not only embraced but celebrated. ## Admission Requirements and Criteria

### BC admits:

- Eligible applicants, at least eighteen (18) years of age, or are a high school graduate, hold a GED, or other equivalent high school credential
- High school students who apply under the provisions of a WA State student program, such as Running Start, Career Education Options (CEO), or Summer Enrichment
- Underage students on a case-by-case basis, and as determined by the Dean of Student Central
- Selected applicants to specific programs with selective admission criteria. (Note: Due to enrollment limitations, these programs may not admit all qualified applicants.)

## Application Process/General Admission

### New students must take the following steps before registering for classes:

- Complete the online admission application by the deadline for the desired quarter\*
- Obtain English and math placement using one of the options listed on the Testing & Placement Services website\*
- Attend a new-to-BC orientation session
- Follow directions provided in the "Welcome Letter" email, sent shortly after submission of application

\* A placement fee is charged, but students do not pay the fee until they submit first quarter tuition.

Prospective students are encouraged to contact the Welcome Center for more information.

## Deadlines and Fees

Fall Quarter final application deadline – Sept. 11

Application fee – \$66

## Estimated Annual Expenses

### For full-time, students in 2023-24

(Figures based on tuition for WA State residents, living with a parent/guardian.)

**Tuition & Fees** – \$4,622

**Rent/Food/Utilities** – \$7,944

**Books/Supplies** – \$702

**Transportation** – \$1,662

**Misc./Personal** – \$1,800

**Total** – \$16,730

## Financial Aid & Scholarships

[www.bellevuecollege.edu/fa](http://www.bellevuecollege.edu/fa)

### Average awards in 2022-23

Federal, state, and institutional aid – \$6,113

Annual average loan amount – \$6,044

### Other aid and scholarships

Between 2017-2023, the BC Foundation awarded 1,281 students with scholarships totaling more than \$2,368,769.

### Financial aid deadlines

- Fall Quarter (2023): July 1, 2023
- Winter Quarter (2024): Nov. 1, 2023
- Spring Quarter (2024): Feb. 1, 2024
- Summer Quarter (2024): May 1, 2024

## Housing

[www.bellevuecollege.edu/housing](http://www.bellevuecollege.edu/housing)

Residence halls accommodate 400 students in a mix of suites and apartments. The communal spaces include areas for studying, meeting, and socializing.

## Sports and Recreation

# Bellingham Technical College

---

3028 Lindbergh Avenue  
Bellingham, WA 98225-1599  
[www.btc.edu](http://www.btc.edu)

## Student Profile

Total Enrollment: 3,784  
Faculty/Student Ratio: 1:15

## Diversity, Equity, & Inclusion

BTC seeks to create an educational experience that prepares all students to live as critical thinkers and engaged members of a global world. Our graduates will be prepared to enter their careers as leaders who honor the importance of diverse communities. BTC is dedicated to the ongoing training and education of our students and employees around topics of justice, equity, diversity, and inclusion.

BTC is engaged in reducing institutional barriers and harm that students of historically underrepresented groups are experiencing daily. BTC is committed to supporting our Black, Indigenous and People of Color community (BIPOC) members and working to define, identify, and dismantle inequitable structures of power, privilege and oppression that have and continue to hinder the education of historically underrepresented peoples.

Learn more about BTC's DEI work and student population at [www.btc.edu/diversity](http://www.btc.edu/diversity)

## Program Intent

Professional-technical: 64%  
Non-award seeking: 32%  
Transitional studies: 4%

## About the College

Bellingham Technical College, located in Whatcom County, offers high-quality education in a supportive, student-first environment. We prepare students for high-wage, high-demand careers. With more than 50 associate degrees and 32 certificates, students can

choose programs in fields ranging from Accounting to Machining, Nursing to Process Technology and Culinary Arts to Fisheries & Aquaculture Sciences.

BTC offers two fully online Bachelor of Applied Science degrees, in Engineering Technology and in Operations Management. These two-year degrees can be added on top of an existing associate or bachelor's degree and will prepare students for higher paying positions in a variety of industries and businesses.

## Admission Requirements and Criteria

BTC welcomes applications from students who are at least 18 years of age or a high school graduate, or those who have applied for admission through special programs such as Running Start and IMPACT!

## Dual Credit Options

Dual Enrollment options allow high school students to take classes that will apply toward both high school and college credit. Students can earn dual credit on their High School campus via CTE Dual Credit or Advanced Placement (AP) programs. They can also earn dual credit on BTC's campus through our Running Start program.

## Running Start

Running Start allows qualified high school juniors and seniors, including public, private and home school students, to receive college credit while completing high school requirements. Students are enrolled simultaneously in high school and college classes (or just college classes) and are awarded dual credits by their high school and college. Find out more online at [www.btc.edu/RunningStart](http://www.btc.edu/RunningStart)

## IMPACT! Youth Re-Engagement

IMPACT! is a free, flexible program that helps students who have dropped out or are significantly behind in credits create a path to academic and career success. Students get free tuition at BTC and academic support

as they work toward their GED and continue on for an associate degree or certificate. [www.btc.edu/Impact](http://www.btc.edu/Impact)

### CTE Dual Credit

Career and Technical Education (CTE) Dual Credit provides career pathways for high school students. High school and college instructors work together to choose CTE courses that meet entry-level requirements for comparable college courses, so that students may be able to receive BTC credit while still in high school. Learn more about all of BTC's dual credit options at <http://www.btc.edu/DualCredit>.

### Estimated Annual Expenses

The Estimated Costs of Attendance for the 2023-2024 school year listed below are for full-time enrollment (12+ credits) for Fall, Winter, and Spring quarters. Amounts are estimates that may be used for planning purposes.

	<u>Living w/ relatives</u>	<u>Not living w/ relatives</u>
Tuition & Fees	<u>\$6,000</u>	<u>\$6,000</u>
Books/Supplies	<u>\$762</u>	<u>\$762</u>
Room and Board	<u>\$8,592</u>	<u>\$17,868</u>
Transportation	<u>\$1,800</u>	<u>\$1,938</u>
Miscellaneous/ Personal	<u>\$1,950</u>	<u>\$1,950</u>
<b>Total</b>	<u>\$19,104</u>	<u>\$28,518</u>

### Financial Aid

Phone: 360-752-8351

Email: [finaid@btc.edu](mailto:finaid@btc.edu)

Website: [www.btc.edu/FinancialAid](http://www.btc.edu/FinancialAid)

Scholarship Website: [www.btc.edu/Scholarships](http://www.btc.edu/Scholarships)

### Priority FAFSA/WASFA Dates

BTC accepts FAFSAs and WASFAs on a rolling basis, but recommends that students begin the application process at least two months prior to the suggested deadline dates for best results:

Summer quarter: May 1

Fall quarter: June 1

Winter quarter: November 1

Spring quarter: February 1

### Housing

BTC is located in a residential area near the Birchwood and Columbia neighborhoods in Bellingham, where apartment, condo or house rentals and purchase opportunities are available.

### Campus Visits

Join us for campus tours, college and program information sessions, events and more.

Email: [admissions@btc.edu](mailto:admissions@btc.edu)

Website: [www.btc.edu/apply](http://www.btc.edu/apply)

Phone: 360-752-8345

### Student Life

The Associated Students of Bellingham Technical College (ASBTC) leads student government and hosts campus events and activities throughout the year. Students participate in clubs such as Phi Theta Kappa, Culinary Club, Genders & Sexualities Alliance, and student chapters of professional organizations, such as the Student Nursing Organization and the American Welding Society. BTC has an attractive campus and fosters a welcoming campus environment. Students are invited to check out the Student Center on the third floor of the Campus Center building, where students can find student activities and club gatherings, as well as study spaces.

# Big Bend Community College

7662 Chanute Street NE  
Moses Lake. WA, 98837

Website: [www.bigbend.edu](http://www.bigbend.edu)

## Student Profile

Total Enrollment: 3,437  
Faculty/Student Ratio: 17:1

## Diversity, Equity, & Inclusion

Big Bend Community College believes that every person’s background, which includes identifiers such as ethnicity, race, gender, religion, sexual orientation, and ability, helps enrich our campus community when an environment is conducive to the expression of that identity. We commit to providing a campus climate where equity, inclusion, and diversity thrives and leads to individuals pursuing their educational, personal, and professional goals.

<https://www.bigbend.edu/about-us/institutional-research-and-planning/>

## Program Intent

College/University Transfer: 42%  
Professional-technical: 32%

## Admission Requirements and Criteria

### General Eligibility

BBCC accepts all applicants who are 18 years of age or older. Those under 18 years of age who have graduated from an accredited high school, have an equivalent certificate, e.g., the General Education Development (GED) Test, or qualify, as a Running Start student will be admitted. Applicants who are younger than 18 and who do not meet these requirements must provide BBCC with a written release from their school principal authorizing BBCC to admit them. All applicants must be 16 years of age or older unless they have graduated from high school or are part of a state approved program such as Running Start. Some programs have specific admission procedures and limited space; therefore, admission to BBCC does not guarantee admission into all programs. Students enrolling in a

degree program must apply for college admission. BBCC will assign an advisor, evaluate transfer course work and maintain a student file for officially admitted students. Registration priority is given to students who have been officially admitted to BBCC.

## Student Life, Recreation, Resources

The **Activities and Recreation Center (ARC)** at Cascadia College and UW Bothell offers a fitness center, food trucks, a game room, meeting and event spaces, and student resources.

The **Kodiak Cave** is an emergency food resource center located on campus that directly serves the student body of Cascadia College. Kodiak Cave's mission is to end hunger on our campus by providing nourishing meals, education and resources to our community. It currently operates as a "choice pantry", meaning guests will be able to pick the food from the cross-cultural items that best meets their needs. This gives guests dignity as well as comfort because they can choose from items that they are familiar with. It also helps to reduce food waste. Kodiak Cave offers curbside pick-up and weekly deliveries as well virtual cooking classes for students to help educate them on nutrition, further reducing waste, and saving money.

The **Cascadia Scholars Program** was implemented to help BIPOC (Black, Indigenous, Persons of Color) and historically marginalized students connect to the college and achieve their educational and career goals. The program offers mentoring, resources, and support for students. Cascadia works with local school districts to provide students of color/justice conferences each spring. The conference themes include identity, collaboration, education, leadership, and social justice.

## New Degrees & Programs

Cascadia College is one of two current colleges in partnership with University of Washington to offer new **American Indian and Indigenous Studies (AIIS) courses** that directly transfer into UW's AIIS degree program. These courses celebrate the contemporary lives and historical local experiences of PNW Indigenous peoples. Through these courses, Cascadia will be centralizing the indigenous experience within its own community culture, as well as collaborating with tribal groups to help meet their academic and workforce needs.

Cascadia's Networking Infrastructure Technology (NIT) pathway is part of the **Cloud Computing Career Launch Program** which is a partnership with Amazon's AWS Educate and Washington's technology employers. The program is integrating industry recognized cloud computing curriculum such as security, architecture, and database platforms. By adapting our program (course modifications have started in Fall 2021) with cloud skills, students will obtain the latest job skill and

career paths to cloud computing, and provide internship opportunities with industry partners.

New in summer 2023, the Associate in Applied Science-Transfer (AAS-T) degree in **Office Supervision and Management** emphasizes advanced office technology, administration, business, and management courses for the person who wants to move into a supervisory, managerial, or executive assistant position. Employment opportunities for graduates may include administrative assistant, executive assistant, executive secretary, office manager, and administrative supervisor. The program and degree is designed for a direct transfer to the Bachelor of Applied Science in Information Technology and Administrative Management at Central Washington University (CWU).

## New Buildings

**Innovation Hall** opens for classes winter quarter 2024. This is the first academic building shared jointly by Cascadia and UW Bothell. The goal of this state-of-the-art facility is to open STEM fields students who have historically been underrepresented in STEM education. It also represents a physical manifestation of new academic agreements designed to facilitate the seamless transition for Cascadia students who choose to continue their STEM studies at UW Bothell.

Cascadia College is proud to open a classroom in the **Redmond Together Center (RTC)**, an innovative project that houses a wide range of social services and low-income housing in one complex. Cascadia will begin teaching courses in fall quarter 2023. Course programming will be geared towards the needs of RTC residents, clients of the organizations located in the complex, and students for whom it is difficult to commute to our campus. This is one example of how Cascadia is centering equity and inclusion.

# Centralia College

Centralia College  
600 Centralia College Blvd.  
Centralia, WA 98531  
360-736-9391  
[www.centralia.edu](http://www.centralia.edu)

## Student Profile

Total Enrollment: 4,621 (headcount)  
Faculty/Student Ratio: 1:23

## Diversity, Equity, & Inclusion

It is the policy of Centralia College to assure equal employment opportunity and non-discrimination on the basis of race or ethnicity, creed, color, national origin, sex, marital status, sexual orientation, age, religion, the presence of any sensory, mental or physical disability, and status as a disabled or Vietnam-era veteran. The College will make every effort to reduce barriers to equal opportunity. Learn more about EDI initiatives on campus at [www.centralia.edu/about/diversity/default.aspx](http://www.centralia.edu/about/diversity/default.aspx).

## Program Intent

College/University Transfer: 31%  
Professional-technical: 22%

## Admission Requirements and Criteria

### General Eligibility

Applying to Centralia College is easy. There's no application fee and applications are accepted throughout the year for most programs.

For general admission, students must be 18 years of age or older, and have a high school diploma or GED. There are special admission requirements for students younger than 18.

For detailed information, visit [www.centralia.edu](http://www.centralia.edu).

Centralia College also offers classes for adults seeking a GED or Adult High School Diploma, or those needing to learn the English language.

For more information, visit [www.centralia.edu](http://www.centralia.edu).

## Deadlines & Fees

Regular Application Deadline: Applications are accepted throughout the year for most programs.

Application Fee: \$0

Application Fee Waiver: N/A

Other Fees: Student Activity Fee = \$45 per quarter;

Student Use Fee = \$4 per credit (up to 10 credits);

Student Project Fee = 5% per credit (up to 18 credits)

## Selective Admissions Programs

The Nursing and Bachelor of Applied Science programs have unique admissions procedures, deadlines, and application fees. For detailed information, visit the Centralia College website at [www.centralia.edu](http://www.centralia.edu).

## Dual Credit Options

### Running Start

Centralia College has a robust Running Start program for eligible high school juniors and seniors to earn college and high school credits at the same time.

Dedicated Running Start counselors and advisors ensure students are supported and set up for success. For more information, visit the college website at [www.centralia.edu](http://www.centralia.edu).

### College in the High School

Juniors and seniors in high school may be eligible to enroll in college-level classes in their high schools.

Classes are taught by high school teachers and reflect the same academic standards as classes offered on the college campus.

Interested students should contact their school district for information about class availability, schedules, and the application process.

# Everett Community College

Everett Community College (EvCC)  
2000 Tower St.  
Everett, WA 98201

[EverettCC.edu](http://EverettCC.edu)

## Student Profile

Total Enrollment: 15,046  
Faculty/Student Ratio: 1:19

## Diversity, Equity and Inclusion

EvCC is committed to advancing equity and social justice by transforming itself into a diverse, equitable, and inclusive working and learning environment. The college's strategic plan includes four priorities with equity at the center of each: belonging, student ready, sustainability and career-connected. More info: [EverettCC.edu/StrategicPlan](http://EverettCC.edu/StrategicPlan)

## Program Intent

College/University Transfer: 53%  
Professional-technical: 16%

## Admission Requirements and Criteria

### General Eligibility

Students must be age 18 or older, have graduated from high school, or have a GED to be accepted at EvCC through regular admission. To apply for admission, visit [EverettCC.edu/Admissions](http://EverettCC.edu/Admissions)

### Deadlines & Fees

Priority Application Deadline Fall 2023: May 15, 2023  
Application Fee: \$0, \$25 for BAS

### Selective Admissions Programs

Health Sciences: [EverettCC.edu/HealthCare](http://EverettCC.edu/HealthCare)  
Fire Science & EMT: [EverettCC.edu/FireScience](http://EverettCC.edu/FireScience)  
Aviation Maintenance: [EverettCC.edu/Aviation](http://EverettCC.edu/Aviation)  
BAS Accounting: [EverettCC.edu/AccountingBAS](http://EverettCC.edu/AccountingBAS)

## Dual Credit Options

### Running Start

Students can receive the admissions application from their high school counselors. More info: [EverettCC.edu/RunningStart](http://EverettCC.edu/RunningStart) or call 425-388-9073.

### College in the High School

EvCC's College in the High School program is accredited by the National Alliance of Concurrent Enrollment Partnerships. Students should register through their high schools. For more information, visit [EverettCC.edu/CHS](http://EverettCC.edu/CHS) or call 425-388-9040.

### Ocean Research College Academy (ORCA)

ORCA is a full-time Running Start option for high school juniors and seniors. Is the only program in the county with a research lab and research boat for STEM-focused instruction. For more information visit, [EverettCC.edu/ORCA](http://EverettCC.edu/ORCA) or call 425-267-0156.

## Estimated Annual Expenses\*

Tuition and Fees	\$4,533
Books/Supplies	\$762
Rent, Food, Utilities	\$8,592
Transportation	\$1,800
Personal Expenses	\$1,950
Total	\$17,637

\* Washington resident living with parents

## FAFSA Deadlines

### Autumn/Fall 2023

Regular Deadline: June 6, 2023

### Winter and Spring 2024

Visit [EverettCC.edu/FA](http://EverettCC.edu/FA)

## Housing

EvCC has two student housing buildings, Mountain View and Cedar Hall. Mountain View has 120 private, furnished apartments, each with its own bathroom and kitchen area. Cedar Hall has studio, three-bedroom, and four-bedroom apartments for 132 students.

Units can be leased for one to four quarters. Rent includes all utilities and wireless internet. On-site staff is available to assist students, and buildings are protected by Campus Safety & Security.

Application and more information for both buildings is available at [EverettCC.edu/Housing](http://EverettCC.edu/Housing)

## Campus Visits

Phone: 425-388-9100

Website/Email: [EverettCC.edu/Tour](http://EverettCC.edu/Tour)

## Pathways, Programs, and Degrees

EvCC has eight pathways, which are groups of related degrees and certificates. Each pathway has a team of academic advisors who work with students to create an education plan.

The college offers more than 90 programs, including university transfer degrees, certificates for technical and career fields, and a bachelor of applied science degree.

## Aerospace

EvCC is the home of the Washington State Center of Excellence for Aerospace and Advanced Materials Manufacturing and offers degree programs, certificates, and continuing education for in-demand jobs in the aerospace industry.

## Advanced Manufacturing

EvCC's Advanced Manufacturing Training & Education Center (AMTEC) offers six programs to train students for in-demand jobs. All programs are short, stackable and lead to a professional certificate or college degree. Students learn about the manufacturing process from start to finish as they complete interdisciplinary projects like creating unmanned aerial vehicles, rockets, robots and paddle boards.

## Nursing

EvCC's Nursing and Health Sciences building includes hospital-like classrooms and a clinical simulation lab.

## Engineering

After earning an associate degree, engineering students can stay on EvCC's campus to earn a bachelor's degree in mechanical engineering through Washington State University Everett.

## Visual Arts

EvCC's visual arts program includes photography, studio art (drawing, design, painting, ceramics, sculpture and printmaking), and visual communications (graphic arts, digital illustration, and web design).

## Four-Year Degrees at EvCC

EvCC offers a bachelor of applied science degree in accounting. Everett University Center, coordinated by Washington State University-Everett, is located at EvCC's campus. The University Center offers bachelor's and master's degree programs through partner universities: WSU, University of Washington Bothell, Western Washington University and Eastern Washington University.

## Sports and Recreation

Intercollegiate Athletics:

EvCC has 11 athletic teams, including:

- Men's & Women's Basketball
- Men's and Women's Cross Country
- Men's and Women's Track and Field
- Men's and Women's Soccer
- Men's Baseball
- Women's Softball
- Women's Volleyball

EvCC also has a 49,000-square-foot Student Fitness Center that has a gym with bleacher seating for 2,250, a cardio and free weight training room, a climbing wall and running track.

## Student Life

EvCC has around 40 student clubs, student leadership opportunities, student government, and a wide variety of events and activities, including live music, an art gallery, theater, speakers and all-campus celebrations.

Faculty/Student Ratio: 14:1

## Diversity, Equity, & Inclusion

Grays Harbor College cares deeply about celebrating diversity, promoting equity and justice, and fostering a sense of belonging throughout our community. GHC's Diversity & Equity Center (DEC) was established to educate and advocate for awareness, understanding, and acceptance of fair treatment for all people, ideas, and cultures. As part of its mission, the DEC hosts events, lectures, and meaningful opportunities to celebrate differences and create a sense of belonging for all.

Learn more about GHC's focus on Equity, Diversity and Inclusion at [ghc.edu/edi](http://ghc.edu/edi), and find information on student demographics at [ghc.edu/facts-and-statistics](http://ghc.edu/facts-and-statistics).

## Housing

No on-campus housing is offered at this time.

## Campus Visits

Phone: 360-532-9020

Website/Email: [enrollment@ghc.edu](mailto:enrollment@ghc.edu)

Drop-in tours offered in English and Spanish every Monday and Wednesday at 3:00 pm. Check in at the Welcome Center.

## Student Life

At Grays Harbor College, we offer a variety of ways that students can be involved. The Office of Student Life provides events, trips, lectures, intramural, concerts, clubs, multicultural programs, leadership opportunities, and more.

The Associated Students of Grays Harbor College (ASGHC) works as a bridge between the students and the campus administration. There are multiple opportunities to be involved as a student leader as an executive board member or as a senator.

Check out our website for more information:

[ghc.edu/studentlife](http://ghc.edu/studentlife)

## Sports and Recreation

GHC's collegiate athletic programs include:  
Men's - basketball, baseball, golf, and wrestling.  
Women's - basketball, softball, and wrestling.

Additional sports and recreation offerings include a fitness lab that is free for students, weight training, Esports, and hiking trails around Lake Swano.

# Green River College

12401 SE 320th Street  
Auburn, WA 98092-3622  
Phone: 253-833-9111  
[greenriver.edu](http://greenriver.edu)

Admission to the college is open to anyone who has a high school diploma, High School Equivalency Certificate, or is at least 18 years old. Green River welcomes people of all income levels, backgrounds and previous educational experience.

## Student Profile

Fall 2021 headcount, all sources  
Total Enrollment: 6,572

## Diversity, Equity, & Inclusion

The Green River College Promise:  
We commit to be an anti-racist institution where all students, faculty, and staff receive the access, resources, and services needed to achieve their educational, career, and personal goals. Green River College makes social and economic justice, equity, and inclusion our highest priorities.

The Green River College definition of equity encompasses all identities, including but not limited to race, ethnicity, economic status, gender identity, sexual identity, disability, religion/spirituality, immigration status, age, and culture. We understand individual needs vary widely, and the effects of discrimination and historical oppression must be taken into account while aiming for equitable opportunities and outcomes for all. Let this be a call to action to all members of the Green River College Community: everyone must contribute to this on-going effort to achieve equity for all.

## Program Intent

## Introduction

Highline College is nationally and internationally recognized as a premier college, a reputation earned through the development of an institutional culture that values innovation, globalization of curriculum and community participation. Founded in 1961 as the first community college in King County and located just south of Seattle, Highline offers applied bachelor's degrees in seven high-demand programs.

## Diversity, Equity & Inclusion

Diversity, equity and inclusion are the foundational principles of Highline College. Our vision is to create anti-racist, equitable pathways in higher education to close opportunity gaps experienced by our students who have been historically disadvantaged and underrepresented in postsecondary education. We aim to support employees to foster the conditions for student and workplace equity, and accept people as they are while honoring the life experience they bring. Through cultivating a collaborative learning community that centers the well-being of the whole person, we seek to provide a sense of belonging. We highly regard the families and support systems that enable our success and acknowledge that by working together we are limitless.

Student demographics: [highline.edu/about-us/student-demographics/](http://highline.edu/about-us/student-demographics/)

Diversity, Equity, Inclusion and Access: [highline.edu/about-us/diversity-equity-inclusion-access/](http://highline.edu/about-us/diversity-equity-inclusion-access/)

## Accreditation

Northwest Commission on Colleges and Universities

## Student Profile

Highline is the most diverse higher education institution in the state, with more than 75% students of color.

Highline is designated as a Minority-Serving Institution by the U.S. Dept. of Education.

Total Enrollment: 12,966 (2021-22)

## Program Intent

College/University Transfer: 51%  
English Language, Career and Academic Prep: 25%  
Professional-technical: 19%  
Applied Baccalaureate: 5%

## Admission Requirements and Criteria

### General Eligibility

- Any applicant who is at least 18 years old or who has completed high school.
- Those under 18 who have not completed high school are admitted conditionally; these students need to be also admitted into one of our high school programs

North Seattle College  
9600 College Way North  
Seattle, WA 98103

[NorthSeattle.edu](http://NorthSeattle.edu)

## Student Profile

Total Enrollment: 6,195  
Faculty/Student Ratio: 1:18.5

## Diversity, Equity, & Inclusion

The mission of North Seattle College's Office of Equity, Diversity, Inclusion and Community Inclusion is to dismantle institutional practices, policies and infrastructure that are the root cause of equity gaps. We do this while leading with mindfulness practices of peace, modeling love and giving grace to all. We aim to provide helpful resources for our students, faculty, staff and community that will inform our ongoing quest for racial equity and create a sense of belonging for all. Our work matters because race and inequities continue to matter in our country.

## Designed for Student Success

At North Seattle College, we're proud to be a caring, diverse, and supportive community. Our goal is to create a place where students from all races, ethnicities, abilities, genders, countries, and communities can succeed.

NSC is one of the top transfer colleges in the state, and our programs continually evolve to meet regional industry needs. In addition to associate degrees, the college offers six bachelor's degrees, and 60-plus professional-technical degrees and certificates that lead to competitive careers for our graduates.

NSC is easily accessible by bike, bus, car, and light rail. The campus is connected to the new Northgate Link light rail station by the John Lewis Memorial Bridge (Pedestrian and Bicycle). Located in a residential area of Northgate, the college is close to Seattle's popular Greenlake Park. The lush green campus is surrounded by environmentally sensitive wetlands, which have inspired a college-wide commitment to sustainability.

Olympic College  
1600 Chester Ave.  
Bremerton, WA 98337  
[www.Olympic.edu](http://www.Olympic.edu)

## Student Profile Fall 2022

Headcount: 5,388  
Full Time Equivalency (FTE): 4,237  
Faculty/Student Ratio: 12.29

## Diversity, Equity & Inclusion

At Olympic College, equity is realized when we:  
Prevent and remove barriers for groups of students with histories of exclusion, discrimination, and marginalization; Achieve equal educational outcomes for historically marginalized groups relative to their peers; Lead with racial equity to maximize student potential across all social identities, including race, ethnicity, socioeconomic status, sexual identity, gender identity, ability, age, national origin, citizenship, and religion; Maintain a culture of belonging that advances racial, social and economic justice in service to our diverse communities.

## Program Intent

Lewis Main  
Stone Education Center, Bldg. 6242

## Student Profile

Total Enrollment: 15,725  
Faculty/Student Ratio: 24

## Diversity, Equity, & Inclusion

The Pierce College District is committed to being an anti-racist institution; to truly be anti-racist we must work deliberately to eliminate barriers that have prevented the most promising and capable students from entering and thriving in college. We work to ensure that every student in the Pierce College District feels valued, respected, and inspired to achieve their goals. We provide a brave space for Black, Indigenous, Persons of Color (BIPOC), LGBTQ/QTPOC, students with disabilities, and all students and staff to seek refuge, and an opportunity for them to cultivate their strengths, intelligence, resilience, and creativity.

## Program Intent

College/University Transfer: 56%  
Professional-technical: 40%

## Admission Requirements and Criteria

Pierce College has an open-door admissions policy, practices equal opportunity. Pierce College District does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, gender, marital status, disability, or status as a disabled or Vietnam-era veteran.

Students may apply for admission to Pierce College if they meet any one of these criteria:

- Qualified for admission through Running Start or a similar program
- Are 18 years of age or older
- Their high school class has graduated
- They are a high school graduate or have earned a GED

Applying for admissions to Pierce College is as simple as completing an online admission form. For additional admissions information refer to <https://www.pierce.ctc.edu/get-started>.

## Special Admissions Programs

Some programs, such as the Bachelor of Applied Science degrees, Veterinary Technology, and Nursing, have special admission requirements. See each program web page for details.

## Admissions Fees

There is no admission fee for general admissions. Some special admissions programs have fees.

## Housing

The Center for Global Scholars is a residence hall where domestic and international students come to live and learn together. For more information, please visit <https://www.pierce.ctc.edu/ie-cgs>.

## Dual Credit Options

### Running Start

Through the Running Start program, high school students may enroll in up to 15 college-level credits

(based on students' combined high school and college enrollment) per quarter tuition-free.

To be eligible, a student must:

- Be a junior or senior
- Eligibility for English 101 through Guided Self Placement

For more information on the steps to get started, please visit the Running Start website at [www.pierce.ctc.edu/running-start](http://www.pierce.ctc.edu/running-start).

### Estimated Annual Expenses

Tuition (3 quarters with 15 credits)	\$4,350
Books/Supplies	\$1,000
Fees	\$600
Total	\$5,950

### Financial Aid

Priority filing for Fall Quarter: May 1

For more information on financial aid, please call 253-964-6544 or visit [www.pierce.ctc.edu/financial-aid](http://www.pierce.ctc.edu/financial-aid).

### Bachelor of Applied Science degrees

Dental Hygiene, Homeland Security Emergency Management, Teaching, Applied Business Management, Fire Services Leadership and Management, and Construction Management.

### Sports and Recreation

Raider Athletics participates in the highly competitive Northwest Athletic Conference (NWAC), which is composed of 36 regional members in Washington, Oregon, Idaho and British Columbia. The Raiders field teams for women in basketball, cross country, soccer, softball, and volleyball; and for men in baseball, basketball, and soccer. Pierce College Fort Steilacoom serves as

home for the baseball, men's and women's basketball, women's cross country, and volleyball teams. Pierce College Puyallup is home for the men's and women's soccer and women's softball programs. Pierce College also provides opportunities for students to show their school spirit on the Raider Cheer Squad and Raider Mascot Team. Raider Athletics has a rich tradition of success, dating back to the program's inaugural season in 1968-69, when the college first participated in men's basketball. Raiders teams have won conference championships in softball ('82), soccer ('92), and baseball ('12). More info can be found at [www.PierceRaiders.com](http://www.PierceRaiders.com).

### Excellence in Student Success

Pierce College Fort Steilacoom was recognized by the prestigious Aspen Institute with a Rising Star award in 2019 for dramatically improving student outcomes. This award placed Pierce College in the top five best community colleges in the nation, and in 2021 the college was recognized as a top 10 finalist. In 2022, Pierce was named one of 25 Semifinalists competing for the 2023 Aspen Prize. Pierce received the honors thanks to improved student retention and completion over time, a commitment to equitable outcomes for students, service to military students and their families, and a dedicated focus on helping all students overcome obstacles.

Pierce College was also named a Leader College of Distinction in 2019 by Achieving the Dream.

### Student Life

Pierce offers a variety of clubs and activities. In addition, Pierce has chapters of Phi Theta Kappa, the national honors society for two-year colleges.

The Fort Steilacoom campus features the 58-seat Science Dome, which has become the only digital planetarium of its kind in the South Puget Sound region. The Science Dome offers live astronomy presentations, full dome videos on a 38-foot domed screen, interactive children's shows, K-12 field trip, Pierce College class instruction, special events and more.

## Students Succeed at RTC

RTC meets students where they are and moves them toward greater opportunity, illustrated by our completion rate of 66 percent and our job placement rate of 82 percent. Equity is at the core of our mission and we are proud to serve a diverse population of students and work to remove

barriers to success. We offer classes in a variety of modalities, including face-to-face, online only, or FLEX, in which students choose the option that best fits their schedules and lives.

RTC is consistently ranked as one of the top two-year colleges in the country. Nearly 70 percent of students identify as students of color.

The college offers short- and long-term career training in Advanced Manufacturing, Business, Culinary Arts, Health and Human Services, Information Technology, and Transportation Technology, as well as college transfer options and adult basic education.

## Programs

### College Transfer

Students can take their first two years of college in smaller classes and then, students can transfer their credits to a four-year college or university to finish their bachelor's degree.

### Professional/Technical

Seattle Central offers a variety of career preparation, short-term certificate, associate degree, and applied bachelor's degree programs to help students launch successful careers including:

### Business Technology Management

Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship

### Creative Arts

Graphic Design, Apparel Design and Visual Media

### Culinary

Culinary Arts and Specialty Desserts & Breads

### Healthcare

**Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management, Nursing, Surgical Technology & other Allied Health fields**

## Information Technology

**IT-Networking**, Web Design, Web Development, Programming, Database Administration and more

## Maritime

Marine Engineering Technology and Marine Deck Technology

## Education & Human Services

**Applied Behavioral Science**, Chemical Dependency, Early Childhood Education & Family Studies, **Teaching**, and Social & Human Services

## Wood Technology

Carpentry and Boat Building & Repair

\*Bachelor's of Applied Science degrees bolded.

## Basic Studies

These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

## Dual Credit Options

### Running Start

This program gives students a “running start” on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information: [seattlecentral.edu/running-start](http://seattlecentral.edu/running-start)

### Other High School Programs

Seattle Central currently offers CTE dual credit and other programs to help high school students start earning college credit while in high school. More information: [seattlecentral.edu/programs/high-school](http://seattlecentral.edu/programs/high-school)

### I-BEST (Integrated Basic Education and Skills Training)

This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic and workforce skills at the same time. More information: [seattlecentral.edu/i-best](http://seattlecentral.edu/i-best)

## Campus Visits

Phone: 206.934.3800

Website: [seattlecentral.edu/get-started/visit-campus](http://seattlecentral.edu/get-started/visit-campus)

## Student Life

### Student Support Services

Tutoring, advising, counseling, multicultural services, veterans services, and women's programs. Workforce Services, Umoja, AANAPISI, TRiO, MESA, College Success Program, and other programs also support qualifying students throughout their time at Seattle Central.

### Student Clubs/Organizations

Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

### Campus Events

Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including concerts, an annual Unity Fair, art events, panel discussions and more.

### Sports and Recreation

Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.

## Sports and Recreation

SPSCC Clipper Athletics compete in the Northwest Athletic Conference Western Region for:

- Men's & Women's Basketball
- Men's & Women's Golf
- Men's & Women's Soccer
- Women's Volleyball

The Clipper Athletics programs at SPSCC provide opportunities for student-athletes to participate in highly skilled, competitive intercollegiate sports. These programs greatly contribute to the academic success of our student-athletes while giving them an opportunity to play sports during their first two years of college. SPSCC will launch the Men's & Women's Golf program in Fall 2023.

[spsccathletics.com](https://spsccathletics.com)

Students also have the opportunity to get involved in a variety of clubs, intramural sports, and eSports. Clipper eSports allows student-athletes an opportunity to get involved in the world of competitive gaming and helps develop professional pathways through education, coaching, and practice.

[spscc.edu/campus-life/activities](https://spscc.edu/campus-life/activities)

## Aspen Prize Finalist

In 2023, SPSCC was named one of ten finalists for the Aspen Prize for Community College Excellence. Awarded every two years, the Aspen Prize honors colleges that show outstanding performance in teaching and learning, certificate and degree completion, transfer and bachelor's attainment, workforce success, equitable access, and equitable outcomes for students of color and students from low-income backgrounds. SPSCC was specifically recognized for streamlining the path to earning a degree and our focus on improving access to college by reaching out to Native American communities and expanding offerings in rural areas.

## New Bachelor in Applied Science Degree

Beginning in Fall 2023, SPSCC will offer a Bachelor in Applied Science degree in Craft Beverage Management and Quality Assurance. The program is designed for students who have already earned an Associate in Applied Science (AAS) or AAS-Transfer degree, especially in the fields of business and natural science.

# South Seattle College

# Spokane Community College

1810 N. Greene St., Spokane, WA 99217  
509.533.8400, [scc.spokane.edu](http://scc.spokane.edu)

## Accreditation

Northwest Commission on Colleges and Universities

## Introduction

Spokane Community College is one of two accredited institutions of Community Colleges of Spokane and one of the largest community colleges in the state. SCC is known for leading programs in automotive, aviation, cosmetology, culinary arts, healthcare, machining and welding, just to name a few. We also train and certify many professionals through our Apprenticeship and Journeyman Training Center and the popular Avista/SCC Lineworker School. SCC provides associates degrees and transfer-ready programs to open your path to a four-year college or university. The main campus is located in Spokane with centers in Colville, Newport, Republic and Inchelium.

**State Student/Faculty Ratio:** 11.6

## Diversity, Equity and Inclusion Statement

The Community Colleges of Spokane believes that access to high-quality education in a safe and inclusive environment is the right of all individuals and imperative for the continued advancement of a strong democracy and workforce.

We also believe higher education institutions have an obligation to work toward and demonstrate progress in ensuring equity amongst their students, faculty and staff. Equity is grounded in the principle of fairness. In higher education, equity refers to ensuring that each student receives what they need to be successful through the intentional design of the college experience.

# Walla Walla Community College

---

## Main Campus

500 Tausick Way • Walla Walla WA 99362

## Clarkston Campus

1470 Bridge Street • Clarkston WA 99403

[wwcc.edu](http://wwcc.edu) • 509.522.2500 • 509.758.3339

## Student Profile

- Total Enrollment: 5,935 for all WWCC sites.
- Faculty/Student Ratio: 15.8

## Equity, Diversity, and Inclusion at WWCC

One of the important institutional values at Walla Walla Community College is the commitment to Diversity. We oppose all barriers that separate people from opportunities: barriers of socioeconomic status, race and ethnicity, age, gender, sexual orientation, and inexperience with the educational system. For more information about Equity, Diversity, and Inclusion programs at WWCC, please visit this webpage: <https://www.wwcc.edu/equity/>

## Program Intent

- College/University Transfer: 28%
- Professional-technical: 42%
- Basic Skills: 18% (reported by SBCTC as Basic Education for Adults)
- Personal/Other: 12%

## Admission Requirements and Criteria

### **General Eligibility**

Walla Walla Community College is an open-access higher education institution. All qualified individuals are accepted who are at least 18 years of age or are graduates of an accredited high school or have an equivalent certificate. Applicants under the age of 18 at the time of registration who are not high school graduates must complete the Under-Age Admission Policy paperwork or be participating in a program designed for high school students.

### **Deadlines & Fees**

- Regular Application Deadline: Open enrollment.
- Priority Application Deadline: Depends on program.
- Application Fee: \$0.

### **Selective Admissions Programs**

Some programs have specific admission procedures and limited space; therefore, admission to the College does not guarantee availability of all programs or courses. Please review special admission procedures for workforce programs under entrance requirements for the specific program of interest at [www.wwcc.edu](http://www.wwcc.edu).

## Dual Credit Options

### ***Running Start***

Running Start, a program created by the Washington State legislature, provides an opportunity for juniors and seniors in public high schools to enroll in courses at WWCC. This program provides academically qualified students an opportunity to attend college courses and earn college credits, tuition-free, while completing high school graduation requirements. Additional information: <https://www.wwcc.edu/high-school/running-start/>.

### ***CTE Dual Credit***

CTE Dual Credit is a cooperative effort between K-12 schools, community and technical colleges, and the business community to develop applied integrated academic and technical programs. Additional information: <https://www.wwcc.edu/high-school/cte-dual-credit/>

### ***College in the High School***

CIHS classes are taught by qualified, credentialed instructors on the local high school campus. Courses usually run one trimester/semester but may last a full academic year. Students attend their college class as part of their normal high school schedule while continuing to enjoy access to their own teachers, counselors, friends, and extracurricular clubs & sports. Additional information: <https://www.wwcc.edu/high-school/cihs/>

## Estimated Annual Expenses

Tuition	\$4965
Rent/Food/Utilities	\$17,868
Books/Supplies	\$762
Transportation	\$1800
Misc./Personal	\$1950
Total	<u>\$27,345</u>

*\*Washington resident, not living with parent.*

## Financial Aid

- Phone: 509.527.4301
- Financial Aid Website: [wwcc.edu/financial-aid/](http://wwcc.edu/financial-aid/)
- Scholarship Website: [wwcc.edu/paying-for-college/scholarships/](http://wwcc.edu/paying-for-college/scholarships/)

WWCC offers financial aid in the form of grants, loans, scholarships and employment. All students are encouraged to complete the easy process to apply for scholarships—money students don't need to pay back.

Starting in the 2024-2025 academic year, Summer 2024 will be a part of the 2024-25 academic year. We are in the transition of moving from a summer trailer school to a summer header school.

## **FAFSA Deadlines**

- **Fall:** May 1, 2023
- **Winter:** November 1, 2023
- **Spring:** February 1, 2024
- **Summer:** March 1, 2024 \*

*\*Summer 2024 is a part of the 2024-25 academic year.*

## Campus Visits

Walla Walla Phone: 509.522.2500

Clarkston Phone: 509.758.1700

Website: <https://www.wwcc.edu/visit-us/>

Interested in seeing WWCC? Our helpful team offers in-person and live virtual tours. Visit our webpage for details and to book your tour. Visit the following webpage if you are interested in learning about a specific program:

<https://www.wwcc.edu/educational-pathways/>.

## Sports and Recreation

Walla Walla Community College offers a wide variety of athletic opportunities for prospective student athletes. In the Fall, Warrior Field on the front of campus hosts Men's and Women's Soccer, while Volleyball takes center stage in the Dietrich Center – often referred to as 'The Dome'. The Winter quarter sees The Dome taken over by the Men's and Women's Basketball while the Spring months offer Baseball, Softball, Men's and Women's Golf and Rodeo. The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.

WWCC students also have access to a new 18,800 square-foot recreation center with an indoor basketball court and state-of-the-art weight and fitness equipment. Learn more: <https://studentlife.wwcc.edu/rec-center/>.

Students can participate in a variety of college events and activities. The areas around both Walla Walla and Clarkston also offer a large number of opportunities for entertainment and outdoor activities.

Wenatchee Valley College  
Wenatchee Campus  
1300 5<sup>th</sup> Street,  
Wenatchee, WA 98801

Omak Campus  
PO Box 2058  
116 West Apple Ave.  
Omak, WA 98841

[www.wvc.edu](http://www.wvc.edu)

## Student Profile

Total Enrollment: 4,095  
Faculty/Student Ratio: 1:16

## Diversity, Equity, & Inclusion

The college is committed to diversity and inclusion; the regional student body is 62 percent students of color, with a large Latinx population resulting in a designation as a Hispanic Serving Institution. In addition, the college district includes part of the reservation of the Colville Confederated Tribes. Learn more at [wvc.edu/Diversity](http://wvc.edu/Diversity).

## Program Intent

College/University Transfer: 47%  
Professional-technical: 53%

## Admission Requirements and Criteria

### General Eligibility

Wenatchee Valley College maintains an open enrollment policy for all students who are high school graduates, have earned a General Education Development (GED) certificate or are at least 18 years of age. Otherwise, you may apply for special admission.

### Deadlines & Fees

Regular Application Deadline: Two weeks before classes begin  
Application Fee: No  
Application Fee Waiver: N/A

Other Fees: Registration fee, \$30/quarter (Wenatchee campus only). Technology fee, \$65/quarter (Wenatchee campus), \$30/quarter (Omak campus). Student recreation center fee, \$5/credit, \$70/quarter maximum (Wenatchee campus). Omak comprehensive fee, \$1.50/credit, \$15 maximum. Some classes assess additional fees.

## Selective Admissions Programs

Qualified applicants who have met the prerequisites for the allied health program of their choice are considered of equal merit and equally qualified to be accepted into a limited enrollment program. However, if the number of qualified applicants exceeds the number of available spaces in a program, admission will be competitive and based on an estimate of the student's potential to succeed. Students applying to an allied health program must attend an allied health information session prior to submitting a supplemental application for a program. The information sessions will describe the requirements of the programs, the application processes, the selection criteria and the occupation under consideration. Application materials are available on the website, [www.wvc.edu/AlliedHealth](http://www.wvc.edu/AlliedHealth). Information session schedules are available in the allied health office and on the college website.

Whatcom Community College is committed to maintaining an environment in which every member of the College community feels welcome to participate in the life of the College, free from harassment and discrimination. We welcome people of all races, ethnicity, national origins, religions, ages, genders, sexual orientations, marital status, veteran status, abilities, and disabilities. Toward that end, faculty, students, and staff will:

- Treat one another with respect and dignity.
- Promote a learning and working community that ensures social justice, understanding, civility and non-violence in a safe and supportive climate.
- Influence curriculum, teaching strategies, student services and personnel practices that facilitate sensitivity and openness to diverse ideas, peoples, and cultures in a creative, safe, and collegial environment.

# Yakima Valley College

---

S. 16<sup>th</sup> Avenue & Nob Hill Blvd  
PO Box 22520  
Yakima, WA 98907-2520

[yvcc.edu](http://yvcc.edu)

## Student Profile

Total Enrollment: 3,365  
Faculty/Student Ratio: 15 to 1

## Diversity, Equity, & Inclusion

We believe students, regardless of their starting point and demographic, have the right to an education that fosters liberation, empowerment, and economic mobility. YVC continuously examines the processes of the institution to meet the needs of racialized and minoritized people in our community, including Latinx, Native American/Indigenous, Black, Asian and Pacific Islander, LGBTQIA+, undocumented students, and people with disabilities. As a Hispanic Serving Institution in the pursuit of equity, YVC is committed to implementing evidence-based inclusionary policies and practices and to establishing and monitoring equity accountability measures.

[yvcc.edu/oie/quick-facts](http://yvcc.edu/oie/quick-facts)

## Program Intent

College/University Transfer: 63%  
Professional-technical: 31%  
Bachelor of Applied Science: 6%

## Admission Requirements and Criteria

### General Eligibility

Yakima Valley College (YVC) is committed to an open-door policy and encourages the use of its post-secondary educational opportunities and services by the whole community. All community members, whether or not they possess a high school diploma, may enroll at the college without regard for their past educational record. More information is available at: [yvcc.edu/admissions](http://yvcc.edu/admissions)

## Deadlines & Fees

Regular Application Deadline:

- Fall 2023 – August 8 (Quarter Begins 9/18/23)
- Winter 2024 – November 21 (Quarter Begins 1/2/24)
- Spring 2024 – February 20 (Quarter Begins 4/1/24)

Priority Application Deadline: No Admissions Priority Deadline

Application Fee: \$30

Application Fee Waiver: None

Other Fees: Additional fees include audit fees, lab fees (depending on the class), combined service fees, technology use fee, eLearning fee, graduation application fee, and student activity fee. More information is available at: [yvcc.edu/tuition](http://yvcc.edu/tuition)

## Selective Admissions Programs

Certain professional/technical programs have selective admission processes. There are also special admission processes for the Bachelor of Applied Science programs (Agricultural Sciences, Business Management, Dental Hygiene, IT Network System Administration, and Teacher Education), College & Career Readiness programs, International Student Program, Running Start and Underage Student Admission. Additional information may be found at: [yvcc.edu/admissions](http://yvcc.edu/admissions)

## Dual Credit Options

### Running Start

The Running Start Program is a partnership between YVC and Washington State public high schools. The program offers eligible high school juniors and seniors the opportunity to enroll in regular college classes on our campus and to receive both high school and college credit for those classes. Eligibility for Running Start is based on placement into English 101 and Math 085 on our placement exam. Additional information is available at:

[yvcc.edu/runningstart](http://yvcc.edu/runningstart)

## College in the High School

Career & Technical Education (CTE) Dual Credit provides career pathways for high school students. CTE Dual Credit classes are taught at the high school or skills center and integrate academics with technical development to help prepare students for advanced education and careers related to professional/technical occupations. Additional information and a list of participating high schools available at: [yvcc.edu/academics/dual-credit](http://yvcc.edu/academics/dual-credit)

## Estimated Annual Expenses

Tuition	<u>\$4,343</u>
Room and Board	<u>\$10,650</u>
Books/Supplies	<u>\$942</u>
Fees	<u>\$541</u>
Total	<u>\$16,476</u>

## Financial Aid

Phone: 509.574.6855

Website: [yvcc.edu/financialaid](http://yvcc.edu/financialaid)

Scholarship Website: [yvcc.edu/scholarships](http://yvcc.edu/scholarships)

## FAFSA Deadlines

YVC recommends applying for financial aid at least 4-6 weeks prior to the start of each quarter to allow for processing. YVC accepts applications for financial aid throughout the year.

### Autumn/Fall

Priority Filing Date: Early August

### Winter

Priority Filing Date: Early November

### Spring

Priority Filing Date: Early February

### Summer

Priority Filing Date: Early May

## Housing

The Student Residence Center (SRC) provides a safe living community for students at a competitive price. The residence hall is located on the Yakima Campus and is within a short walking distance to classes, the library, and other campus and recreational facilities. Single and double units available. More information is available at [yvcc.edu/housing](http://yvcc.edu/housing)

## Campus Visits

Phone: 509.574.4712

Website/Email: [admission@yvcc.edu](mailto:admission@yvcc.edu)

Call or email to schedule a campus tour. YVC also offers a virtual tour of its Yakima and Grandview campuses.

View the virtual tour at: [yvcc.edu/tour](http://yvcc.edu/tour)

## Sports and Recreation

Yakima Valley College has successfully competed in intercollegiate athletics since 1928. YVC has traditionally offered a comprehensive athletic program to accommodate the special interests and talents of as many students as possible. Women's and men's sports programs, providing competitive athletic experiences to coincide with the student's academic experiences, are an important part of the YVC experience.

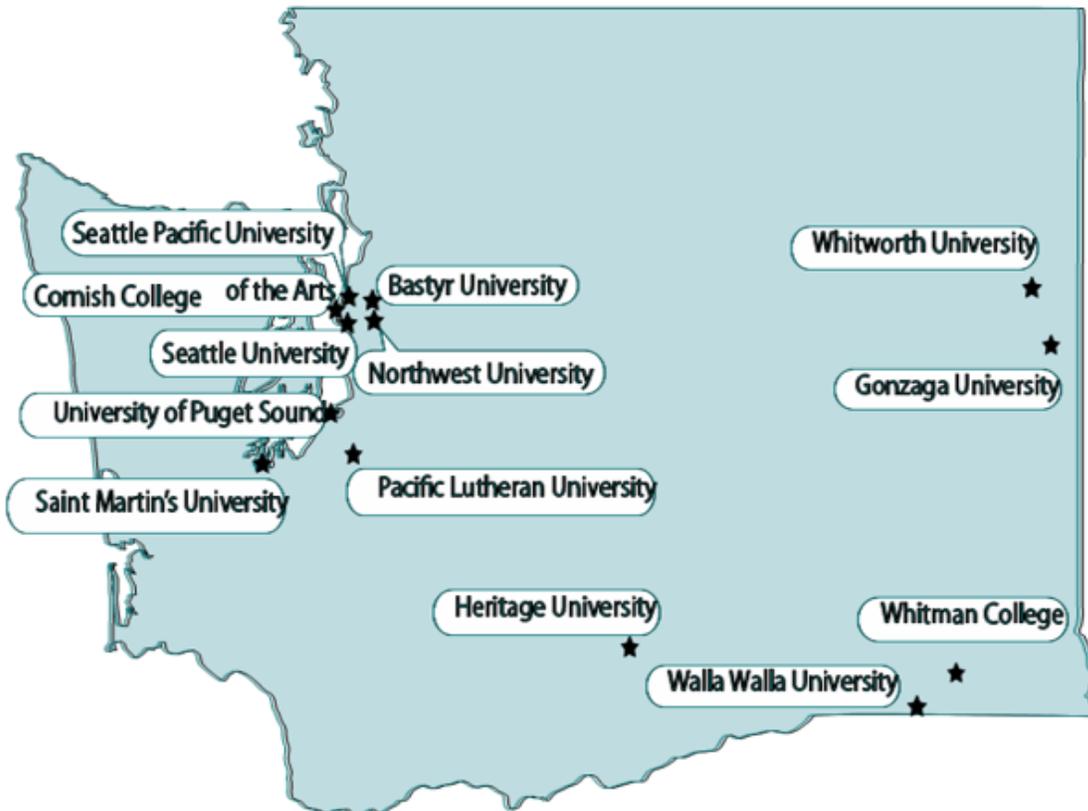

YVC is a member of the Northwest Athletic Conference (NWAC). Intercollegiate athletic programs are offered in men's baseball and basketball and in women's basketball, softball, volleyball and soccer. More information is available at: [goyaks.com](http://goyaks.com)

All YVC students also have access to a state-of-the-art Fitness Center on campus with more than 50 pieces of major equipment to pursue their health and wellness goals.

# Cornish College of the Arts

**Location:** Seattle, WA

**Type:** Independent Private

**Majors: Visual Arts:** Art, Design, Film, Interior Architecture **Performing Arts:** Music, Dance, Theater, Performance Production

**Class size average:** 13 **Retention:** 82%

## Diversity, Equity, & Inclusion:

Cornish College of the Arts is enriched by a diverse population of students, bringing their unique personalities and voices to their art forms. Cornish commits to demonstrating respect for individual expression and integrity; to promoting the equality of opportunity and rights of all persons within the community and to actively encouraging and maintaining the representation and inclusion of diverse cultures and backgrounds within the student body, faculty, staff and curricula.

We believe that diversity refers to a number of human qualities and characteristics. National origin, race, gender, age, socioeconomic background, religion, sexual orientation and disabilities are characteristics that combine in unique ways, forming the multiple identities we all hold. Those diverse characteristics contribute positively to the environment of Cornish and to an education that accurately reflects and contributes to the complex interplay of art, culture and society.

We hold ourselves responsible to fulfill the mission of Cornish by preparing students “to contribute to society as artists, citizens, and innovators,” and believe that the mission is best served by actively cultivating a positive environment in which to explore and express the diverse perspectives of a pluralistic society.

### **Why Cornish?**

**Seattle** - Seattle is an amazing city for young emerging artists. Just the right size to see the great work of professionals and be seen as an artist with new ideas to share.

**Faculty** - Faculty are world-class working professional artists. They are actively involved in the Seattle arts community and beyond. Teachers, artists, mentors - they help you bridge the gap from student to professional.

**Students** - Your peer group is here! You will be surrounded by serious, practicing artists 24/7. Faculty, classmates, staff - are all part of the community. It is a supportive, nurturing environment in which to take risks with your art making.

**Creative Vision** - At Cornish, we place great emphasis on developing each distinct vision. Students are encouraged to push the boundaries, take risks, and are supported to do so. The primary focus is on generating new work, versus just recreating established works.

**Diversity, Equity, & Inclusion:** At EWU, we are committed to a campus climate that welcomes and respects diversity. These efforts are championed by our campus leadership and the Office for Diversity and Inclusion. EWU is a microcosm of society reflecting a diversity of people, ideas, beliefs, and philosophies. Our students come from 43 states and 70 countries. More than 1 in 3 are from diverse backgrounds, and over 50 percent are the first in their families to attend college. Learn more at [ewu.edu/diversity](http://ewu.edu/diversity).

**Contact:** [www.ewu.edu](http://www.ewu.edu), 509.359.2397, [admissions@ewu.edu](mailto:admissions@ewu.edu)

**Priority deadline:** February 1, 2024

**Final deadline:** September 1, 2024

**Decisions/notification:** Rolling

**Application fee:** \$60

**Application fee waiver:** Yes, contact [admissions@ewu.edu](mailto:admissions@ewu.edu)

**General admission information and application:** [www.ewu.edu/apply](http://www.ewu.edu/apply)

## **Financial Aid and Deadlines**

Contact: [www.ewu.edu/financialaid](http://www.ewu.edu/financialaid), 509.359.2314, [finaid@ewu.edu](mailto:finaid@ewu.edu)

FAFSA priority filing deadline: February 1, 2024

School code: 003775

## **Additional Information**

---

### **Application Updates**

- All priority deadlines are February 1, 2024
- Upload fee waivers as part of the application
- Find us on Common App, too
- All students who apply by February 1 receive scholarship consideration
- Honors applicants are required to write an essay

### **Fee Waivers**

Contact [admissions@ewu.edu](mailto:admissions@ewu.edu) for information

### **Freshmen Application Materials**

- Completed EWU application at [ewu.edu/apply](http://ewu.edu/apply) or Common App
- \$60 application fee or fee waiver
- Unofficial high school transcript

### **Transfer Application Materials (fewer than 40 transferable credits)**

- Completed EWU application at [ewu.edu/apply](http://ewu.edu/apply)
- \$60 application fee or fee waiver
- Unofficial high school transcript
- Official college transcripts

### **Transfer Application Materials (more than 40 transferable credits)**

- Completed EWU application at [ewu.edu/apply](http://ewu.edu/apply)
- \$60 application fee or fee waiver
- Official college transcripts

### **Average Freshman Aid Awards 2022-2023**

- Financial aid applicants receiving aid: 66%
- Applicants with need receiving aid: 99%
- Average need based financial aid package: \$11,230
- Net Price Calculator: [ewu.edu/calculator](http://ewu.edu/calculator)
- Scholarship Calculator: [ewu.edu/scholarshipcalculator](http://ewu.edu/scholarshipcalculator)

### **Financial Aid Priority Deadline: February 1**

- Apply for federal financial aid at [studentaid.gov](http://studentaid.gov)
- EWU's FAFSA code: 003775
- For those who cannot apply for Federal aid, apply for Washington state financial aid at [readysetgrad.wa.gov](http://readysetgrad.wa.gov)

### **Scholarship Deadline: February 1**

- The admissions application is the primary scholarship application
- All applicants who apply by the deadline are automatically considered for scholarships
- Apply for additional scholarships at [ewu.edu/scholarships](http://ewu.edu/scholarships)

### **Texting**

Students can text questions to 509.740.3270

### **Events and Visits Updates**

- Face-to-face and group tours are available
- On-campus, group visits are available; sign up early
- Visits and events take place throughout the fall and spring both on and off campus
- For events and visits, signups and registrations, go to [ewu.edu/visit](http://ewu.edu/visit)

### **Unique Opportunities at EWU**

- Army ROTC – [ewu.edu/rotc](http://ewu.edu/rotc)

**Graduation Rate (4 yr):** 74%

**Diversity, Equity, & Inclusion:** As a Catholic, Jesuit, humanistic university, our mission calls us to demonstrate dignity for all, to ensure justice for those who are most often marginalized or silenced. Our work has grown in intensity as our commitment to diversity, equity and inclusion has deepened, but we recognize how much further our efforts must go. Our faculty members are engaging more in conversations about how to support BIPOC students better in our learning environments, Student Affairs teams seek to amplify the voices of BIPOC students, and our Office of Diversity, Equity and Inclusion has implemented bias and diversity training for all University community members. We have always channeled our efforts in service for the greater good, which is our unifying strength. For more details, please see: [gonzaga.edu/diversity](http://gonzaga.edu/diversity)

[finaid@gonzaga.edu](mailto:finaid@gonzaga.edu)

**FAFSA priority filing deadline:** December 1, 2022

**School code:** 003778

## **Additional Information**

---

### **Test Optional for First-Year Applicants**

Gonzaga University does not require an SAT or ACT. Students applying without a test have the same access to everything: admission, automatic merit scholarships, special scholarships, Honors, and direct admission to nursing. No additional information is required.

Gonzaga also recognizes that high schools may have chosen to use a “Pass/Fail” grading option or other grading policies due to the pandemic, and the University notes that we continue to use a holistic admission review process to best understand applicants’ academic profile and history.

---

### **School of Engineering & Applied Science Admissions Adjustment**

Beginning in the 2023-24 academic year, the School of Engineering and Applied Science is no longer requiring programs to be under the direct-admission designation. Students wishing to pursue an engineering or applied science degree are encouraged to have four years of math and science and are encouraged to take calculus and physics courses by the time they graduate high school.

---

### **Changes to the FAFSA**

New implementations will be made for the Free Application for Federal Student Aid (FAFSA) in the 2024-2025 academic year as part of the FUTURE Act. The FAFSA will be updated to include changes on questions and information related to tax information, deadlines, and definitions. Additional changes will be made to increase the number of eligible students for the Pell Grant and a repeal of the lifetime limit a student can borrow a subsidized loan. More information can be found here: [FAFSA® Simplification Fact Sheet Overview \(ed.gov\)](#)

Gonzaga University remains dedicated to providing support and resources for students impacted by these changes. Students and families may reach out to Gonzaga’s Financial Aid Office at 509-313-6582 or email [finaid@gonzaga.edu](mailto:finaid@gonzaga.edu)

---

### **Meeting the Needs of Pell-Eligible Students – Gonzaga Access Pledge (GAP), Full-Tuition Commitment**

Gonzaga continues to work to meet the financial need of all Pell-eligible students in Washington state by providing grant & scholarship aid to cover the cost of tuition for first-year students: [gonzaga.edu/scholarships](http://gonzaga.edu/scholarships)

---

### **Connect with Gonzaga / On Campus & Virtual Options**

[Gonzaga.edu/virtualgonzaga](http://Gonzaga.edu/virtualgonzaga) offers Virtual Information Sessions, Meetings with Admission Counselors, Student Panels, and more. On Campus offerings can be found at: [gonzaga.edu/visitgu](http://gonzaga.edu/visitgu). If you have questions or would like a Gonzaga representative to provide information or a presentation to your students, please reach out to the representative for your school: [gonzaga.edu/mycounselor](http://gonzaga.edu/mycounselor)

### What Makes HU Unique- Heritage

University empowers a multi-cultural and inclusive student body to overcome the social, cultural, economic, and geographic barriers that limit access to higher education. Rooted in the homeland of the Yakama Nation, the University embraces transformational student-centered education that cultivates leadership and a commitment to the promotion of a more just society.

**Strength In Smaller Numbers-** Small class sizes. Affordable undergrad and graduate programs. Multiple campuses throughout the community. These are just a few examples of why Heritage is the right university for you.

**Student Life-** We believe in empowering our students with campus life resources and opportunities to support their personal and professional goals. Heritage provides a well-balanced student experience by offering a variety of extracurricular and co-curricular activities that serve as leadership and professional development opportunities, and for a chance to form lifelong connections. Be a part of the campus community and discover all the ways you can be involved at Heritage!

**Start Unstoppable You** Heritage University invites you on a journey to academic and professional success! We offer a wide variety of different undergraduate degrees:

- **Nursing**
- **Social Work**
- **Education**
- **Criminal Justice**
- **Business Administration**
- **Plus many more!**

**Diversity-** Heritage is the only private university in the state to be designated by the U.S. Department of Education as a Hispanic Serving Institution (HSI). Additionally, with its percentage of Native American students, it is also designated as Native American Serving Non-Tribal Institution (NASNTI). Heritage is one of only two universities in the country to be designated as both a HSI and a NASNTI. The broad diversity found at Heritage is an asset to all students as this exposure to different ethnicities and cultures helps them succeed in a multicultural workforce.

**Financial Aid-**For the vast majority of Heritage University students, a college education would be unobtainable without financial aid support. Through its equity packaging of grants and scholarships, Heritage is able to provide that support to every student with a demonstrated need.

- 91% of Heritage students receive financial aid.
- \$20,175 is the average combined financial aid and scholarship award for first-year freshmen.
- \$4 million in scholarships and Institutional aid is awarded annually by Heritage.

Because Heritage is a private institution, it relies heavily on the generosity of donors. The university works with donors to create endowed and named scholarships and to build awarding criteria to match their individual funding goals.

# Northwest University

**Location:** Kirkland, WA

**Type:** Independent, Four-Year, Private, Christian

**Majors:** 73     **Faculty:** 75

**Class size average:** 17

**Retention:** 80.0%

**Graduation Rate (6 yr):** 67.5%

**Northwest**  
UNIVERSITY

**Diversity, Equity, & Inclusion:** Northwest University attracts serious students who perform well academically, while also attracting a diverse student body that tends to mirror closely the population of Washington.

Northwest works purposefully to recruit a diverse student body through programs like the Act Six scholarship program, which focuses on students at urban high schools, as well as cultivating relationships with churches from minority population.

## **Additional Information**

---

### **Application Requirements**

Biographical Essay, Official High School Transcript, SAT or ACT Scores (Optional)

### **Scholarships**

Northwest University awards scholarships to incoming students based on academics, athletic talent, musical & theatre talent, participating in a campus visit, and need. Need-based financial aid comes in the form of scholarships, grants, or loans and are based on the information from the FAFSA. In addition, Northwest University is affiliate of the Act Six Scholarship program serving the Tacoma-Seattle region. [www.actsix.org](http://www.actsix.org).

### **Campus Visits**

Schedule Online: [www.northwestu.edu/visit](http://www.northwestu.edu/visit)

Email: [visit@northwestu.edu](mailto:visit@northwestu.edu). Phone: 425.889.5286

\$500 scholarship if visiting before Feb 15.

### **Housing**

NU offers residence halls, student apartments, and family housing on campus.

### **Athletics**

The Eagles compete in 4 men's and 6 women's sports as a member of the Cascade Collegiate Conference in the NAIA (Division I & II). Learn more at [www.nueagles.com](http://www.nueagles.com).

### **Unique Opportunities**

- All majors require internships with local businesses and organizations that frequently lead to full-time employment.
- Career Readiness initiative to equip students with competencies and certificates for preparation in the workplace.
- All NU majors require cross-cultural learning experiences through study abroad and departmental trips.
- NU students have access to many service learning opportunities and mission trips during the year and throughout breaks.
- Students participate in chapel services twice per week and Biblical studies courses are included in the core curriculum.

### **Notable Programs**

- NU's Music Production offer practical experience in our prestigious on-site recording arts studio, the largest live sound stage north of Los Angeles.
- NU is offering a MS in Physician Assistant Studies and Doctorate of Physical Therapy in 2024.

### **Undergraduate Majors & Minors**

**FAFSA priority filing date:** February 1<sup>st</sup> (although, this is really just a guideline)

**PLU school code:** 003785

## Additional Information

PLU is the small, private university where caring means more than kindness and consideration - it means a bold commitment to expanding well-being, opportunity, and justice. Our students aren't afraid to do things differently to leave the world better than they found it.

We are a community of seekers, trailblazers, creators, and reformers who know that we can accomplish more together than apart. The PLU experience allows your ambition to blossom into purpose, your skills to sharpen into tools, and your caring to become a transformative force.

### Diversity, Equity & Inclusion

[plu.edu/diversity-inclusion/](http://plu.edu/diversity-inclusion/)

At PLU, diversity is intrinsic to the vitality of learning, resilience and growth. Thus, we will:

- Be responsive to how intersections and context impact how power is experienced
- Act upon the fact that diversity and inclusion efforts must address and account for all differences born out of power and oppression
- Collectively reimagine models and practices to create inclusive environments where all members of the PLU community can learn, live, work and — most importantly — thrive.

### Campus Visits/Tours - [plu.edu/visit](http://plu.edu/visit)

Seniors will qualify for a *\$1,000 per-year visit scholarship* if they attend an admission sponsored tour or event on-campus.

### Dual Credit/College Level Credit Policy

PLU generally requires a score of 4 or 5 on AP exams to earn college credit, we award up to 30 credits for completion of an IB Diploma and we do accept transferrable Running Start credit.

[plu.edu/admission/advanced-credit](http://plu.edu/admission/advanced-credit)

Running Start Information Page:

[plu.edu/admission-first-year/apply/running-start-students/](http://plu.edu/admission-first-year/apply/running-start-students/)

### Scholarships/Financial Aid

[plu.edu/admission/scholarships](http://plu.edu/admission/scholarships)

- 100% of students receive financial aid from PLU.
- **FIXED TUITION GUARANTEE** - ensures that the cost of tuition will be locked in from a student's first day until their graduation day.
- **Academic Merit Scholarships** - \$6,000-\$32,000
- **PLU Presidential Scholarship** - \$26,000-full tuition (Separate application that is due December 1<sup>st</sup>)
- **Artistic Achievement Scholarships** in Art, Music, Theatre, Dance - \$1,000+ per year
- **253 PLU Bound Scholarship** – Full Tuition (3.3 or higher weighted GPA and a recipient of the WA State College Bound scholarship). Students will also receive an additional \$1,000 Scholarship and \$1,500 Grant.
- **Nurse and Educator Dependent Commitment** – If a student's parent/guardian is a nurse or k-12 educator they get at least 50% off tuition.

### Athletics & Recreations – [golutes.com](http://golutes.com)

PLU has 18 varsity NCAA DIII athletic teams and 3 club sports (men's lacrosse, men's rowing, wrestling, and ultimate Frisbee) along with intramural and rec programs.

Women's Lacrosse has been added as a varsity NCAA sport for Fall 2024.

### New & Notable Majors – [plu.edu/majors](http://plu.edu/majors)

PLU has over 90 programs of study, including:

- Criminal Justice
- Data Science
- Gender, Sexuality & Race Studies
- Theatre AND Musical Theatre (BFA or BA)
- Business: Direct Admission
- Communication (including film and media)
- Education – Direct Admission
- Music (BA, BME or BFA)
- 3-2 Engineering/Engineering & Industry Minor
- Computer Science – Direct admission
- Biology
- Nursing
- Environmental Studies
- Kinesiology
- Pre-Professional Health Programs (Pre-Med)
- Pre-Law – Advising and a Minor

### Global Education & Study Away

- PLU was the first American University to have study away classes on all 7 continents at the same time.
- 1 of only 22 US colleges to receive the highest level of accreditation from The Forum on Education Abroad
- We are on a 4-1-4 calendar system. J-Term (January Term) allows our students one extra chance to study away.
- Our IHON Program allows students to enroll at Oxford University for 4-6 months.
- Top 20 nationally for highest percentage of students who study abroad

### Housing

8 residence halls and 1 apartment-style living community. Including some Opt-In Themed Learning Communities:

- Creative Expression
- First in the Family
- Student of Color
- Environmental & Social Justice
- International Hall – Languages & Honors Program
- Lavender Community (GBLTQ+ students and allies)
- STEM House
- Wellness House
- Women's Empowerment & Gender Equity

On-Campus housing is generally required for a student's freshman and sophomore years.

**Location:** Lacey, WA

**Type:** Independent

**Majors:** 31     **Faculty:** 98 Full-Time Faculty

**Class size average:** 12

**Retention:** First year to second year: 93%

**Graduation:** 4-year graduation rate (first-time, first-year): 43%, 6-year graduation rate (first-time, first-year): 60%

**Equity & Diversity:** Recognizing and embracing diversity is an essential part of academic life and learning. Diversity is our strength. Inspired by our Catholic Benedictine tradition, which promotes the transcendent dignity of the human person, we commit ourselves to fostering an inclusive and global learning environment in which all members of our community can thrive and succeed. Find out more: <https://www.stmartin.edu/student-life/diversity-inclusion>

**School code:** 003794

## **Additional Information**

---

### **Saint Martin's at a Glance**

- Percentage of ethnically diverse students on campus: 59%
- 12:1 student-to-faculty ratio, all classes taught by faculty
- Percentage of first-generation students: 35%
- Percentage of students on Lacey campus with military affiliation: 15%
- Number of faiths represented on campus: 21
- Over \$26 million in scholarships and gift aid awarded to students last year
- Saint Martin's has provisional admissions program for students falling under a 2.8 GPA

### **4 Colleges**

College of Arts and Sciences

College of Education and Counseling

School of Business Hal and Inge Marcus School of Engineering

### **13 NCAA Division II Sports**

**Men's Teams:** Baseball, Basketball, Cross Country, Track & Field, Golf, Soccer

**Women's Teams:** Basketball, Cross Country, Track & Field, Golf, Soccer, Softball, Volleyball

### **Campus Highlights**

Saint Martin's sits on over 380 wooded acres and is just minutes from the state capital, Olympia. Our campus features running trails, a 9-hole disc golf course, state-of-the-art facilities including a Platinum LEED Engineering building and a new nursing facility. All within walking distance of stores, banks, restaurants, and free public transportation.

### **Saints Live with Heart**

Founded in 1895, Saint Martin's University is a Catholic, Benedictine institution that has a diverse, student-centered environment that balances faith, reason, service, and community. We endeavor to unite academic excellence with social responsibility, providing the kind of education that transforms lives and promotes fulfillment of the common good.

### **The Saint's Promise**

If you do not secure employment or graduate school within six months of Commencement, Saint Martin's will guarantee a three-month paid internship or tuition-free enrollment to a Saint Martin's graduate program for one semester.

### **Benedictine Scholars Program**

Each year ten incoming students whose academic records are matched by their leadership experiences and

a commitment to compassion and social justice are chosen to receive a \$10,000 renewable scholarship (\$40,000 over four years, stackable with merit scholarship).

### **Act Six Program**

Act Six is a leadership and scholarship program creating a network of social-justice-oriented community affiliates and faith-based colleges to equip emerging young leaders to transform their college campuses and home communities. The scholarship is a full-tuition, full-need scholarship.

### **Direct Admissions Partnership**

We partner with school districts to offer direct admission to their seniors. For more information on how to partner with us, email Patty Lemon at [plemon@stmartin.edu](mailto:plemon@stmartin.edu) and visit <https://www.stmartin.edu/admissions-financial-aid/undergraduate/guaranteed-admissions-partnership>

### **31 Majors**

## Additional Information

### Virtual Tour

Can't come to campus in person? Experience Seattle University virtually.

### Scholarships and Affordability

All applicants are considered for merit scholarships, which typically range from \$14,000 - \$33,000/year. In 22-23, 100% of first-year students received financial aid, and the average financial aid award was \$39,000. Over half of SU students come from households earning less than \$120,000 per year.

### Seattle U Bound Scholarship

Students enrolled in the Washington State College Bound Scholarship program may be eligible for a full tuition scholarship to SU. Additional financial aid opportunities to help cover remaining expenses such as books, room and board may be available.

### Residential Campus in the City

8 residence halls on campus house more than 2,200 students. First and second-year students are required to live on campus, unless living with family off campus.

### Outcomes

98% of Seattle University graduates are employed, pursuing graduate school, volunteer or military service 6 months after graduation (NACE First Destination Survey). The Career Engagement Office offers career exploration support and coaching.

### Student Life and Clubs

More than 120 student clubs offer students the opportunity to have fun and build leadership skills, including: Red Zone (school spirit), Student Government, KSXU 102.1 FM Radio Station, Esports and Gaming, D1 Improv, and more

### Campus Visits

We would love to welcome you to campus in the heart of Seattle! Take a tour with a current student and learn more about the Redhawk experience:

## **Additional Information**

---

### **Vision:**

To prepare students of competence and character who will engage the culture and change the world.

### **Scholarships:** [spu.edu/scholarships](http://spu.edu/scholarships)

Applicants receive consideration for merit scholarships ranging from \$10,000 to \$18,000 annually.

In 2021-22, 95% of all undergraduate students received financial aid. The average award for students was \$28,269.

### **Falcon Bound Commitment**

SPU offers a 4-year full-tuition commitment to any incoming freshman eligible for the College Bound Scholarship Program and has an unweighted GPA of 3.0 or higher, **or** an SAT 1220/ACT 25.

### **The Seattle Advantage**

- 15-minute bus ride from downtown Seattle
- 93% job placement rate **or** graduate school enrollment within 1 year of graduation
- Mentorship Program: 1,700 professional mentors from organizations including Microsoft, Seattle Seahawks, Fred Hutchinson Cancer Research Center, Starbucks, Nordstrom, Boeing, Washington State Legislature, and more
- 13 Fortune 500 companies located in Seattle
- SPU is driving distance from Mount Rainier, North Cascades, and Olympic National Parks

### **Rigorous Academics**

- For the 7<sup>th</sup> year in a row, SPU is nationally ranked by *US News & World Report*
- University Scholars: SPU's honors program now available as an additional Major or Minor
- 5 Fulbright Scholars in the past 3 years
- 300+ Study Abroad options
- 95% medical school acceptance rate
- All classes taught by professors

### **Student Life and Christian Commitment**

- 7 ministries on campus and 3 weekly worship services
- 60 different Christian denominations represented in staff and faculty
- John Perkins Center for Reconciliation, Leadership and Community Development
- 51% of Students are Underrepresented Minorities
- 45+ Student clubs

### **Updates**

For Fall 2024 we are a Test-Optional admissions school

### **Notable Academic Programs**

- Business Administration: AACSB Accredited
- Nursing
- Pre-Medicine
- Psychology
- Engineering: ABET Accredited
- Computer Science
- Food and Nutritional Science
- Elementary and Secondary Education
- Apparel Design and Apparel Merchandising
- Music Therapy
- Exercise Science
- Global Development Studies
- Christian Reconciliation
- Social Justice and Cultural Studies Major
- Costume Design & Production Major
- Mechanical Engineering Major
- Student-Designed Majors

### **Transfer Credits:**

SPU accepts college credits earned through Running Start, College in the High School, AP, and IB. All students receiving the credit from these programs must apply as first-year students.

### **Housing**

- 5 residence halls and 13 campus apartments
- 95% of freshmen live in residence halls
- First and second-year students are required to live on campus unless commuting from a parent or guardian's home

### **Sports & Recreation**

- NCAA Division II (Great Northwest Athletic Conference/GNAC)
- 9 National Championships
- Men's: Basketball, Cross Country, Soccer, Track & Field
- Women's: Basketball, Cross Country, Soccer, Track & Field, Rowing, and Volleyball
- 15+ Intramural sports offerings

## **Additional Information**

---

### **Campus Tours**

Available Monday – Friday at 10:00am & 3:00pm

[Evergreen.edu/visit](http://Evergreen.edu/visit)

### **Scholarships**

Evergreen offers merit-based awards at time of application. These funds are in addition to state and federal aid and go directly against tuition.

3.5-4.0: \$1,200

3.0-3.49: \$900

Students can also apply for other scholarships at [evergreen.edu/scholarships](http://evergreen.edu/scholarships)

### **Common App**

Students can apply to The Evergreen State College via the Common Application.

[Commonapp.org](http://Commonapp.org)

### **Member of Colleges That Change Lives**

An organization dedicated to the advancement and support of a student-centered college search process. We support the goal of every student finding a college that develops a lifelong love of learning and provides the foundation for a successful and fulfilling life beyond college.

[Ctcl.org](http://Ctcl.org)

### **3 things that set Evergreen apart**

#### 1. Interdisciplinary Education

Every class a student takes will encompass multiple subjects to help students make connections and the world as it is.

#### 2. 16-Credit Programs

Instead of taking 5 different classes during the quarter students take 1 class (called a program). This class has multiple teachers and is worth 16 credits.

#### 3. Narrative Evaluations

Instead of letter grades students receive narrative evaluations that describe the work they accomplished.

### **Fields of Study**

## **Additional Information**

---

### **First-Year Application Requirements**

- Common Application
- School Report and official high school transcript
- Counselor Evaluation
- Teacher Evaluation
- SAT/ACT score (optional)
- Interview (optional)

### **Scholarships**

All applicants are considered for academic merit scholarships ranging up to \$31,000 per year. Talent Scholarships are available in Music, Theater, Art, and Debate. Puget Sound offers two scholarships that cover the full cost of tuition, room, and board: The Lillis Foundation Scholarship and the Matelich Scholarship. More information is available at [pugetsound.edu/scholarships](http://pugetsound.edu/scholarships)

### **Running Start**

Puget Sound accepts the Washington State Direct Transfer Agreement, and awards college credit earned while in dual credit programs such as Running Starts and College in the High School. Applicants should apply as first-year students, not as transfers.

### **AP/IB Exam credits**

Puget Sound generally accepts a score of 4 or higher on AP exams and 5 or higher on IB exams. A maximum of 16 units (2 years) of credit can be awarded.

### **Visits and Events**

We offer a number of in-person and virtual options for connection with Puget Sound, including tours, information sessions, on-on-one appointments, and other events. You can learn more or register at [pugetsound.edu/visit](http://pugetsound.edu/visit)

### **Colleges That Change Lives**

Puget Sound is included in the college guidebook *Colleges That Change Lives*. More information is available at [ctcl.org](http://ctcl.org)

### **Housing and Student Life**

All incoming first-year students are required to live on campus for the first two years. Nearly 70% of students live on campus. Puget Sound has over 100 student-led clubs and organizations, including Puget Sound Outdoors, Repertory Dance Group, and KUPS Radio.

### **Notable Areas of Study**

- African American Studies
- Asian Languages and Cultures (Chinese, East Asian Languages, Japanese)
- Asian Studies
- Bioethics
- Biology
- Business (Business Leadership, International Business)
- Chemistry
- Computer Science
- Education Studies
- Engineering, Dual-degree
- English
- Environmental Policy & Decision Making
- Exercise Science
- Gender & Queer Studies
- Health Professions (pre-med, pre-dental, pre-vet)
- International Political Economy
- Music (Music Business, Education, Performance)
- Neuroscience
- Physics
- Politics & Government
- Pre-law
- Psychology

### **Logger Athletics**

Puget Sound is a member of the Northwest Conference in the NCAA Division III

*Men's Sports:* Baseball, Basketball, Cheerleading, Crew, Cross Country, Football, Golf, Soccer, Swimming, Tennis, Track & Field

*Women's Sports:* Basketball, Cheerleading, Crew, Cross Country, Golf, Lacrosse, Soccer, Softball, Swimming, Tennis, Track & Field, Volleyball

### **Success at Puget Sound**

- 11:1 student-to-faculty ratio
- Over 90% acceptance rate to Medical and Law School over last 4 years
- Top producer of Fullbright Scholars and Peace Corps volunteers among small colleges nationwide.

**Location:** Seattle, WA

**Type:** Public, Urban, Research 1, Division 1

**Majors:** 180+ **Faculty:** 4,000+

**Class size average:** For Autumn 2022, 91% of classes had 100 or fewer students

**Retention:** 92% of freshmen return for their sophomore year

**Graduation:** 6-year graduation rate 85% (4 years average time to graduation)

**Diversity, Equity, & Inclusion:** At the University of Washington, diversity is integral to excellence. We value and honor diverse experiences and perspectives, strive to create welcoming and respectful learning environments, and promote access, opportunity and justice for all. <https://www.washington.edu/diversity/>

### Financial Aid and Scholarships

---

#### Husky Promise

The Husky Promise guarantees full tuition and standard fees will be covered by grant or scholarship support for eligible Washington state students. [uw.edu/huskypromise](http://uw.edu/huskypromise)

#### Scholarships

Washington residents are automatically considered for the Presidential Scholarship, which recognizes students who demonstrate exceptional leadership, community engagement and promise. The \$10,000 per year award is applied to tuition for up to four years. [admit.uw.edu/costs/scholarships](http://admit.uw.edu/costs/scholarships)

#### Living on campus

Students who choose to live on campus — and 71% of freshmen do — will find rooms and spaces for every price point and lifestyle.

[hfs.uw.edu/home](http://hfs.uw.edu/home)

#### Campus visits

The Office of Admissions offers campus tours and information sessions for students and families Monday–Friday. A visit includes a campus tour led by a UW student, followed by an admissions presentation from one of our counselors.

[admit.uw.edu/visit/campus-tours](http://admit.uw.edu/visit/campus-tours)

Interested in bringing a group of your students to the UW? School group tours are also available.

[admit.uw.edu/visit/group-tours](http://admit.uw.edu/visit/group-tours)

Take a virtual tour.

**FAFSA priority filing deadline:** January 15

**School code:** 003798

UW Bothell is proud to offer the Husky Promise, a guarantee that full tuition and standard fees will be covered for eligible Washington state residents. FAFSA/WASFA must be filed by January 15, 2024 to qualify.

## **Additional Information**

---

### **Access and Opportunity**

- In Autumn 2022, 42% of incoming first-year students and 40% of new incoming transfers would be first in their immediate families to earn a four-year degree.
- 29% of incoming first-year students and 29% of new incoming transfers are eligible for federal Pell Grants.
- More than 350 students at UW Bothell are eligible for veterans benefits.

### **Return on Investment**

- In 2021-22, 66% of undergraduate students and 61% of graduate students graduated debt-free.
- The wages of UW Bothell alumni with bachelor degrees are consistently the 2<sup>nd</sup> highest in the state among all graduates with comparable degrees from public, 4-year institutions. Source: Educational Resource & Data Center (2021)
- SmartAsset, a New York-based financial technology company, ranked UW Bothell No. 2 on its list of Best Value Colleges in the state of Washington. Source: SmartAsset (2021)

### **Community Engagement**

- Each year, UW Bothell students work with more than 400 community partners - businesses, nonprofit organizations, and government agencies – on projects that drive their education and career preparedness, all the while supporting partner goals.

### **Environmental Sustainability**

- UW Bothell receives 100 percent renewable energy from local projects in Washington State, including the Skookumchuck Wind Energy Project.
- The campus houses one of the largest and most complex floodplain restorations in Washington State. The 58-acre wetland is a sustainable, functioning floodplain ecosystem within an urbanizing watershed.

- The Sarah Simonds Green Conservatory is a greenhouse, classroom, and support space for research and public outreach – and houses an herbarium that facilitates studies of conservation, biodiversity and climate change.

### **Campus Visits and Events**

Campus visits and in-person events are currently available. Virtual information sessions and appointments are also available. For more information: [www.uwb.edu/admissions/visit](http://www.uwb.edu/admissions/visit)

### **New On-Campus Housing and Dining**

UW Bothell completed the first phase of construction on a new residence hall that will house 380 students and a new Dining Facility. Both facilities are open for Autumn 2023. A second phase of construction for residential living is currently underway and is expected to be completed by Summer 2024 and opening Autumn 2024. This will increase the total on-campus living options for students to 1,000 beds.

Learn more: [www.uwb.edu/campus-living](http://www.uwb.edu/campus-living)

### **Running Start/College in the HS/AP and IB Credit and Evaluation:**

UW Bothell accepts college credits earned through Running Start and College in the High School. **All applicants participating in these programs must apply as first-year students** regardless of the number of college credits earned. Students interested in Running Start should review the Transfer Planning Worksheets ([www.uwb.edu/admissions/apply/transfer/transfer-planning-worksheets](http://www.uwb.edu/admissions/apply/transfer/transfer-planning-worksheets)) for their intended major when selecting courses through their Running Start program. Contact Admissions for more information.

Minimum AP and IB scores to qualify for college credit are available here:

### **Walla Walla University Facts**

Founded: 1892

Colors: Orange and Green

Mascot: Wolves

President: John McVay

Locations:

Main Campus – College Place, WA

School of Nursing – Portland, OR

Marine Biology Station – Anacortes, WA

Masters in Social Work Extension Campus – Billings, MT

Over 100 Areas of Study

Male/Female Ratio: 48%/52%

Ethnic Diversity: 46%

### **Core Themes**

Walla Walla University is a community of faith and discovery committed to:

-Excellence in Thought

-Generosity in Service

-Beauty in Expression

-Faith in God

### **Philosophy**

Walla Walla University is founded on Christian teachings and values as understood and appreciated by the Seventh-Day Adventist Church. Central to those teachings is the belief that every person is created in the image of God as a being of inestimable value and worth, imbued with powers of intelligence, stewardship, and creativity akin to those of the Creator.

Walla Walla University, therefore, seeks in its mission to foster the unique gifts of every individual within this Christian community of faith and discovery. Committed to excellence in thought, the university seeks to impart a broad knowledge of the arts, sciences, and professions by careful instruction and open inquiry at both the undergraduate and graduate levels. Recognizing that God is the source of all truth, goodness, and beauty, the university seeks to convey student's wisdom that translates academic achievement into responsible citizenship, generous service, a deep respect for the beauty in God's creation, and the promise of re-creation through Jesus Christ.

### **Academic Programs**

**School code:** 003800  
**WASFA filing priority date:** March 31  
**Scholarship application:** [futurecoug.wsu.edu/apply](http://futurecoug.wsu.edu/apply)

## **Additional Information**

---

### **First-Year Admission**

First-year admission is based on academic credentials including grade trends, completion of College Academic Distribution Requirements (CADRs) and course rigor.

\*Washington State University no longer uses SAT/ACT scores as a factor for admission. The Office of Admissions will contact students if more information is needed. WSU welcomes homeschooled students. See [admission.wsu.edu](http://admission.wsu.edu).

For information about international student admission, visit [ip.wsu.edu](http://ip.wsu.edu).

### **Common App**

Applications submitted through the Common App will be accepted for first-year and international students.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual credit programs and apply to attend WSU right after high school are considered first-year students for admission purposes, regardless of total college credits earned. Official college transcripts must be submitted for college credit to be transferred.

### **Transfer Admission and Deadlines**

Priority date for fall: August 7

Priority date for spring: November 15.

Apply at [futurecoug.wsu.edu/apply](http://futurecoug.wsu.edu/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed at least 27 semester (40 quarter) credits of transferable academic college course work will be considered for admission based on their college work. Students who have completed fewer credits at the time of application may be considered first-year students for admission purposes. See [admission.wsu.edu/transfer-pullman](http://admission.wsu.edu/transfer-pullman).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [go.wsu.edu/advancedcredit](http://go.wsu.edu/advancedcredit).

### **Majors**

See a full list of academic programs at [academics.wsu.edu](http://academics.wsu.edu).

### **Find your WSU Pullman admission counselor**

Each prospective student and high school counselor has a personal admission counselor who can help answer questions and assist through the application, financial aid, and enrollment processes. Visit [rep.wsu.edu](http://rep.wsu.edu).

### **Multicultural Student Services**

MSS facilitates the best undergraduate experience for multicultural, first generation, and underrepresented students through culturally relevant support services. Visit [Communities.wsu.edu](http://Communities.wsu.edu).

### **Campus Visits**

Schedule a campus visit, guided or self-guided tour, or attend an event. Virtual offerings and live and on-demand presentations are also available. Explore options at [visit.wsu.edu](http://visit.wsu.edu).

### **Housing**

First-year students under 20 years old are required to live on campus for their first year (with some exceptions) in one of WSU Pullman's 16 on-campus residence halls. Visit [housing.wsu.edu](http://housing.wsu.edu).

### **Access Center**

The Access Center serves students with temporary, chronic or permanent physical, health, learning, sensory, or psychological disabilities by providing accommodations, auxiliary aids, and services that remove barriers to their education. Visit [accesscenter.wsu.edu](http://accesscenter.wsu.edu).

### **Pre-Health Studies**

WSU offers a comprehensive pre-health program for undergraduates interested in pursuing medical school and other professional degrees. Visit [healthprofessions.wsu.edu](http://healthprofessions.wsu.edu).

### **TRIO Student Success Programs**

The U.S. Department of Education's TRIO Program is a federal outreach and student services program designed to identify and provide services for individuals from disadvantaged backgrounds. Our TRIO Student Success Programs target to serve and assist low-income individuals, first-generation college students and individuals with disabilities to progress toward degree attainment. TRIO Student Success Programs also houses a STEM and Health Sciences grant that provides a range of services to support students on their academic journey.

# Washington State University Tri-Cities

**Location:** Richland, WA

**Type:** Public

**Majors:** [tricities.wsu.edu/degree-offerings](http://tricities.wsu.edu/degree-offerings)

**Faculty:** 119

**Class size average:** 28

### **First-Year Student Admission**

Holistic review of application materials including academic credentials, completion of the CADRs, grade trends, and other information the student may provide other documentation.

Washington State University does not require SAT or ACT scores for applicants. This applies to all campuses in the WSU system. Accordingly, SAT/ACT scores will not be used as a factor in admission decisions.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual-credit programs, and apply for admission directly out of high school are considered first-year students in the admission process regardless of how many college credits they may have earned. They should also send official college transcripts if available.

### **Homeschooled Students**

WSU Tri-Cities welcomes homeschooled students. See [tricities.wsu.edu/admission](http://tricities.wsu.edu/admission) for requirements.

### **Transfer Admission and Deadlines**

Application opens early August; students should apply early if possible. Priority date July 15 for fall entry. Apply at [tricities.wsu.edu/admissions/apply](http://tricities.wsu.edu/admissions/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed a full year of transferable academic college coursework will be considered for admission based on their college work. Students who have not completed a full year of transferable academic college coursework at the time they apply may be asked for additional information for review.

Transfer applicants who have successfully completed a Direct Transfer Agreement (DTA) associate degree from a regionally accredited post-secondary institution in Washington at the time of application will be admitted as space allows. See [tricities.wsu.edu/admissions/transfer-requirements](http://tricities.wsu.edu/admissions/transfer-requirements).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See

[tricities.wsu.edu/admissions/freshman-requirements](http://tricities.wsu.edu/admissions/freshman-requirements).

### **International Students**

See [tricities.wsu.edu/admissions/international](http://tricities.wsu.edu/admissions/international).

### **Campus Visits**

Visit our campus during an organized program or visit on your own. See [tricities.wsu.edu/admissions/visitcampus](http://tricities.wsu.edu/admissions/visitcampus).

### **Find Your WSU Tri-Cities Admission Counselor**

See [tricities.wsu.edu/admissions/contact-connect](http://tricities.wsu.edu/admissions/contact-connect).

### **Scholarships**

Visit [tricities.wsu.edu/admissions/tuition-and-affordability](http://tricities.wsu.edu/admissions/tuition-and-affordability).

### **TRIO Student Success Program**

The U.S. Department of Education's TRIO Program is a federal outreach and student services program designed to identify and provide services for individuals from disadvantaged backgrounds. Our TRIO Student Success Programs target to serve and assist low-income individuals, first-generation college students and individuals with disabilities to progress toward degree attainment. TRIO Student Success Programs also houses a STEM and Health Sciences grant that provides a range of services to support students on their academic journey.

### **Majors**

WSU Tri-Cities offers 20 bachelor's degrees and students can choose from academic programs in business, education, engineering, liberal arts, nursing, sciences, and viticulture and enology. See all academic offerings at [tricities.wsu.edu/degree-offerings](http://tricities.wsu.edu/degree-offerings).

### **Student Engagement & Leadership**

Learn about student involvement on campus at [tricities.wsu.edu/student-engagement-leadership/](http://tricities.wsu.edu/student-engagement-leadership/).

## **Additional Information**

---

### **First-year Admission**

First-year admission is based on academic credentials including grade trends, completion of College Academic Distribution Requirements (CADRs) and course rigor.

**\*Washington State University no longer uses SAT/ACT scores as a factor for admission.** The Office of Admissions will contact students if more information is needed. See [vancouver.wsu.edu/reqs](http://vancouver.wsu.edu/reqs).

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual credit programs and plan to attend WSU right after high school are considered first-year students for admission purposes, regardless of total college credits earned. Official college transcripts must be submitted for college credit to be transferred.

### **Home-Based Schooling**

WSU Vancouver welcomes homeschooled students. See [vancouver.wsu.edu/reqs](http://vancouver.wsu.edu/reqs).

### **Transfer Admission and Deadlines**

Priority date for fall: July 15.

Priority date for spring: November 15.

Apply at [vancouver.wsu.edu/apply](http://vancouver.wsu.edu/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed at least 26 semester (40 quarter) credits of transferable academic college course work will be considered for admission based on their college work. Students who have completed fewer credits at the time of application may be considered first-year students for admission purposes. See [vancouver.wsu.edu/reqs](http://vancouver.wsu.edu/reqs).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [vancouver.wsu.edu/college-credit](http://vancouver.wsu.edu/college-credit).

### **International Admission**

Visit [ip.wsu.edu/future-students/requirements](http://ip.wsu.edu/future-students/requirements).

### **Find your WSU Vancouver admissions counselor**

Visit [vancouver.wsu.edu/counselors](http://vancouver.wsu.edu/counselors).

### **Majors**

See a full list of academic programs at [vancouver.wsu.edu/programs](http://vancouver.wsu.edu/programs).

### **Pre-Health Studies**

WSU Vancouver offers a comprehensive pre-health program for undergraduates interested in pursuing medical school. For more information, email [van.prehealth@wsu.edu](mailto:van.prehealth@wsu.edu).

### **Campus Visits**

Attend an admissions event or schedule a tour. Visit [vancouver.wsu.edu/visit](http://vancouver.wsu.edu/visit).

### **Access Center**

The Access Center serves students with temporary, chronic or permanent physical, health, learning, sensory, or psychological disabilities by providing accommodations, auxiliary aids, and services that remove barriers to their education. Visit [vancouver.wsu.edu/access](http://vancouver.wsu.edu/access).

### **Housing**

WSU Vancouver does not have on-campus housing. Visit [vancouver.wsu.edu/housing](http://vancouver.wsu.edu/housing) for information about local housing options.

### **Center for Intercultural Learning and Affirmation**

CILA cultivates an inclusive community where historically underserved students are affirmed and have sense of belonging at WSU Vancouver through intercultural learning, co-curricular programming and service that illuminates students' cultural wealth and intersecting identities. Visit [vancouver.wsu.edu/cila](http://vancouver.wsu.edu/cila).

# Western Washington University

**Location** Bellingham, WA

**Type:** Public, 4-year

**Majors:** 175+    **Faculty:** 998

**Class size average:** 26

**Retention:** 77.1% (fall 2021 entering first year class retention to fall 2022)

**Graduation:** 65% (based on data from 2016 cohort)

**Diversity, Equity, & Inclusion:** At Western, building a welcoming, inclusive, and equitable community is fundamental to who we are as a university. We value the perspective of every student, but also recognize that we have a responsibility to provide support to those from communities and with identities that have historically been marginalized. We're committed to eliminating the barriers that BIPOC, LGBTQ+, and people with disabilities have traditionally faced and to create a learning environment where every student can thrive.

## **Additional Information**

---

### **Transfer Admission & Deadlines**

Deadlines: March 1 (summer/fall), September 15 (winter), January 1 (spring)

>> [admissions.wwu.edu/transfer](https://admissions.wwu.edu/transfer)

### **Running Start & Other Transfer Credit**

Official college transcripts or test scores are required for credit to be awarded. In general, AP scores of a 3 or higher and IB higher and standard level scores of 4 or higher earn college credit.

>> [admissions.wwu.edu/first-year](https://admissions.wwu.edu/first-year)

### **Visit & Tour Dates/Info**

#### **Campus Visits:**

[admissions.wwu.edu/visit](https://admissions.wwu.edu/visit)

#### **Group visit requests:**

[admissions.wwu.edu/visit/group-visit](https://admissions.wwu.edu/visit/group-visit)

#### **Programs for Students:**

Fall Preview Days: Fridays in October

Admitted Student Days: Saturdays in early April

Campus tours: M-F, 10:15 a.m. and 2:15 p.m.; Sat., 11 a.m. and 2 p.m.

### **Campus Housing**

Living on campus is a choice at Western, yet nearly 90% of first year students do. First year students who meet the housing deadlines are guaranteed housing in their first year at Western.

>> [housing.wwu.edu](https://housing.wwu.edu)

### **Sports & Recreation**

NCAA Division II athletic programs include:

basketball, cheerleading, cross country, golf, soccer, softball, track & field, and women's rowing and volleyball. Western also offers 20+ club sports and a popular intramural program.

>> [wwu.vikings.com](https://wwu.vikings.com)

### **National Recognition**

Out of more than 600 institutions, Western ranks in the top 10 nationally for graduates who go on to earn research doctorates. (*Survey of Earned Doctorates*)

Western produced five Fulbright winners in 2022-23, tied for fifth place among public masters-granting institutions nationally.

For 23 years in a row, Western has ranked #1 among public, masters-granting universities in the Pacific Northwest. (*U.S. News & World Report*)

### **Pre-Med, Pre-Law, and other preprofessional pathways**

High expectations, academic commitment, and strong faculty support result in high acceptance rates into medical school, law school, and other selective graduate programs.

### **Honors College**

Western's selective Honors College offers small and interactive classes, a close-knit intellectual learning community, and early access to faculty research teams and other scholarly pursuits.

>> [wwu.edu/honors](https://wwu.edu/honors)

### **Fairhaven College**

Western's interdisciplinary liberal arts college provides creative opportunities for students to design their own majors.

>> [fairhaven.wwu.edu](https://fairhaven.wwu.edu)

### **Global Education**

Students participate in a variety of international experiences, including study abroad, student teaching, internships, volunteer work, service learning, and faculty-led study tours.

>> [studyabroad.wwu.edu](https://studyabroad.wwu.edu)

### **Notable Programs**

Art Studio, Biochemistry, Biology, Marine and Coastal Science, Business and Sustainability, Chemistry, Communication Studies, Computer Science, Cybersecurity, Data Science, Design, Education, Elementary Education, Engineering, English, Environmental Science, Environmental Studies, French, Geology, Geophysics, German, Human Services, Industrial Design, Interdisciplinary Studies (Fairhaven), Japanese, Journalism, Kinesiology, Manufacturing and Supply Chain Management, Music, Psychology, Public Health, Spanish, Urban Planning & Sustainable Development, Women's Gender & Sexuality Studies, and more.

## **Additional Information**

---

As a small residential liberal arts college in Walla Walla, Washington, Whitman is rooted in the traditional liberal arts values like critical thought and academic rigor. At our foundation is also a belief in the value of community and power of relationships. Our graduates are scholars but also explorers, advocates and scientists. They climb mountains, travel to far-off corners and give voice to others. They care about community and aim to become citizens of the world.

**Diversity, Equity, & Inclusion:** As a leading Christian institution of higher learning, Whitworth University seeks to educate and prepare students to "honor God, follow Christ, and serve humanity." In accord with this core mission, we seek to model Christ's love across racial, ethnic, gender, socio-economic, religious and other expressions of human difference. Whitworth recognizes that a diverse community is central to our mission as a liberal arts university committed to educating critical thinkers, discerning moral agents, and responsible democratic citizens. Therefore, Whitworth is committed to delivering a mission-driven educational program that cultivates in students, faculty, staff, and trustees the capacity to work effectively across the myriad dimensions of the global family. Our goal is to achieve and sustain a level of inclusive excellence throughout the life of the university that emphasizes the deep truth, love and grace of the Gospel. ### **Mission**

Since 1890, Whitworth has held true to its founding mission to provide our diverse student body an education of mind and heart, equipping graduates to honor God, follow Christ and serve humanity.

### **Academic Distinction**

- U.S. News ranked Whitworth No. 1 in value, No. 1 in undergraduate teaching and No. 3 overall among regional universities in the West.
- 10-to-1 student-faculty ratio.
- The Robinson Science Center provides state of the art laboratory space and technology for faculty-student research, including cadaver and live animal labs.
- 4-1-4 academic calendar allows for our faculty to lead dozens of semester-long and Jan-term study abroad/away programs in 60+ countries around the world.

### **Affordability & Value**

- 100 percent of incoming students receive financial aid.
- Guaranteed University Scholarships of \$16,000-\$30,000 awarded at the point of admission.
- **Whitworth Bound Promise:** Admitted College Bound eligible first-years with 3.0 cumulative, weighted high school GPA or greater (or college transfer students with a 3.0 cumulative college GPA or greater) will have **100 percent of tuition covered** by scholarships/grants. [whitworth.edu/college-bound](http://whitworth.edu/college-bound)
- \$1,000 Visit Scholarship awarded to incoming fall 2024 students who fully participate in a qualifying 2023-24 admissions visit program. Visit [whitworth.edu/visit](http://whitworth.edu/visit) for more information.
- 4-Year Graduation Guarantee Program [whitworth.edu/finish-in-four](http://whitworth.edu/finish-in-four)

### **Championship Athletics**

Whitworth's student-athletes perform at a high level both in the classroom AND at their sport. Competing in 21 varsity sports in the NCAA Division III, Whitworth has won the trophy for the best overall athletic program in the Northwest Conference an impressive 13 times. [www.whitworth.edu/athletics](http://www.whitworth.edu/athletics)
