2020 Fall Counselor Workshop
Higher Education Book
A Resource for High School Counselors

washingtoncouncil.org/publications.htm

The Washington Council for High School-College Relations is organized to assist all Washington state students to access and engage in post-secondary opportunities at its member institutions.

washingtoncouncil.org
2020 Fall Counselor Workshop Agenda

Virtual Workshop Schedule for September 15 & 17

8:00am  Washington Council Welcome
An overview of the Workshop agenda and information about the Washington Council
and the benefits of membership

8:15 am  Washington Student Achievement Council (WSAC)
8:45 am  Office of Superintendent of Public Instruction (OSPI)
9:15am   Community and Technical Colleges (CTC)
9:30 am   Council of Presidents (COP)
9:45 am   Independent Colleges of Washington (IWC)
10:00am  Break
10:15 am  Live Q&A
11:45 am  Closing
Noon     End of Program

Public, private, two year, pre-record short videos can be viewed on Washington Council’s
YouTube channel

Fall 2020 Counselor Workshop Schedule
September 15 – Option 1
September 17 – Option 2

Fall Counselor Workshop
Higher Education Book
A Resource for High School Counselors

Published by The Washington Council for High School - College Relations (Washington Council)

The Higher Education Book is produced under the auspices of the Commission on Publications of the Washington Council for High School-College Relations

WashingtonCouncil.org
About the Washington Council and the Fall Counselor Workshop Higher Education Book

The Washington Council for High School-College Relations is a not-for-profit organization that provides information and programs to encourage and assist Washington students in their transition from high schools to colleges, and from two-year colleges to four-year colleges. To this end, the Washington Council produces this book and sponsors the following Programs:

Washington Council Programs for Students
• Eighth Grade College Exploration Day
• High School College Planning Day
• Fall Transfer Fairs

Washington Council Workshops and Resources for Advisers
• Fall High School Counselor Workshops
• Transfer Adviser Workshops
• Washington Council Web Resources, Calendar, and Listserv (washingtoncouncil.org)

The Washington Council member organizations include Washington high schools, Washington colleges and universities, and higher education agencies. Washington Council publications and programs are run and governed by a Board of Directors that is representative of its membership.

2020-2021 Washington Council Board of Directors

Jason Boatwright, Superintendent of Public Instruction
Molly Brown, North Seattle College
Gail Bruce, Skagit Valley College
Carlos Delgadillo, Washington Council Technology Officer
Linda Drake, State Board of Education
Melody Ferguson, Pacific Lutheran University
Lucretia Folks, Washington Council Executive Secretary
Valerie Frey, Pierce College
Julie Garver, Council of Presidents
Joe Holliday, State Board for Community & Technical Colleges
Kimberly Ingram, Centralia College
Jana Jaraysi, Eastern Washington University
Andra Kelley-Balstone, Assoc. of WA School Principals
Anne Molenda, South Puget Sound College
Amelia Moore, Washington Student Achievement Council
Susan Mosby, Discovery Alternative High School

Melore Nielsen, Seattle University
Wendy Jo Peterson, Washington State University
Lara Ramsay, Whitworth University
Cezar Rangel, Western Washington University
Denise Reddinger, Washington School Counselors Association
Myndee Ronning, Central Washington University
Mitzi Sanders, Sequim High School
Paul Seegert, University of Washington Seattle
Karl Smith, University of Washington Tacoma
Brian Spraggins, Lewis & Clark High School
Waylon Safranski, Washington State University
Navia Winderling, University of Washington Tacoma
Heidi Youseph, College & Careers Readiness Counselor
Ellen Zambrowsky-Huls, Redmond High School
Donna Zukowski, Eastmont High School

The 2020-21 Fall Counselor Workshop Higher Education Book: A Resource for High School Counselors is a collection of post-secondary opportunities in the State of Washington.

The Washington Council Board has been responsible for collecting the entries and overseeing preparation of the book. The participating institutions are responsible for information on their institutions. Readers are cautioned that they must consult the admissions offices at individual colleges to be sure of having the most current information.

All institutions listed in the Fall Counselor Workshop Higher Education Book subscribe to the principles and laws of the State of Washington and the federal government, including applicable executive orders pertaining to civil rights. These institutions are committed to the policy that all persons shall have equal access to programs and facilities without regard to age, color, creed, marital status, nation or ethnic origin, physical handicap, race, religion or sex. All statements and content included in the Fall Counselor Workshop Higher Education Book are made by the individual colleges and universities and organizations that are represented in this book. The information contained in the Fall Counselor Workshop Higher Education Book is subject to change, and the editors and individual institutions will not be responsible for change or error.

Mission and Commitment

The Council of Presidents (COP) strives to be a common voice for the public baccalaureate sector and the most respected and trusted resource for decision makers on issues affecting public higher education. COP serves as the coordinating role for a number of initiatives and activities common to the public baccalaureate institutions, fostering coordination and collaboration among the public baccalaureates as well as with other educational partners, both in Washington and nationally.

Washington’s public, four-year universities and college are committed to serving Washingtonians throughout their lives to meet their education and career goals. We are collectively focused on retaining Washington high school graduates in Washington to meet their needs and the needs of the state in the 21st century.

Washington’s Public Baccalaureate Institutions

- Central Washington University
- Eastern Washington University
- The Evergreen State College
- University of Washington Bothell
- University of Washington in Seattle
- University of Washington Tacoma
- Washington State Pullman
- Washington State University Tri-Cities
- Washington State University Vancouver
- Washington State University Everett
- Washington State University Spokane
- Western Washington University
An Undergraduate Profile

- Six institutions with a presence in all 39 counties
- Two research universities, three comprehensive universities, one public liberal arts college, six campuses, multiple-institutional partnerships in Spokane and Everett, 21 university centers and academic partnerships with Washington’s community and technical colleges, strong transfer partnerships, engaged collaboration with K-12, and robust online learning opportunities
- 112,272 total enrollment
- 83% are Washington residents
- 45% identify as people of color
- 85% are 24 years old or younger
- 52% are female
- Over a third received state and federal need-based aid
- Average time to degree is 4.09 years

Access and Opportunities

Early Options for High School Students
Washington’s public four-year college and universities collaborate and provide numerous pre-college programs and opportunities for K-12 students to help prepare them for higher education and earn credit while in high school. Concurrent Enrollment – High school students enroll in college courses at their high school (College in the High School), or at a university (Running Start), earning concurrent high school credit and college credit. College Preparatory Programs with Exams – High school students may earn college credit through recognized standardized exams. This includes Advanced Placement, International Baccalaureate, and Cambridge International. In addition, institutions have strong pre-college programs and partnerships serving K-12 institutions throughout the state.

Transfer Opportunities
For more than 40 years Washington’s public baccalaureate institutions, in collaboration with the community and technical college and Independent Colleges of Washington, participate in the state’s direct transfer agreement (DTA) associate degree and associate of science transfer (AS-T) degrees. The public baccalaureate sector participates in the state’s 10 major related pathways within the DTA and AS-T agreements ranging in areas from pre-nursing to computer science. In addition, institutions have developed articulation agreements with other two- and four-year, public and independent colleges both in- and out-of-state to ease the transfer from one institution to another.

Online Learning
Online learning is a growing educational option that enables Washingtonians to earn college credit from anywhere in the state. Online learning is evolving to include multiple approaches such as hybrid courses which offer a mix of online and classroom learning and Massive Open Online Courses (MOOCs) which offer online coursework. While these programs are increasingly part of more student’s academic experiences, they offer opportunities in particular for place-bound students and working adults.

International Programs
A wide range of international study opportunities are available to students at Washington’s public, four-year colleges and universities. International programs are designed to offer academic, cultural and personal learning opportunities in a structured academic setting at partner institutions abroad.
**Washington Facts**

- Public four-year college and universities **rank 6th for best four-year graduation rate** in the nation.
- Third in the nation in bachelor’s degrees produced per 100 FTE students at public four-year institutions.
- Among the **top 10 states** for the **lowest student debt** for a bachelor’s degree with the **6th lowest** student loan debt nationwide.
- **48%** of the class of 2017 graduated from a Washington baccalaureate degree granting institution with **no student loan debt**.
- **1st in the nation** for the percentage of transfer students who being at a community or technical college and earn a bachelor’s degree.

**Resources for Counselors**

COP offers a range of printable fact sheets that focus on hot topics at the sector level. Topics include financial aid, value of a postsecondary education, transfer and more.

**Printable Fact Sheets**

- College in the High School FAQ: [https://rb.gy/mouel1](https://rb.gy/mouel1)
- Pell Grants: [https://rb.gy/at1otw](https://rb.gy/at1otw)
- Student Loan Debt: [https://rb.gy/f6dx7g](https://rb.gy/f6dx7g)
- Value of Postsecondary Education
Ensuring Career & College Readiness via a robust High School & Beyond Plan (HSBP)

With roughly 2/3 of jobs in today’s economy necessitating some level of post-high school education or training, our students must access personalized career and college exploration opportunities. School counselors and staff must guide students in connecting their learning to future aspirations, including technical/2-/4-year colleges, apprenticeship, industry certification programs, and military or on-the-job training. HSBP updates from 2019’s House Bill (HB) 1599 and a new mandate from 2020’s Senate Bill (SB) 6141 enhance this critical advising, planning and preparation process.

From HB1599, the HSBP now includes a required financial aid component:
- evidence that all students receive information about state and federal financial aid programs

Also from HB1599, other required HSBP development changes include:
- all 10th grade students must update their HSBP, using their statewide assessment scores, transcript and other pertinent information to inform junior year course decisions
  - the school closures in Spring of 2020 made the new requirement of using SBA scores to inform junior year classes not applicable for the Class of 2022
- students with Individualized Education Program (IEP) services must develop a HSBP aligned with their IEP, and in a similar manner and with similar staff as their general education classmates
  - OSPI’s has developed resources for supporting this collaborative process (see pg. 3)
- by 2020-21, all districts must provide access to an electronic platform for the HSBP
  - OSPI’s list of vendors that have been vetted for alignment with state requirements, but do NOT have to be used, can be found on OSPI’s website in Bulletin 041-20
- by the 2021-22 school year, all districts must adopt an academic acceleration policy (see RCW 28A.320.195) that also ensures students’ interests and post-high school goals inform their course taking decisions about which “next most rigorous course” to take
- complete one or more of the possible Graduation Pathways that is aligned with their HSBP

From SB6141, in connection with the HSBP’s required financial aid component:
- districts with a high school must offer an annual Financial Aid Advising Day for seniors and their families by Dec. 1 (get details and resources at: www.wsac.wa.gov/12th-year-campaign)
- the HSBP must also include information about the Washington college grant (formerly the State Need grant; get details and resources at: https://wsac.wa.gov/wcg)
online HSBP platforms will link to a new WA financial aid calculator and standardized student aid award letter (for WA’s 2-/4-year colleges) once these new resources are created

**Graduation Pathways**

With the passage of HB1599 in 2019, the Legislature officially expanded the ways in which students can demonstrate that they’ve developed the skills and expertise needed for a meaningful first step into college or career preparation after high school. Building off a robust career & college exploration and planning process (the HSBP) and quality instruction, completing a **graduation pathway** is intended to indicate that students are prepared for a meaningful next step after high school. It also signifies to employers and postsecondary education/training institutions a student’s readiness for that step. Students can now demonstrate their readiness for a post-secondary career or college via one or more of the following graduation pathways.

**Graduation pathways available to the Class of 2021**: (Click here for Class of 2020 Pathways one-pager)

**Career/Technical Field = CTE Course Sequence**

- Complete a sequence of 2.0 or more total credits that either includes a dual credit course or leads to an industry recognized credential (IRC)  
  (students do not have to actually earn college credit or IRC while in high school)
- Complete a Core Plus program

**Military Career Interest = ASVAB Exam (AFQT Section only)**

- Score for Class of 2020 = 31
- Check the State Board of Education website by September 1 annually for AFQT score

**Postsecondary Education = English Language Arts (ELA) and Math Courses and Exams**

(Can use any combination of the ELA and math options listed in this section.)

- ACT (ELA = 14; math = 16) or SAT (ELA = 410; math = 430)
- Dual credit courses (1.0 credit total for ELA and/or math):
  - AP/IB/Cambridge: Earn a C+ (each term) in state-approved course
  - CTE Dual Credit: must earn high school credit; local approval
  - College in the High School or Running Start courses: local approval
- Dual credit exams (for state-approved courses):
  - AP = 3+
  - Cambridge = E
  - IB = 4+
- State assessments:
  - Smarter Balanced: ELA = 2548; math = 2595
  - WA-AIM: ELA = 104; math = 103

**Important Note:**
As of August 2020, the Expedited Assessment Appeal Waiver is not available for the Class of 2021.
• Transition courses (1.0 credit total for ELA and/or math):
  o Bridge to College courses have state-level approval
  o Local articulation agreement between districts and sponsoring colleges

Community and Technical Colleges of Washington

Student Profile
Total Enrollment: 362,862
Faculty/Student Ratio: 1:19

Type of Student
College/University transfer: 35%
Professional-technical: 48%

Top Degrees Awarded 2019-20
- Associate in Arts (DTA)
- Associate in Business (DTA)
- Associate in Science (DTA)
- Registered Nursing

Top Transfer Destinations
Each year, about 20,000 students transfer from a Washington community or technical college to a public or private baccalaureate institution.

To help make transferring simple for students, community and technical colleges hold direct transfer agreements with:
- Bastyr University
- Central Washington University

Resources for Counselors

CheckOutACollege.org/GetMore
Find college and degree options, career and wage data, ideas for paying for college, search by program and location, multiple languages, links to two-year and four-year colleges, Fall Counselor Workshop PowerPoint, and publications.

Check Out a College brochures
Get brochures from your nearest community or technical college, or order larger quantities at a reasonable price.

FREE: Ask your local college for Check Out a College brochures.

Low COST: Order online from the Washington State Department of Printing website:
- Go to myprint.wa.gov
- In the “Search” field at lower left, type “Check Out a College”
- Order based on instructions
Dual Credit Options

Running Start
Running Start allows 11th and 12th grade students to take college courses at Washington’s 34 community and technical colleges. Students earn high school and college credits for these courses. Running Start students and their families do not pay tuition for up to 15 college credits, based on combined college and high school FTE of up to 1.2 FTE. Students do pay mandatory fees, buy their own books, and provide their own transportation.

Students interested in Running Start may get more information from their high school counseling office or from the Running Start coordinator at their local college. Many colleges offer orientation sessions to help students and families learn more about the program. The entire catalog of courses is available to Running Start students. This includes electives, vocational, online, and advanced course work.

More at www.sbctc.edu

College in the High School
College in the High School programs provide college-level academic courses to 10th, 11th and 12th grade students. Courses are taught at the high school by high school teachers with college curriculum, college textbooks, and oversight by college faculty and staff.

- Students pay fees, but typically far less than regular college tuition.
- Students may also pay for textbooks.
- Located at the high school.

CTE Dual Credit
CTE Dual Credit allows high school students to earn college credit in their high school career and technical education (CTE) classes without leaving their high school campus. CTE Dual Credit used to be called Tech Prep.

- Tuition free.
- Located at the high school.
- Credits apply only to professional-technical certificates or degrees.

Professional-Technical Program Matrix
The SBCTC Workforce Education professional-technical program matrix in this handbook is subject to change. Programs are listed by general categories and may not reflect actual program names. For example, aerospace-related programs may be listed under engineering, manufacturing, and transportation.

See Career and Job Training Programs matrix.

Eligible Training Provider (ETP) list
Visit the Career Bridge website at www.careerbridge.wa.gov for the ETP list.

Centers of Excellence
Centers of Excellence focus on industries that drive the state’s economy and workforce, building innovative workforce education programs. The 11 centers connect and partner with industry, economic development and community-based organizations, secondary education, and four-year colleges and universities through training, career presentations, and events.

More at www.sbctc.edu

Applied Baccalaureate Degrees
An applied baccalaureate (applied bachelor’s) degree builds on the education and training from a two-year technical associate degree, allowing graduates to move up the educational and professional ladder without starting over.

Degree Options
Most community and technical colleges offer a variety of applied bachelor's degrees. For a complete list of applied bachelor’s degrees offered at community and technical colleges, visit www.SBCTC.edu.

Applied Baccalaureate Tuition
Tuition rates are roughly double the cost of regular community and technical college credits.
See community and technical college tuition chart.

**University and College Transfer**

More and more students get started on a bachelor’s degree with an associate transfer degree. Students get a high quality undergraduate experience and save money by starting at a community or technical college and transferring to a Washington four-year college, branch campus, university center, or applied baccalaureate program.

**Associate transfer degrees**

Several options are available, so students should work closely with an advisor to choose the right degree and classes for their educational and career goals. Students should contact the four-year college or university of their choice to fully understand and meet degree requirements before transferring.

See Transfer Degree Inventory chart.

**University Centers and Transfer Partnerships**

Students can earn an associate transfer degree at a community or technical college and then stay on campus to complete a bachelor's degree from one of our many four-year college or university partners. Options are subject to change.

See University Centers and Transfer Partnerships chart.

**High School Diploma Options**

Community and technical colleges offer three ways to earn a high school diploma.

1. Earn an associate degree through Running Start, request high school diploma from college
2. Earn an associate degree, request high school diploma from college (may require financial aid)
3. Earn a high school diploma from the college through one of the following high school completion programs (may require financial aid)

**I-BEST**

Washington’s nationally renowned Integrated Basic Education and Skills Training program (I-BEST) uses a team-teaching approach to combine adult education classes with regular, credit-bearing academic or job training classes so students get through school and into jobs faster.

**Project I-DEA**

With I-DEA, English language learners who face the largest language gaps are learning English quickly and in practical ways.

Like I-BEST, this project uses an integrated, team-teaching approach so students learn English in tandem with job skills and life skills. Classes are “flipped”: Students learn basic words and ideas online and cement their knowledge in class with the aid of instructors and peers. Computers and 24-hour internet access allow students to learn topics that matter most to them, anytime, anywhere.

**Competency-based education**

Many adult education courses are competency-based; students move through adult education into pre-college (remedial) or college-level courses based on knowledge gained rather than time spent in a classroom. Students move as quickly through courses as their competencies take them.

**High School Equivalency (HSE)**

Many people who did not finish high school have the same knowledge and skills as those who did graduate. By taking and passing a series of HSE tests, adults can demonstrate they have acquired the same level of knowledge. Washington state uses the four-part GED® tests for its HSE test.

Most colleges and employers accept an HSE credential as being equivalent to a high school diploma. SBCTC oversees the HSE testing program for the State of Washington. Those who meet the eligibility requirements may take the HSE tests at official test centers located throughout the state. You can find a local test center through the GED® Testing Service.

For general questions, contact Lou Sager at lsager@sbctc.edu.

**High School +**

High School + is a competency-based high school diploma offered at Washington’s community and technical colleges for adults who are at least 18 years old. Advisors look at transcripts and knowledge gained from life experience, and work with students to craft an educational plan to fill gaps. To receive a diploma, students must demonstrate competency in reading, writing, and
math in the context of science, history, government, occupational studies, and digital literacy.

Contact: Troy Goracke tgoracke@sbctc.edu

**Sports and Recreation**

Community colleges provide a variety of enrichment activities and programs, including intercollegiate athletics. Sports include basketball, baseball, cross country, golf, softball, soccer, tennis, track and field, volleyball and wrestling. Recognizing the time commitment of student-athletes, colleges may fund tuition Grants-in-Aid through scholarships of up to 40 percent of tuition costs. Visit the Northwest Athletic Conference website at [www.nwacsports.org](http://www.nwacsports.org) for details.

**Multicultural/Diversity and Student Leadership**

The multicultural/diversity and student leadership offices on our college campuses work to create an environment that welcomes everyone, encourages civic engagement and student involvement, and provides opportunities for student success. They offer events, programs, and spaces that promote understanding, celebrate diversity, and honor different points of view. Their commitment to diversity, social justice, and multiculturalism has earned prestigious awards across the state.

**Disability Student Services**

Campus disability support service offices ensure equal access to educational programs and services by providing consultation on accommodations (e.g. placement testing, classroom, assistive technology) for students with disabilities who are otherwise qualified for college.

The rights of students with disabilities are different in college from what they were in high school. It is important for high school students and their parents to plan appropriately for their students’ transitions to post-secondary institutions. Compared to services at public schools, the services provided by post-secondary institutions may seem minimal.

To be eligible for disability-related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

**Financial Aid**

Community and technical colleges award federal, state, college-based grants, and work-study based on the Free Application for Federal Student Aid (FAFSA) and Washington Application for State Financial Aid (WASFA).

**Financial aid deadlines vary. Check with the college of your choice for priority dates. We encourage students to apply early.**

Colleges widely recommend students planning to attend fall quarter 2020 adhere to the timeline set for College Bound students (February 1).

Those planning to attend winter or spring 2022 should also apply for aid by spring 2021.

See Admissions and Financial Aid chart.

**Scholarships**

A variety of scholarships may be available from each college based on financial need, program of study or major, academic merit, leadership or community service. Many colleges offer scholarships through their foundations or list scholarships at their websites.

**Most deadlines for fall 2021 scholarships** for graduating high school seniors offered by community and technical college foundations will be in February, March and April 2021.

**Tuition Waivers**

Certain populations are eligible for full or partial reduction of tuition. Tuition waivers vary by campus, so check with college registration offices.

Some examples: Oregon border county residents, military veterans, senior citizens, active duty military/Washington National Guard, children of deceased or disabled law enforcement officers and firefighters, families of fallen soldiers and families of disabled veterans, basic education.
About the Washington Student Achievement Council

The Washington Student Achievement Council (WSAC) is a nine-member council supported by a cabinet-level state agency. The Council’s mission is to advance educational opportunities and attainment in Washington. In pursuit of that mission, the Council:

- Leads statewide strategic planning to improve educational coordination and transitions.
- Supports Washingtonians through the administration of financial aid, two college savings plans, and support services.
- Advocates for the economic, social, and civic benefits of postsecondary education.

What’s New in 2020-21

Washington College Grant (formerly known as the State Need Grant)

The Washington College Grant continues to expand in 2020-21 with the new Pathway for Apprenticeship program. Additionally, the eligibility thresholds have increased and funds are guaranteed to all eligible students and apprenticeship participants.

Otterbot

Otterbot is a free texting service designed to help Washington students navigate financial aid for college and career education. Students can access Otterbot via text message 24 hours a day, seven days a week by texting "Hi Otter" to 360-928-7281.

Supporting Financial Aid Advising Days

WSAC’s 12th Year Campaign can support districts, schools and other organizations with implementing financial aid advising days. Visit www.wsac.wa.gov/12th-year-campaign to find and order free student materials, activities and trainings.

College Bound Scholarship – Deadline Exception

A special exception to the deadlines has been made for students eligible to apply for College Bound during eighth or ninth grade in the 2019-20 school year. This is due to the statewide school closure that was ordered under the state of emergency declared in response to the coronavirus pandemic. For these students only, the deadline to complete an application has been extended until November 30, 2020.

Passport to Careers program

The Passport to Careers program helps former foster youth and unaccompanied homeless youth prepare for and succeed in college, apprenticeships or pre-apprenticeship programs. Under the Passport to Careers program, there are two subprograms providing student with financial assistance and personalized support:

- Passport to College
- Passport to Apprenticeship Opportunities

More information can be found at www.readysetgrad.wa.gov/Passport or www.wsac.wa.gov/passport

College & Career Compass

compass.wa.gov
The College & Career Compass is a free online tool providing information on career and educational pathways. Interactive content is available to help students understand available educational opportunities, college costs and financial aid, and students supports. The online tool also matches users to schools and programs that align with their goals.

**Access and Support Programs**

**Ready Set Grad**

[Readysetgrad.wa.gov](http://readysetgrad.wa.gov)

Ready Set Grad is your resource to find, pay for, and complete the education path that’s right for you or the student in your life. The goal of Ready Set Grad is to ensure every student in Washington has access to the tools, information, and support they need to graduate high school and make college accessible and affordable. The Washington Application for State Financial Aid (WASFA) is housed at [readysetgrad.wa.gov/wasfa](http://readysetgrad.wa.gov/wasfa). This application is available to students ineligible for federal financial aid due to immigration status, but who may be eligible to apply for some state financial aid programs.

**GEAR UP**

[gearup.wa.gov](http://gearup.wa.gov)

GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federally funded program that provides high poverty school districts with resources to support them in preparing students for postsecondary options. Washington Student Achievement Council (WSAC), Central Washington University, Washington State University, University of Washington and the Highline School District lead GEAR UP programs serving over 35,000 students in 71 school districts. The WSAC led program serves over 5,500 students in 26 school districts. WSAC maintains a website of free resources available to schools, students, and families, including family newsletter templates, college visit resources, a scholarship listing, and more. There is also a page focused on COVID-related updates and resources.

**12th Year Campaign**

[wsac.wa.gov/12th-year-campaign](http://wsac.wa.gov/12th-year-campaign)

The 12th Year Campaign provides free trainings, materials and other resources to those working with students on admissions and financial aid applications. There are three models of participation, allowing sites to customize to their needs. The 12th Year Campaign also promotes the **Plus 5 Push** by encouraging sites using 12th Year Campaign resources and student-level FAFSA data from the secure WSAC portal to increase their financial aid completion by 5 percent.
College Savings Programs

GET

get.wa.gov

The Guaranteed Education Tuition (GET) 529 College Savings Program offers Washington residents a secure way to plan and save for higher education. As a prepaid 529 program, GET guarantees that accounts will keep pace with in-state tuition increases. 100 GET units will always equal one year of tuition and state-mandated fees at Washington’s highest price public university.

Accounts grow tax-deferred and remain tax-free when used for qualified education expenses – tuition, fees, room & board, books, supplies and more. GET units can even be used for trade school, apprenticeships, or to in some cases to pay down existing student loans. The GET open enrollment period is November–May each year. Learn more about GET at wastate529.wa.gov.

DreamAhead

DreamAhead.wa.gov

The DreamAhead 529 College Investment Plan is open to anyone in the United States and offers investment-based college savings options. DreamAhead investors can customize their saving portfolios based on their risk tolerance and student age. Like GET, growth on DreamAhead investments are not federally taxed when used to pay qualified education expenses. Learn more about DreamAhead at wastate529.wa.gov.

Scholarship Search

theWashBoard

thewashboard.org

TheWashBoard.org is committed to increasing access to scholarships and financial aid for Washington students. Launched in 2010, theWashBoard.org, a free, scholarship matching website for Washington students, is a simple and central scholarship search and application resource. Last year, nearly $12 million in scholarships were listed on TheWashBoard.org.

Need-based financial aid programs

College Bound Scholarship

collegebound.wa.gov

The College Bound Scholarship is an early commitment of state financial aid to cover tuition at public rates, some fees, and a small book allowance at over 65 eligible Washington postsecondary institutions. This commitment is fulfilled by Washington College Grant. The application is a two-step process. Typically, eligible students in 7th or 8th grade must begin an application by June 30 of their 8th grade year and complete it by August 31.
To receive the scholarship, high school students must fulfill program pledge requirements and meet residency and income requirements. Students must enroll within one year of high school graduation and receive four academic years’ worth of funds to be used within five years of high school graduation.

A special deadline exception for the 2019-20 application means a limited group of students may be eligible to apply in fall 2020. Please see “What’s New” in the WSAC section of this book to learn more.

**Passport to Careers Program**

[www.wsac.wa.gov/passport](http://www.wsac.wa.gov/passport)

This program offers two pathways for foster youth and unaccompanied homeless youth seeking a postsecondary degree or career training.

- **The Passport to College** program helps students successfully attend a postsecondary institution by providing a college scholarship and comprehensive support.
- **The Passport to Apprenticeship Opportunities** program helps students with career-related training under state approved apprenticeship or pre-apprenticeship programs. Support services and financial aid are provided through ANEW.

**Washington College Grant (formerly the State Need Grant)**

[wsac.wa.gov/wcg](http://wsac.wa.gov/wcg)

The Washington College Grant (formerly the State Need Grant) provides need-based financial aid to Washington students pursuing postsecondary education. Students who meet eligibility requirements can use the financial aid at Washington's eligible institutions, including public two- and four-year colleges and universities, and many accredited private/independent colleges, universities, and career schools in the state. In addition, participants may receive Washington College Grant funding for approved apprenticeship programs available through approved apprenticeship program providers.

In 2020-21, the eligibility thresholds have increased and funds are guaranteed to all eligible students and apprenticeship participants, making the Washington College Grant one of the most generous financial aid programs in the country.

**State Work Study**

[readysetgrad.wa.gov/college/state-work-study](http://readysetgrad.wa.gov/college/state-work-study)

State Work Study is financial aid for low- and middle-income students. Qualifying students get an approved on- or off-campus job to support their education. Work study builds students’ skills, increases their earnings, and reduces reliance on student loans. The state contributes to the wages of work study employees, so participating employers benefit from educated and motivated workers at a lower cost.

1 Find a complete list of eligible institutions at [readysetgrad.org/eligible-institutions](http://readysetgrad.org/eligible-institutions)
† Find program and income requirements at [https://readysetgrad.wa.gov/college/washington-college-grant](https://readysetgrad.wa.gov/college/washington-college-grant)
Merit-based financial aid programs

American Indian Endowed Scholarship
wsac.wa.gov/american-indian-endowed-scholarship

The American Indian Endowed Scholarship program provides educational scholarships on a competitive basis to high-achieving, low-income resident students who have close social and cultural ties to an American Indian tribe or community within the state. Recipients demonstrate academic merit and a commitment to serve the American Indian communities in Washington.

College-Readiness and Transfers

Dual Credit
readysetgrad.org/grad/college-credit-high-school

Dual-credit programs allow students to earn high school and college credit simultaneously. Students can earn dual credit by completing college courses (e.g. Running Start, College in the High School, and CTE Dual Credit) or by earning certain scores on standardized exams (e.g. Advanced Placement, International Baccalaureate, and Cambridge International). Students who earn college credit are more likely to graduate from high school, enroll in college, and complete college degrees.

Helpful resources for counselors include the following:
Handout comparing dual credit programs
https://www.wsac.wa.gov/sites/default/files/Dual.Credit%20%28002%29.pdf
Dual credit look up tool (to gauge how test scores may be accepted as college credit):
www.readysetgrad.org/rsg_cred_wiz/form
Comparison of Dual Credit Programs:

Transfers
wsac.wa.gov/transfers

Washington’s public community and technical colleges offer transfer associate degrees that make it easier for students to transfer to bachelor’s programs in Washington. These degrees transfer to all public and most private four-year colleges and universities.

There are three different transfer associate degrees:
- Direct Transfer Agreement (DTA) Associate Degree: Meets most lower division general education requirements at four-year colleges and universities
- Associate of Science – Transfer (AS-T) Degree: For students who want to earn a bachelor's degree in engineering or science
- Major Related Programs (MRPs): DTA and AS-T plans that prepare students for bachelor’s degrees in specific majors such as business, nursing, and computer science

Once admitted to a participating bachelor’s degree program, students who complete transfer degrees can generally expect 90 transferrable quarter credits and junior class standing.
College Admissions

Washington colleges have different admission policies, and some are more selective than others. Public community and technical colleges have an open-admission policy. WSAC works with partners in K-12 and higher education to set minimum admission standards for the state’s public baccalaureate schools.

Comparison Table

Helpful resources for counselors include the following:
Graduation requirements: www.sbe.wa.gov/our-work/graduation-requirements
Information about waivers: www.sbe.wa.gov/our-work/waivers (view “Applications for Waiver of Implementation of the 24 Credit Framework for Up to Two Years” and “Waivers Granted from the Credit-Based Graduation Requirements”)

Students seeking admission to a four-year public college in Washington must meet the credits required in the minimum college admission standards. In addition, students interested in college athletics and athletic scholarships must meet NCAA academic eligibility requirements, available at www.ncaa.org/student-athletes/play-division-i-sports.

The comparison table on the following page shows relationships among different types of coursework requirements.
Complete the credits and courses for high school graduation and beyond

Check with your school district for a complete list of high school graduation requirements. To be considered for admission at a four-year public college in Washington, successfully complete the credits required in the minimum college admission standards. Note that a third credit of science (it does not need to be lab-based) will be required for students entering college summer or fall of 2021 and beyond. For college athletics and athletic scholarships, successfully complete the courses in the NCAA academic eligibility requirements.

These are the MINIMUM requirements. Improve your chances of success by going beyond the minimum.

### High School Graduation
Check with your counselor to find out if your district has additional requirements.

### Four-Year Public College Admissions
Explore the colleges you’re interested in to see if they require more than the minimum.

### NCAA Division I Athletics
These credits and courses are required to participate in Division I athletics or to receive an athletics scholarship.

Introduction
Celebrating 80 years in 2020, Bates Technical College has delivered quality career education with a focus on hands-on learning. Located in the shadow of Mount Rainier in the state’s second-largest county, the college boasts three vibrant and unique campuses throughout Tacoma — including the award-winning Advanced Technology Building, which houses engineering, information technology and digital media programs. Bates offers a variety of exciting and satisfying programs that deliver practical and concentrated hands-on education, while also providing an affordable, accessible path toward employment.

Programs
Students receive cutting-edge instruction in a variety of academic disciplines and professional areas. BC offers the following education categories:
- **6 transfer associate degrees** (the first two years of college). BC sends more graduates to four-year colleges and universities than any other college in Washington state.
- **104 professional-technical programs,** including 20 associate degree programs and 67 certificate career-preparation programs, in business, accounting, information technology, health sciences and other fields, including Digital Marketing AAS-T, Medical Billing and Coding and Medical Assistant certificates.
- **12 bachelor’s degrees:** Bachelor of Science degree in Computer Science, Nursing (RN--BSN), Bachelor of Applied Arts in Interior Design, and 9 Bachelor of Applied Sciences degrees in Applied Accounting, Data Analytics, Digital Marketing, Health and Wellness, Healthcare Informatics, Healthcare Management and Leadership, Information Systems and Technology, Molecular Biosciences, and Radiation & Imaging Sciences.
- **Basic Education for Adults**, High School Equivalency, GED® preparation, English as a second language, and courses to improve reading, writing, grammar, and math skills.
- **Tombolo Institute provides programs** in high quality, real-world corporate training, career education, and non-credit comprehensive certificate programs. **Community Education** provides personal enrichment courses plus engaging courses for teens. **Telos** is BC’s special programming for retirees.
- **Workforce Development:** Bellevue College is a proven leader in workforce development, offering affordable education for high-demand jobs. We provide services and financial support to help a wide range of people find jobs, including dislocated workers, veterans, single-parents and low-income students.

On-campus student housing: Can accommodate up to 400 students in a variety of suites and apartments. For info and digital tour, visit www.bellevuecollege.edu/housing/
Admission Requirements and Criteria
For Students Entering Fall 2020 –
Bellevue College admits:
• Eligible applicants who are at least eighteen (18) years of age, or are a high school graduate, hold a GED or other equivalent high school credential.
• High school students who apply under the provisions of a Washington State student enrollment options program such as Running Start, Career Education Options (CEO), or Summer Enrichment.
• Underage students on a case-by-case basis, and as determined by the Dean of Student Central.
• Selected applicants to specific programs with selective admission criteria. Due to enrollment limitations, these programs may not admit all qualified applicants.

Application Process/General Admission: New Students
New students must take the following steps before registering for classes:
• Complete the online admission application by the deadline for the quarter they wish to begin taking classes.
• An admission fee is charged, but students do not pay the fee until they pay their first quarter tuition.
• Obtain English and math placement using one of the options listed on the Testing & Placement Services website.
• A Placement fee is charged, but students do not pay the fee until they pay their first quarter tuition.
• Attend a new to Bellevue College orientation or information session.
• Follow directions provided in the "Welcome Letter" email, sent shortly after submission of the admission application. Students who are new to college are required to take a First Year Experience (FYE) class before completing their first quarter of classes.

Prospective and new students may contact the Welcome Center for assistance and detailed information about the college and the admission process and requirements.

Deadlines & Fees:
Priority admission: May 1
Fall Final Application Deadline: September 8

**About the College**

Bellingham Technical College, located in Whatcom County, offers high-quality education in a supportive, student-first environment. We prepare students for high-wage, high-demand careers. With more than 39 associate degrees and 55 certificates, students can choose programs in fields ranging from Accounting to Machining, Nursing to Process Technology and Culinary Arts to Fisheries & Aquaculture Sciences. BTC students can take advantage of many transfer opportunities, including more than seven Direct Transfer/Major-Related Program degrees, including:

- Business
- Computer Science
- Engineering Technology (multiple paths)
- Pre-Nursing

BTC offers two Bachelor of Applied Science degrees, in Engineering Technology and in Operations Management. These two-year degrees can be added on top of an existing associate or bachelor’s degree and will prepare students for higher paying positions in a variety of industries and businesses.

**Admission Requirements and Criteria**

BTC welcomes applications from students who are at least 18 years of age or a high school graduate, or those who have applied for admission through special programs such as Running Start and IMPACT! (students who do not have a high school diploma or equivalent are not eligible for financial aid).

**Dual Credit Options**

Dual Enrollment options allow high school students to take classes that will apply towards both high school and college credit. Students can earn dual credit on their High School campus via the CTE Dual Credit (Tech Prep) or AP (Advanced Placement) programs. They can also earn dual credit on BTC’s campus through our Running Start program. Learn more about all of BTC’s dual credit options at www.btc.edu/DualEnrollment.

**Running Start**

Running Start allows qualified high school juniors and seniors, including public, private and home school students, to receive college credit while completing high school requirements. Students are enrolled simultaneously in high school and college classes (or just college classes) and are awarded dual credits by their high school and college. Learn more online at www.btc.edu/RunningStart.

**IMPACT! Youth Re-Engagement**

IMPACT! is a free, flexible program that helps students who have dropped out or are significantly behind in credits create a path to academic and career success. Students get free tuition at BTC and academic support as they work toward their GED and continue on for an associate degree or certificate. www.btc.edu/Impact
**CTE Dual Credit**
Career and Technical Education (CTE) Dual Credit provides career pathways for high school students. High school and college instructors work together to choose CTE courses that meet entry-level requirements for comparable college courses, so that students may be able to receive BTC credit while still in high school.

**Financial Aid**
Phone: 360-752-8351  
Email: finaid@btc.edu  
Website: [www.btc.edu/FinancialAid](http://www.btc.edu/FinancialAid)  
School Code: 016227

**Priority Financial Aid Dates**
BTC accepts FAFSAs and WASFAs on a rolling basis, but recommends that students begin the application process at least two months prior to the suggested deadline dates for best results:

- **Fall quarter**: July 1
- **Winter quarter**: November 1
- **Spring quarter**: February 1
- **Summer quarter**: May 1

**Housing**
BTC is located in a residential area near the Birchwood and Columbia neighborhoods where apartment, condo or house rentals and purchase opportunities are plentiful.

**Campus Visits**
Join us for campus tours, Running Start information sessions, program information sessions, advising and registration sessions, and more.

Email: [admissions@btc.edu](mailto:admissions@btc.edu)  
Website: [www.btc.edu/tours](http://www.btc.edu/tours)  
Phone: 360-752-8345

**Student Life**
The Associated Students of Bellingham Technical College (ASBTC) leads student government, hosts campus events and activities throughout the year, and students participate in clubs such as Phi Theta Kappa, Culinary Club, Genders & Sexualities Alliance, and student chapters of professional organizations, such as the Student Nursing Organization and the American Welding Society.
BTC has an attractive campus and fosters a welcoming campus environment. Come check out the Student Center in the Campus Center building. The Student Center is a great place for student and club gatherings, and has study spaces for students.
Big Bend Community College

7662 Chanute Street NE
Moses Lake. WA, 98837

Website: www.bigbend.edu

Student Profile
Total Enrollment: 2,090 FTE
Headcount: 4,197

Students receiving need-based financial aid: 39%
Students receiving any financial aid: 76%

Program Intent
College/University Transfer: 46%
Workforce Developmental: 29%
Adult Basic Education: 13%
Unclear: 1%

Admission Requirements & Criteria

General Eligibility
BBCC accepts all applicants who are 18 years of age or older. Those under 18 years of age who have graduated from an accredited high school, have an equivalent certificate, e.g., the General Education Development (GED) Test, or qualify as a Running Start student will be admitted. Applicants who are younger than 18 and who do not meet these requirements must provide BBCC with a written release from their school principal authorizing BBCC to admit them. All applicants must be 16 years of age or older unless they have graduated from high school or are part of a state approved program such as Running Start. Some programs have specific admission procedures and limited space; therefore, admission to BBCC does not guarantee admission into all programs. Students enrolling in a degree program must apply for college admission. BBCC will assign an advisor, evaluate transfer course work and maintain a student file for officially admitted students. Registration priority is given to students who have been officially admitted to BBCC.

Housing
Cascadia does not offer on-campus housing. Room and board estimate is based on standard market rates in the area.
Student Life, Recreation, Resources

The Activities and Recreation Center (ARC) at Cascadia College and UW Bothell offers a fitness center, food trucks, a game room, meeting and event spaces, and student resources.

The Health & Wellness Resource Center (HaWRC), located in the ARC, is a one-stop hub connecting students with on-campus and community resources to help them thrive. In partnership with the United Way Benefits Hub, the center provides resource connections, financial coaching, and public benefits enrollment.

The Kodiak Cave is an emergency food resource center located on campus that directly serves the student body of Cascadia College. Kodiak Cave’s mission is to end hunger on our campus by providing nourishing meals, education and resources to our community. It currently operates as a "choice pantry", meaning guests will be able to pick the food that best meets their needs. This gives guests dignity and reduces food waste. Beginning March 2020, Kodiak Cave opened for curbside pick-up and weekly deliveries.

New Degrees & Programs

Cascadia offers a Bachelors of Applied Science in Mobile Applications. Learn the skills necessary to land jobs such as application developers, front end developers, and software developers, where the median entry-level salary is $69,000. Cascadia offers the only BAS degree in the state with a focus on mobile application development.

Homeland Security AAS-T is a mix of in-person and online courses designed to prepare the next generation of emergency management and policy leaders with the knowledge and skills they need to improve outcomes in disasters of all types.

New Buildings

The West Garage will add 600 parking spaces on campus and open Fall Quarter 2020.

STEM 4, a joint venture with UW Bothell, was funded by the legislature during the 2018-19 session, and currently in the design phase. It will house classrooms, labs, study spaces, and faculty offices for both institutions.

Admission Requirements and Criteria
General Eligibility
Applying to Centralia College is easy. There’s no application fee and applications are accepted throughout the year for most programs.

For general admission, students must be 18 years of age or older, and have a high school diploma or GED certificate. There are special admission requirements for students younger than 18. For detailed information, visit www.centralia.edu.

Centralia College also offers classes for adults seeking a GED or Adult High School Diploma, or those needing to learn the English language. For more information, visit www.centralia.edu.

Deadlines & Fees
Regular Application Deadline: Applications are accepted throughout the year for most programs.
Application Fee: $0
Application Fee Waiver: N/A

Selective Admissions Programs
The Nursing and Bachelor of Applied Science programs have unique admissions procedures, deadlines, and application fees. For detailed information, visit the Centralia College website at www.centralia.edu.

Dual Credit Options
Running Start
Centralia College has a robust Running Start program for eligible high school juniors and seniors to earn college and high school credits at the same time. Dedicated Running Start counselors and advisors ensure students are supported and set up for success. For more information, visit the college website at www.centralia.edu.

College in the High School
Juniors and seniors in high school may be eligible to enroll in college-level classes in their high schools. Classes are taught by high school teachers and reflect the same academic standards as classes offered on the college campus.

Interested students should contact their school district for information about class availability, schedules, and the application process.

Admission Requirements and Criteria
For students entering in Fall 2020

General Eligibility
EC has an open admission policy. All students are admitted if they are 18 years of age or older or are high school graduates (or GED equivalent).

Deadlines and Fees
Admissions information: edcc.edu/es/apply
Application link: edcc.edu/getting-started/admissions/new-student.html
Application fee: None

Admissions Information
425-640-1000, 425-640-1159 (fax)
info@edcc.edu, edcc.edu/es

Selective Admissions Programs
The Nursing Program at EC prepares individuals to become Licensed Practical Nurses (approved by the Washington State Nursing Care Quality Assurance Commission). Graduates earn a certificate of proficiency in practical nursing. More at edcc.edu/lpn.

The Child, Youth, and Family Studies - Bachelor of Applied Science is an interdisciplinary degree that provides advanced knowledge and skills for professional positions in educational settings for young children and social services programs for youth and families. More at edcc.edu/cfys.

Train for in-demand, high-wage jobs in software and systems development or computer programming with a new Information Technology – Application Development Bachelor of Applied Science degree. More at edcc.edu/itad.

General Information
More than 10,300 students, including more than 1,200 international students from 62 different countries, enroll every quarter for credit toward a certificate or degree. Students may:
• Begin a bachelor’s degree by earning a two-year transfer degree to prepare for a four-year university. Students may also complete a bachelor’s degree on the EC campus at CWU-Lynnwood.
• Develop skills for career fields: business, health care, technology, construction management, culinary arts, early childhood education, engineering, event planning, horticulture, hospitality and tourism, paralegal, project management, and social and human services.
• Get customized training for businesses at the Business Training Center, train for aerospace careers at the Washington Aerospace Training and Research Center, and take Community Education non-credit classes that encourage lifelong learning and personal enrichment.

Dual Credit Options
Tech Prep, College in the High School, and Running Start. edcc.edu/highschool

High School Options
EC offers options for students to earn their high school diploma or equivalent. Students can develop an individualized path to success, finish what they've started, and plan next steps. Our program offerings include: GED prep, EdCAP (Open Doors/Youth Re-engagement), Adult High School, International High School, High School + adult diploma, and I-BEST. Many of these options offer
free or reduced tuition. Learn more at edcc.edu/precollege or call 425-640-1593.

Estimated Annual Expenses
Full-time (12 credits per quarter, three quarters) in 2020-21 (subject to change)

Other Aid and Scholarships
Current or future students may apply in March of each year for an EC Foundation Scholarship for the upcoming academic year at edcc.edu/foundation. Full-time, part-time, and international students may qualify based on financial need, academic success, and community service with awards that range from $1,000 to $4,500. Current Running Start students are not eligible.

Student Housing and Residence Life
425-640-1080 or edcc.edu/housing
Rainier Place Residence Hall: (16 and older) on campus four-story residence hall for 180 students. Features security card controlled access, furnished rooms, weekly programs, two Resident Assistants (RAs) per floor, laundry room, community rooms, WiFi, parking, and student leadership opportunities.

Triton Court Residence Hall: (16 and older) on campus five-story residence hall for 220 students. Features security card controlled access, furnished rooms, weekly programs, two Resident Assistants (RAs) per floor, laundry room, community rooms, WiFi, parking, and student leadership opportunities.

Homestay: (16 and older) living with a local Edmonds College host family. Single furnished room with three meals a day and family support.

Campus Visits
Sign up for a 45-minute campus tour lead by EC students who combine knowledge of our campus with firsthand experience to highlight campus life. edcc.edu/tour, outreach@edcc.edu, or 425-640-1706

Student Life
The Center for Student Engagement and Leadership offers ways to get involved. Learn more about clubs, activities, student government, student publications, and leadership opportunities on campus at edcc.edu/csel.

Sports and Recreation
Intercollegiate and intramural sports are offered each quarter. Intercollegiate athletics are men’s and women’s cross country, men’s and women’s soccer, men’s and women’s basketball, men’s baseball, women’s volleyball, and women’s softball. Seasonal intramural activities include badminton, soccer, volleyball, basketball, and ping pong.

Seaview Gymnasium has a weight room, dance and aerobics room, basketball court, gender neutral restrooms, and locker rooms and showers.

Services for Students with Disabilities
SSD provides accommodations to students managing conditions to ensure equal access to all education experiences at EC. 425-640-1320, 425-640-1622 (fax), 425-354-3113 Video Phone or ssdmail@edcc.edu

Office of International Programs
Offers admissions, advising, cultural support, and activities for international students, and Study Abroad opportunities for the campus community. 425-640-1518, iss_desk@edcc.edu edcc.edu/international

Housing
EvCC has two student housing buildings, Mountain View and Cedar Hall. Mountain View has 120 private, furnished apartments, each with its own bathroom and kitchen area. Cedar Hall has studio, three-bedroom, and four-bedroom apartments for 132 students.

Units can be leased for one to four quarters. Rent includes all utilities and wireless internet. On-site staff is available to assist students, and buildings are protected by Campus Safety & Security.

Application and more information for both buildings is available at EverettCC.edu/Housing

Campus Visits
Phone: 425-388-9100
Website: EverettCC.edu/Tour
Locations
EvCC’s north Everett campus is located on 40 acres with 19 classroom and lab buildings. EvCC also offers classes at its East County Campus in Monroe, Aviation Maintenance Technical School at Paine Field, Corporate & Continuing Education Center in south Everett, School of Cosmetology in Marysville, and at several other locations in north and east Snohomish County.

Pathways, Programs, and Degrees
EvCC has eight pathways, which are groups of related degrees and certificates. Each pathway has a team of academic advisors who work with students to create an education plan.

The college offers more than 90 programs, including university transfer degrees and certificates for technical and career fields.

Aerospace
EvCC is the home of the Washington State Center of Excellence for Aerospace and Advanced Materials Manufacturing and offers degree programs, certificates, and continuing education for in-demand jobs in the aerospace industry.

Advanced Manufacturing
EvCC’s Advanced Manufacturing Training & Education Center (AMTEC) offers six programs to train students for in-demand jobs.

All programs are short, stackable and lead to a professional certificate or college degree. Students learn about the manufacturing process from start to finish as they complete interdisciplinary projects like creating unmanned aerial vehicles, rockets, robots and paddle boards.

More information: EverettCC.edu/AMTEC.

Nursing
EvCC’s Nursing and Health Sciences building includes hospital-like classrooms and a clinical simulation lab.

Engineering
After earning an associate degree, engineering students can stay on EvCC’s campus to earn a bachelor’s degree in mechanical engineering through Washington State University Everett.

Visual Arts
EvCC’s visual arts program includes photography, studio art (drawing, design, painting, ceramics, sculpture and printmaking), and visual communications (graphic arts, digital illustration, and web design).

Four-Year Degrees at EvCC
Everett University Center, coordinated by Washington State University, is located at EvCC’s campus. The University Center offers bachelor’s and master’s degree programs through partner universities: WSU, University of Washington Bothell, Western Washington University, Eastern Washington University, and Hope International University.

Sports and Recreation
Intercollegiate Athletics:
EvCC has 11 athletic teams, including:
- Men’s & Women’s Basketball
- Men’s and Women’s Cross Country
- Men’s and Women’s Track and Field
- Men’s and Women’s Soccer
- Men’s Baseball
- Women’s Softball
- Women’s Volleyball

EvCC also has a 49,000 square foot Student Fitness Center that has a gym with bleacher seating for 2,250, a cardio and free weight training room, a climbing wall and running track.

Student Life
EvCC has more than 40 student clubs, student leadership opportunities, student government, and a wide variety of events and activities, including live music, an art gallery, theater, speakers and all-campus celebrations.

Housing
Green River offers student housing through the Campus Corner Apartments, which can accommodate up to 340 students. Each four-bedroom unit is fully furnished and available for registered students enrolled in at least three of four quarters (during a 12 month lease) with a minimum of 10 credit hours per quarter, or registered as a student in a program approved by Green River. The student must also be at least 17 years to sign the lease.
Phone: 253-876-0700
Email: studenthousing@greenriver.edu

Campus Life
Students at Green River are encouraged to get involved and engage in the college experience through Campus Life. Many students become student leaders in activities ranging from clubs and organizations, to music, athletics, cultural/educational/social programming, student government, peer mentoring and service learning.

We even offer degree-specific opportunities with Green River’s student newspaper, The Current, and broadcasting opportunities with our student-operated radio stations, KGRG and KGRG 1.

Sports and Recreation
Green River offers several sports for college athletes:

Women’s Sports: Basketball, cross country, golf, soccer, volleyball and track and field

Men’s Sports: Baseball, basketball, cross country, golf, and track and field

Phone: 253-833-9111, ext. 2482

highline.edu

Introduction
Highline College is nationally and internationally recognized as a premier college, a reputation earned through the development of an institutional culture that values innovation, globalization of curriculum and community participation. Founded in 1961 as the first community college in King County, located just south of Seattle, Highline now offers applied bachelor’s degrees in six high-demand programs.

Diversity and inclusion are bedrocks of the institution. In 2014, this commitment earned the college the prestigious Award of Excellence for Advancing Diversity from the American Association of Community Colleges, recognizing Highline as a leader among the nation’s community colleges for increasing diversity as well as educational and social justice equity. Highline is also a four-time winner of the HEED Award and the 2016 winner of the ACCT Equity Award for the Pacific Region. These awards speak to the college’s support of historically disadvantaged and underrepresented individuals in postsecondary education.

Accreditation
Northwest Commission on Colleges and Universities

Student Profile
Highline is the most diverse higher education institution in the state, with more than 70% students of color. Highline is designated as a Minority-Serving Institution by the U.S. Dept. of Education. Total Enrollment: 16,607 students (2018-19)
Faculty/Student Ratio: 1:17

Program Intent
College/University Transfer: 46%
Professional-Technical: 16%
Basic Skills: 34%
Applied Baccalaureate: 2%

Admission Requirements and Criteria

General Eligibility
- Any applicant who is at least 18 years old or who has completed high school.
- Those under 18 who have not completed high school are admitted conditionally; these students need to be also admitted into one of our high school programs (e.g., ELL ExCEL, Pathway to College, Running Start)

Selective Admissions Programs
AAS programs: admissions.highline.edu/apply/aas-selective-admissions
- Registered Nursing
- Respiratory Care

High School Programs: highline.edu/what-we-offer/finish-high-school/
- Associate Degree Earns High School Diploma

Designed for Student Success
North Seattle College is located on I-5 in the Northgate area, directly across from the site of the new Northgate Link Light Rail station. The campus is in a residential neighborhood, close to Seattle’s popular Greenlake Park. The campus includes environmentally sensitive wetlands, which have inspired a college-wide commitment to sustainability.

Start sooner, study smarter & get the job you want! WA state juniors and seniors who are enrolled at a public high school are invited to apply for Running. Students may receive free or reduced cost tuition for up to 15 college credits.

Take two years of college classes, tuition free. The Seattle Promise Scholarship and Success Program at North will provide two years (or up-to 90 credits) of tuition-FREE college and enhanced support services for all Seattle public high school graduates. North Seattle College offers five bachelor of applied science degrees and is proud to launch its fifth B.A.S. program in Accounting with International Accounting this fall 2020.

Student Profile
Total Enrollment: 16,170
Faculty/Student Ratio: 21

Program Intent
College/University Transfer: 55%
Professional-technical: 40.1%

Admission Requirements and Criteria
Pierce College has an open-door admissions policy, practices equal opportunity, and does not discriminate in its educational programs. No one is denied admission to the college because of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal.

Anyone who is 18 years of age or older, or whose high school class has graduated, or is a high school graduate or has earned a GED, or has qualified for admission through Running Start or a successor program, may enroll at Pierce College. Students who are 16 or 17 years of age and do not meet the minimum admissions standards, must obtain written permission from the school district of residence before being accepted for admission and/or enrolling in Pierce College courses.

As a policy, Pierce College does not admit students under the age of 16. Under certain circumstances, special consideration may be given to students who petition for an underage admission exception. Students should begin the petition process at least 30 days prior to the start of the quarter they wish to attend by contacting the admissions office.

Special Admissions Programs
Some programs, such as the Bachelor of Applied Science degrees, Veterinary Technology, and Nursing, have special admission requirements.

Requirements for non-U.S. Citizens
Students who are not U.S. citizens must present a Permanent Resident card, I-94, or other immigration documentation at the time of application or registration so that residency for tuition-paying purposes may be determined. In addition, individuals on non-immigrant visas must meet additional admission requirements.

Admissions Fees
There is no admission fee.

Housing
The Center for Global Scholars is a residence hall where domestic and international students come to live and learn together. For more information on the Center for Global Scholars, please visit https://www.pierce.ctc.edu/ie-cgs.

Dual Credit Options
Running Start
Through the Running Start program, high school students may enroll in up to 15 college-level credits (based on students’ combined high school and college enrollment) per quarter tuition-free. To be eligible, a student must:
• Be a junior or senior
• Qualify for English 101 and demonstrate college level reading ability through Accuplacer assessment or other placement methods.
Students attending private schools must enroll in the public high school they would otherwise attend for funding purposes. Home-schooled students must inform their local school district that they will be participating in Running Start, file an Intent to Home School form, and be evaluated as a junior or senior by their local school district.

For more information on the steps to get started, please visit the Running Start website at https://www.pierce.ctc.edu/running-start.

Sports and Recreation
Raider Athletics participates in the highly competitive Northwest Athletic Conference (NWAC), which is composed of 36 regional members in Washington, Oregon, Idaho and British Columbia. The Raiders field teams for women in basketball, cross country, soccer, softball, and volleyball; and for men in baseball, basketball, and soccer. Pierce College Fort Steilacoom serves as home for the baseball, men’s and women’s basketball, women’s cross country, and volleyball teams. Pierce College Puyallup is home for the men’s and women’s soccer and women’s softball programs. Pierce College also provides opportunities for students to show their school spirit on the Raider Cheer Squad and Raider Mascot Team.

Raider Athletics has a rich tradition of success, dating back to the program's inaugural season in 1968-69, when the college first participated in men's basketball. Raiders teams have won conference championships in softball ('82), soccer ('92), and baseball ('12). More info can be found at www.PierceRaiders.com.

Excellence in Student Success
Pierce College Fort Steilacoom was recognized by the prestigious Aspen Institute with a Rising Star award for dramatically improving student outcomes. This award places Pierce College in the top five best community colleges in the nation. Pierce received the honor thanks to improved student retention and completion over time, a commitment to equitable outcomes for students, service to military students and their families, and a dedicated focus on helping all students overcome obstacles. The college’s completion and transfer rate of 59 percent is nearly 20 percentage points above the national average.

Pierce College has also increased its graduation rate by 108 percent over the past eight years. Thanks to its proven track record of achieving new, higher student outcomes and narrowing equity gaps, Pierce College was named a Leader College of Distinction by Achieving the Dream.

Student Life
Pierce offers a variety of clubs and activities. In addition, Pierce has chapters of Phi Theta Kappa, the national honors society for two-year colleges.

The Fort Steilacoom campus features the 58-seat Science Dome, which has become the only digital planetarium of its kind in the South Puget Sound region. The Science Dome offers live astronomy presentations, full dome videos on a 38-foot domed screen, interactive children’s shows, K-12 field trip, Pierce College class instruction, special events and more.

Students Succeed at RTC

Renton Technical College meets students where they are and moves them forward to college and career success. RTC serves the needs of our diverse student body, as well as the community, businesses, and industry. Renton Technical College is committed to student success, equity, and inclusion. RTC is consistently ranked as one of the top two-year colleges in the country. RTC’s completion rate of 66 percent is the highest in the state, and the job placement rate is 82 percent. More than 60 percent of students identify as students of color.

RTC is in the second year of a five-year, $1 million grant to implement Guided Pathways, designed to create educational and career tracks to remove barriers and help students finish faster.

The college offers short- and long-term career training in Advanced Manufacturing, Business, Culinary Arts, Health and Human Services, Information Technology and Transportation Technology, as well as college transfer options.

Programs
College Transfer
Students can take their first two years of college here, where we offer smaller classes taught by talented instructors dedicated to helping them reach their goals. Then, students can transfer their credits to a four-year college or university to finish their bachelor’s degree.

Professional/Technical
Seattle Central offers a variety of career preparation short-term certificate, associate degree and applied bachelor’s degree programs to help students launch successful careers including:

Business Technology Management
Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship
Creative Arts
Graphic Design, Apparel Design and Visual Media

Culinary
Culinary Arts and Specialty Desserts & Breads

Healthcare
Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management, Nursing, Surgical Technology and other Allied Health fields

Information Technology

Maritime
Marine Engineering Technology and Marine Deck Technology

Social & Human Services

Wood Technology
Carpentry, Cabinetmaking and Marine Technology

*Bachelor's of Applied Science degrees indicated in bold.

Basic Studies
These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

Dual Credit Options
Running Start
This program gives students a “running start” on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information: seattlecentral.edu/programs/high-school/running-start

Other High School Programs
Seattle Central currently offers TechPrep and other programs to help local high school students start earning college credit while in high school. More information: seattlecentral.edu/programs/high-school

I-BEST (Integrated Basic Education and Skills Training)
This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic skills and workforce skills at the same time. More information: seattlecentral.edu/programs/basic-and-transitional-studies/i-best

Student Life
Student Support Services
Tutoring, advising, counseling, multicultural services, veteran’s services, and women’s programs. Workforce Services, TRiO, MESA, College Success Program and other programs also support qualifying students throughout their time at Seattle Central.

Student Clubs/Organizations
Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

Campus Events
Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including: concerts, an annual Unity Fair, art events, panel discussions and more.

Sports and Recreation
Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.

Website: spscc.edu/pay-for-college  
Scholarship Website: spscc.edu/scholarships

**FAFSA Deadlines**

Submit FAFSA starting Oct. 1 for the next school year. Priority deadlines are:
- Summer 2020 – March 13, 2020
- Fall 2020 – June 12, 2020
- Winter 2021 – Oct. 26, 2020
- Spring 2021 – Jan. 22, 2021

School Code: 005372

**Housing**

We do not offer on-campus housing, but do offer a housing program and emergency housing support.

Website: spscc.edu/personal-support/housing-basic-needs

**Campus Visits**

Admissions Info Session or Campus Tour – Dive into admissions, financial aid, assessment and placement, and more at our one-hour group info sessions online.

Start Here Desk – Just starting to explore college? A quick introduction to our enrollment steps may be just what you need.

One-on-One Appointment – If you have degree questions, you can get them answered by an Educational Planner at the New Student Advising and Registration orientation (NSAR).

Phone: 360-596-5440  
Email: outreach@spscc.edu  
Website: spscc.edu/visit

**Sports and Recreation**

SPSCC Clipper Athletics compete in the Northwest Athletic Conference (NWAC) Western Region for:
- Women’s volleyball
- Men’s soccer
- Women’s basketball
- Men’s basketball

The Clipper Athletics programs at South Puget Sound Community College provide opportunities for men and women to participate in highly skilled, competitive intercollegiate sports. These programs greatly contribute to the academic success of our student-athletes while giving students an opportunity to play sports during their first two years of college.

Phone: 360-596-5469  
Email: athletics@spscc.edu  
Website: spsccathletics.com

**Workforce Transitions**

For students ready to get into the workforce quickly, our technical certificate and degree programs can be the perfect path. Our Workforce Transitions programs provide financial support to help connect students with a path into a high-demand, high wage career. These programs can support:

- Professional technical training (over 30 degrees and certificates available)
- Job skills training—specific skills needed to gain employment
- Pre-college skills (diploma, GED®, basic skills, or ESL) to prepare for career training

Each program has different criteria and requirements, but SPSCC has tools and experts to help each student find funding that will put them on a solid path to completion and employment.

Spokane Community College

1810 N. Greene St.
Spokane, WA 99217-5399

www.scc.spokane.edu

Student Profile
Total Enrollment: 21,874
Faculty/Student Ratio: 1:17

Program Intent
College/University Transfer: 26%
Professional-technical: 47%

Admission Requirements and Criteria

General Eligibility
Spokane Community College has an open door admission policy that allows anyone who has graduated from high school, completed the requirements for a GED certificate or who has special permission from the Vice President of Student Services (or designee). You may begin your college study at the beginning of any quarter (fall, winter, spring or summer); however, you should be aware that some programs of study only begin during certain quarters.

To enroll at SCC
1. Apply online at www.scc.spokane.edu/apply
2. Apply for financial aid at www.fafsa.gov
3. Complete math placement assessment
4. New Student Orientation
5. Register for classes

Selective Admissions Programs
- Diagnostic Medical Sonography
- Nursing
- Radiology Technician
- Respiratory Care
- Echocardiography
- Dental Assisting

Dual Credit Options
Running Start
Juniors and seniors in high school can earn college credit and high school credit at the same time through Running Start. Students can attend tuition-free up to 15 credits. Classes are regular SCC courses taught on campus.

College in the High School
SCC also has agreements with high schools to offer College in the High School, which are college-level courses delivered by high school teachers under the mentorship of SCC faculty. Students must be at the junior or senior level to participate and meet grade point average or test score eligibility.

Housing
Walla Walla Community College does not have on-campus housing or a housing director. However, we have compiled resources that may be helpful in finding the best housing option for you. Please check www.wwcc.edu/housing or call 509.527.4262 for more information.
Sports and Recreation

Walla Walla Community College offers a wide variety of athletic opportunities for prospective student athletes. In the Fall, Warrior Field on the front of campus hosts Men’s and Women’s Soccer, while Volleyball takes center stage in the Dietrich Center – often referred to as ‘The Dome’. The Winter quarter sees The Dome taken over by the Men’s and Women’s Basketball while the Spring months offer Baseball, Softball, Men’s and Women’s Golf and Rodeo. The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.
Program Intent
College/University Transfer: 43%
Professional-technical: 44%

Admission Requirements and Criteria

General Eligibility
Wenatchee Valley College maintains an open enrollment policy for all students who are high school graduates, have earned a General Education Development (GED) certificate or are at least 18 years of age. Otherwise, you may apply for special admission.

Deadlines & Fees
Regular Application Deadline: two weeks before classes begin
Application Fee: No
Application Fee Waiver: N/A
Other Fees: Registration fee, $30/quarter (Wenatchee campus). Technology fee, $65/quarter (Wenatchee campus), $30/quarter (Omak campus). Student recreation center fee, $5/credit, $75/quarter maximum (Wenatchee campus). Omak comprehensive fee, $1.50/credit, $15 maximum.

Selective Admissions Programs
Qualified applicants who have met the prerequisites for the allied health program of their choice are considered of equal merit and equally qualified to be accepted into a limited enrollment program. However, if the number of qualified applicants exceeds the number of available spaces in a program, admission will be competitive and based on an estimate of the student's potential to succeed. Students applying to an allied health program must attend an allied health information session prior to submitting a supplemental application for a program. The information sessions will describe the requirements of the programs, the application processes, the selection criteria and the occupation under consideration. Application materials are available on the website, www.wvc.edu/AlliedHealth. Information session schedules are available in the allied health office and on the college website.

Campus life
There are countless ways for WCC students to participate in campus life and enhance their college experience. Whatcom's office of student life provides opportunities for students to get involved in student government, programming & diversity board, student ambassadors and student clubs. There is also a campus newspaper, choir and active drama program. The office of student life’s mission is to provide vibrant campus life and leadership programs that engage, educate and empower.
360.383.3007 | studentlife@whatcom.edu

Athletics & recreation
Athletics provides a variety of learning experiences for students and helps build pride and a sense of community. WCC’s award-winning Orca athletic program offers men’s and women’s basketball and soccer, women’s volleyball, and beginning fall 2020, men’s and women’s cross country.
whatcom.edu/athletics
360.383.3112 | athletics@whatcom.edu

The Student Recreation Center offers all students access to fitness and strength training equipment, indoor running track, balcony-level fitness and stretching areas, two studio spaces, towel service and locker room facilities, and basketball and volleyball courts.

Housing
Cedar Hall, WCC’s first on-campus student housing, will be open fall 2020. The state-of-the-art residence hall will be home to up to 240 students in a variety of apartment styles including private rooms and private bathrooms. Students should apply now!

Amenities include:
- Fully furnished units, including kitchens and smart TVs in each unit
- Free Wi-Fi access
- Free parking
- Community spaces on each floor
- On-site laundry facility
- Local, regional, and international attractions nearby

Yakima Valley College is committed to an open-door policy and encourages the use of its postsecondary educational opportunities and services by all U.S. citizens or residents, 18 years of age or older, who are interested in and can profit from college programs. Adults, whether or not they possess a high school diploma, may enroll at the college without regard for their past educational record. The chief criterion is that applicants can benefit from college programs. More information is available at: www.yvcc.edu/admission

Selective Admissions Programs
Certain professional /technical programs have Selective Admission processes. There are also special admission processes for the Bachelor of Applied Science programs (Business Management, Dental Hygiene, IT Network System Administration, and Teacher Education), College & Career Readiness programs, International Student Program, Running Start and Underage Student Admission. Additional information may also be found at: www.yvcc.edu/admission

Dual Credit Options
Running Start
The Running Start Program is a partnership between YVC and Washington State public high schools. The program offers eligible high school juniors and seniors the opportunity to enroll in regular college classes on our campus and to receive both high school and college credit for those classes. Eligibility for Running Start is based on placement into English 101 and Math 085 on our placement exam. Additional information is available at: www.yvcc.edu/runningstart

Financial Aid
Phone: 509.574.6855
Website: www.yvcc.edu/financialaid

Yakima Valley College Foundation
Scholarships: http://www.yvcc.edu/scholarships
There are many other scholarships available through local companies, local service clubs, and by national organizations. The YVC Foundation does not have involvement with these programs, but all persons interested in attending YVC are encouraged to explore several scholarship sources. High school seniors seeking scholarships to YVC should also contact their high school counselors. All Scholarship applications are due Dec. 1, with the list of awardees announced Feb. 28.

**FAFSA Deadlines**
YVC accepts applications for financial aid throughout the year. To maximize your benefits, apply by March 1 each academic year. If possible, apply 2-4 weeks prior to the start of each quarter to allow for processing.

**Housing**
The Student Residence Center (SRC) provides a safe living community for students at a competitive price. The residence hall is located on the Yakima Campus and is within a short walking distance to classes, the library, and other campus and recreational facilities. More information is available at [www.yvcc.edu/housing](http://www.yvcc.edu/housing)

**Campus Visits**
Visit YVC and take a campus tour. Request a tour at [www.yvcc.edu/tours](http://www.yvcc.edu/tours) or call the Admission Office at 509-574-4712.

**Sports and Recreation**
Yakima Valley College has successfully competed in intercollegiate athletics since 1928. YVC has traditionally offered a comprehensive athletic program to accommodate the special interests and talents of as many students as possible. Women's and men's sports programs, providing competitive athletic experiences to coincide with the student's academic experiences, are an important part of the YVC experience.

YVC is a member of the Northwest Athletic Conference (NWAC). Intercollegiate athletic programs are offered in men's baseball and basketball and in women's basketball, softball, volleyball and soccer. More information is available at [www.goyaks.com](http://www.goyaks.com)

Majors:
Visual Arts - BFA Degree
- Art (painting, photography, print art, sculpture, video)
- Design - BFA in Design, BFA in Illustration, BFA in Animation
- Film
- Interior Architecture, Object Design
- NEW Majors: BFA in Game Art and BFA in Experience Design (official as of October, 2020)

Visual Art students begin in a year-long Foundation program with exposure to all four areas. Second year students choose one of the four as a major. Direct entry to Film for experienced film makers, available by invitation.

Performing Arts- BFA and BM degrees
Dance - technique, choreography, teaching, 3-year BFA available by invitation
Music - multi-genre for instrumentalists, vocalists and composition studies
Theater - acting, musical theater, original works (playwriting, directing, generative works)
Performance Production - costume, scenic, lighting design, technical direction, stage management

NEW: BA degree option for students who have earned AA degree from WA state community colleges. Earn BA in two years will be offered in the following majors: Art, Dance, Theater, Music and Performance Production

Admission Counselors assigned by discipline.

Why Cornish?
Seattle - Seattle is an amazing city for young emerging artists. Just the right size to see the great work of professionals and be seen as an artist with new ideas to share.
Faculty - Faculty are world-class working professional artists. They are actively involved in the Seattle arts community and beyond. Teachers, artists, mentors - they help you bridge the gap from student to professional.
Students - Your peer group is here! You will be surrounded by serious, practicing artists 24/7. Faculty, classmates, staff - are all part of the community. It is a supportive, nurturing environment in which to take risks with your art making.
Voice - At Cornish, we place great emphasis on developing each distinct voice. Students are encouraged to push the boundaries, take risks, and develop their own voice as an artist.

Additional Information

Meeting the Needs of Pell-Eligible Students
Gonzaga is working hard to meet the financial need of all Pell-eligible students in the state of Washington.

Test Optional for Fall 2021 Applicants
Gonzaga University will suspend the admission requirement of a SAT or ACT score for students applying for college admission for fall 2021.

Gonzaga University will continue to review applications holistically, considering the context of a student's application, and carefully review each applicant's curriculum, grades, writing, activities and involvement (including part-time work), and character.

Gonzaga also recognizes that high schools may choose to use a “Pass/Fail” grading option, and the University notes that will not disadvantage students in the admission process.

Application Deadline

Last year, Gonzaga changed our application deadline for fall semester. The deadline for first-year students is December 1, 2020. We will accept late applications until Feb. 1, 2021.

Students will be notified of their admission by March 1, 2021. They will still be automatically considered for a merit-based scholarship at the time of admission.

The Free Application for Federal Student Aid (FAFSA) opens October 1, and our priority deadline is now December 1, 2020. We ask that all students submit applications to Gonzaga-specific scholarships (available at gonzaga.edu/scholarships) by January 1, 2021. The January 1 deadline also applies to students applying to the Honors Program (gonzaga.edu/honors).

New Integrated Science and Engineering Facility Set to Open Fall 2021

Our Integrated Science and Engineering Facility is a new project currently underway that aims to provide students of all majors with a space that fosters innovative learning. This new facility will boast a sizable 83,000 square feet and more than 15 different types of labs for collaborative undergraduate research. This new innovative facility is intended to open in the Fall of 2021.

Connect with Gonzaga / Virtual Options

Gonzaga is offering a wide range of virtual visit options, including Virtual Information Sessions, Meetings with Admission Counselors, Student Panels, and more. Students can register at gonzaga.edu/virtualgonzaga.

If you have questions or would like a Gonzaga representative to provide information or a presentation to your students, please reach out to the representative for your school - gonzaga.edu/mycounselor.

Additional Information

Application Requirements
Biographical Essay, Official High School Transcript, SAT or ACT Scores

Scholarships
Northwest University awards scholarships to incoming students based on academics, athletic talent, musical & theatre talent, participating in a campus visit, and need. Need-based financial aid comes in the form of scholarships, grants, or loans and are based on the information from the FAFSA.

In addition, Northwest University is affiliate of the Act Six Scholarship program serving the Tacoma-Seattle region. www.actsix.org.

Campus Visits
Schedule Online: www.northwestu.edu/visit
Email: visit@northwestu.edu.
Phone: 425.889.5286
$500 scholarship if visiting before Feb 15.

Housing
NU offers residence halls, student apartments, and family housing on campus.

Athletics
The Eagles compete in 4 men’s and 6 women’s sports as a member of the Cascade Collegiate Conference in the NAIA (Division I & II). Learn more at www.nueagles.com.

Unique Opportunities
• Over 80% of majors require internships with local businesses and organizations that frequently lead to full-time employment.
• 80% of NU majors require global learning in study abroad and departmental trips.
• NU students have access to many service learning opportunities and mission trips during the year and throughout breaks.
• Students participate in chapel services twice per week and Biblical studies courses are included in the core curriculum.

Notable Programs
• NU’s Recording Arts Technology and Music Industry Business programs offer practical experience in our prestigious on-site recording arts studio, the largest live sound stage north of Los Angeles.
• NU is launching 2 new majors in Fall 2021: Computer Science and Data Science.

Undergraduate Majors & Minors

### Freshman Admissions and Deadlines

**Contact:** plu.edu  253.535.7151  admission@plu.edu  
**PLU SAT/ACT codes:** SAT 4597, ACT 4470  
**REMINDER:** PLU is test-optional  
**Deadline:** Rolling Admission (see below for guidelines)  
**Decisions/Notification:** Priority Reading Dates of October 15th, November 15th, December 15th and January 15th; Notification within 3-4 weeks of receiving a complete application  
**Application fee:** FREE!  
**Application fee waiver:** You don’t need one. It is free for everyone!  

**General admission information and application:**  
Applications (Common App or ACT SIX application) are reviewed on an individual basis with consideration for GPA, course selection, essay and recommendations. PLU is test-optional, so it will be a student’s choice if we review their SAT and/or ACT.  
Students with a weighted GPA of 3.8+ OR a SAT score of 1310+ OR an ACT of 28+ should apply to PLU by December 1st for Presidential Scholarship consideration.

**Selective Program Admission**  
Conditional Admission to Nursing: Complete an application to PLU and an additional application for Nursing by January 15th  
International Honors (IHON) Program: Complete an application to PLU and an application to IHON by February 1st

### Financial Aid and Deadlines

**Contact:** plu.edu/sfs  253.535.7134  sfs@plu.edu  
**FAFSA priority filing date:** December 1st (although, this is really just a guideline)  
**PLU school code:** 003785
Mission Statement
PLU seeks to educate students for lives of thoughtful inquiry, service, leadership and care – for other people, for their communities and for the Earth.

Up to Date Information Related to COVID 19
plu.edu/coronavirus
plu.edu/admission/coronavirus

Campus and Virtual Visits/Tours - plu.edu/visit
Information related to on-campus and virtual visit programs and campus tours.

Dual Credit/College Level Credit Policy
PLU generally requires a score of 4 or 5 on AP exams to earn college credit, we award up to 30 credits for completion of an IB Diploma and we do accept transferrable Running Start credit.
More info: plu.edu/admission/advanced-credit

*NEW* Running Start Information Page:
plu.edu/admission-first-year/apply/running-start-students/

Housing
8 residence halls and 1 apartment–style living community
9 Opt-In Themed Learning Communities:
• Creative Expression
• First in the Family
• Student of Color
• Environmental & Social Justice
• International Hall – Languages & Honors Program
• Lavender Community
• STEM House
• Wellness House
• Women’s Empowerment & Gender Equity

On-Campus housing is generally required for a student's freshman and sophomore years.

New & Notable Programs – plu.edu/majors
PLU has over 105 programs of study that include majors, minors, certificates, endorsements and concentrations. Some include:

• *NEW* Criminal Justice
• *NEW* Data Science
• *NEW* Gender, Sexuality & Race Studies
• Theatre AND Musical Theatre (BFA or BA)
• Business: AACSB accreditation
• Communication (including film and journalism)
• Education
• Music (BA, BME or BFA)
• 3-2 Engineering
• Computer Science
• Biology
• Nursing
• Environmental Studies
• Kinesiology
• Innovation Studies
• Pre-Professional Health Programs (Pre-Med)
• Pre-Law

Global Education & Study Away
• PLU was the first American University to have study away classes on all 7 continents at the same time.
• #5 nationally for small colleges producing Peace Corps Volunteers
• 1 of only 22 US colleges to receive the highest level of accreditation from The Forum on Education Abroad
• We are on a 4-1-4 calendar system. J-Term (January Term) allows our students one extra chance to study away.
• Our IHON Program allows students to enroll at Oxford University for 4-6 months and immerse themselves in a world-renowned tutorial program.
• Top 20 nationally for highest percentage of students who study abroad

Sports & Recreation - golutes.com
PLU varsity athletics competes in the Northwest Conference, NCAA Division III. PLU has 19 varsity athletic teams and 4 club sports (cheerleading, lacrosse, men’s rowing and ultimate Frisbee) in addition to a wide offering of intramural and rec programs.

Outcomes
• PLU has had 102 Fulbright Scholars since 1975
• 80% of PLU students are accepted to Medical School and 79% to Dental School
• 90% of PLU students are employed or in grad school within six months of graduating
• 100% of Nursing and Education graduates are employed within 6 months of graduation
• 85% of the Class of 2019 completed an internship, field work or research

Scholarships/Financial Aid - plu.edu/admission/scholarships
• 97% of students receive financial aid from PLU.
• PLU Pledge is our loan repayment assistance program (plu.edu/plu-pledge)
• Academic Merit Scholarships - $5,000-$25,000 (just by applying to PLU - which is free!)
• PLU Presidential Scholarship - $26,000-full tuition (requires a separate application that is due December 1st)
• Artistic Achievement Scholarships in Art, Music, Theatre, Dance or Speech & Debate - $1,000-$7,500 per year (audition/portfolio required)
• 253 PLU Bound Scholarship – Full Tuition (just have to be admitted to PLU, have a 3.3 or higher weighted GPA and be a recipient of the WA State College Bound scholarship)

Saints live with heart
Saint Martin’s University is a diverse, student-centered environment that balances faith, reason, service, and community. We endeavor to unite academic excellence with social responsibility, providing the kind of education that transforms lives and promotes fulfillment of the common good. Catholic monks established Saint Martin’s in 1895, and are the backbone of our quirky and welcoming community to this day.

Saint Martin’s at a Glance
Fall 2016 first-year class:
35% are students of color
40% are first-generation college students
41% Catholic
100% students with need received aid
76% live on campus
80% are from Washington
20% are from out-of-state
3.40 average GPA

4 Colleges and 24 Majors
College of Arts and Sciences
Popular majors: Biology, Social Work, Criminal Justice, Interdisciplinary Studies, Nursing RN-to-BSN (Transfer only)

College of Education and Counseling Psychology
Popular majors: Elementary Education, Secondary Education, Special Education

School of Business
Popular majors: Accounting, Business Administration (4+1 BA to MBA option)

School of Engineering
Popular majors: Civil Engineering, Mechanical Engineering, Computer Science (4+1 BS to MME, MCE, or MEM option)

Pre-Professional Preparation
Programs include Dentistry, Legal Studies, Medicine, Nursing, Pharmacy, Physical Therapy, and Veterinarian Sciences

13 NCAA Division II Sports
Men’s Teams: Baseball, Basketball, Cross Country, Track & Field, Golf, Soccer
Women’s Teams: Basketball, Cross Country, Track & Field, Golf, Soccer, Softball, Volleyball

Student Clubs
Popular clubs include: Biology Club, Circle K, Engineers Without Borders, Hui O’ Hawaii Club, Model United Nations, Society of Women Engineers, LGBTQA Club

Benedictine Scholars Program
Each year ten incoming students whose academic records are matched by their leadership experiences and a commitment to compassion and social justice are chosen to receive a $10,000 renewable scholarship ($40,000 over four years, stackable with merit scholarship).

Abbot Scholars Program
Saint Martin’s only full-tuition scholarship is offered annually to four students who have demonstrated financial need and who graduate from a Catholic high school in Washington State.

Campus Highlights
Saint Martin’s is located just minutes from the state capital, Olympia. Over 380 wooded acres nestled in the heart of Lacey, our campus features running trails, a 9-hole disc golf course, state-of-the art facilities including a Platinum LEED Engineering building, and is within walking distance to stores, banks, restaurants, and free public transportation.

Visit Us! www.stmartin.edu/visit
Students who visit will be eligible for a $400 visit award if they ultimately enroll.

SPU school code: 003788
**Vision:**
To prepare students to be courageous and gracious contributors in a diverse and changing world.

**Scholarships:** [spu.edu/scholarships](http://spu.edu/scholarships)
Applicants receive consideration for merit scholarships ranging from $7,500-$26,000 annually. In 2019-20, 95% of all undergraduate students received financial aid. The average award for students with financial need was **$40,803**.

**Falcon Bound Commitment**
SPU offers a 4-year full tuition commitment to any incoming freshmen who is eligible for the College Bound Scholarship Program, and has an unweighted GPA of a 3.0 or higher, or an SAT 1220/ACT 25.

**The Seattle Advantage**
- 15-minute bus ride from downtown Seattle
- 93% job placement rate within 1 year of graduation
- Mentorship Program: 1,700 professional mentors from organizations including Microsoft, Seattle Seahawks, Fred Hutchinson Cancer Research Center, Starbucks, Nordstrom, Boeing, Washington State Legislature, and more
- 15 Fortune 500 companies located in Seattle
- SPU is driving distance from Mount Rainier, North Cascades, and Olympic National Parks

**Rigorous Academics**
- For the 4th year in a row, SPU is nationally ranked by [US News & World Report](https://www.usnews.com)
- University Scholars: SPU’s honors program now available as an additional Major or Minor
- 5 Fulbright Scholars in the past 3 years
- Over 300 Study Abroad options
- 95% medical school acceptance rate
- All classes taught by professors

**Student Life and Christian Commitment**
- 7 ministries on campus and 3 weekly worship services
- 50 different Christian denominations represented in staff and faculty
- John Perkins Center for Reconciliation, Leadership and Community Development
- 43% Students of Color
- 55+ Student clubs

**Updates**
- For Fall 2021 we are moving towards a Test-Optional admissions model

**Notable Academic Programs**
- Business Administration: AACSB Accredited
- Nursing
- Pre-Medicine
- Psychology
- Engineering: ABET Accredited
- Computer Science
- Food and Nutritional Science
- Elementary and Secondary Education
- Apparel Design and Apparel Merchandising
- Music Therapy
- Exercise Science
- Global Development Studies
- Christian Reconciliation
- Social Justice and Cultural Studies Major
- Costume Design & Production Major
- Mechanical Engineering Major
- Criminal Justice Major
- Student Designed Majors

**Transfer Credits:**
SPU accepts college credits earned through Running Start, College in the High School, AP and IB. All students receiving credit from these programs must apply as first-year students.

**Housing**
- 5 residence halls and 13 campus apartments
- 95% freshmen live in residence halls
- First and second-year students required to live on campus unless commuting from parent or guardian home

**Sports & Recreation**
- NCAA Division II (Great Northwest Athletic Conference/GNAC)
- 9 National Championships
- Men’s: Basketball, Cross Country, Soccer, Track & Field
- Women’s: Basketball, Cross Country, Soccer, Track & Field, Rowing, and Volleyball
- 37 Intramural sport offerings

**Campus Visits and Virtual Tour Options**

General admission information and application: Application available via www.commonapp.org; visit www.seattleu.edu/apply for more information.

Financial Aid and Deadlines

Contact: www.seattleu.edu/sfs | (206) 220-8020 | financialservices@seattleu.edu
FAFSA priority filing deadline: February 1
SU school code: 003790

General Admissions Information

First-year applicants are required to submit: completed Common Application, official transcript, one teacher recommendation, one counselor secondary school report and a $55 application fee (ACT and/or SAT score submission is optional). Transfer students: completed Common Application OR Seattle University Transfer Application, official transcripts from all colleges/universities attended, and a $55 application fee. Students with fewer than 45 college credits must submit official HS transcript and SAT/ACT scores. Transfers to the BSN and Diagnostic Ultrasound programs should check the website for additional application requirements and deadlines.
Additional Information

Campus Visits
Campus tours are offered each weekday year-round and most Saturdays October – May. Learn more and RSVP at www.seattleu.edu/visit, or contact us: visit@seattleu.edu or (206) 220-8040.

Connect with us virtually at: seattleu.edu/undergraduate-admissions/visit/connect-virtually

2021 (tentative) Admitted Student Days: Sunday, April 11th & Saturday April 17th

Scholarships & Financial Aid
Freshmen and transfer students who complete an admissions application to Seattle University are automatically considered for merit-based scholarships, which begin at $8,000.

The Sullivan Leadership Award is a full tuition, full room and board scholarship for incoming freshmen at Seattle University. More information can be found at www.seattleu.edu/sullivan.

Admissions Review
Seattle University offers the distinct advantage of considering freshman applicants for direct entry to specific majors. Accordingly, there are specific additional requirements for admission to certain majors:

Nursing: must complete a full year each of laboratory biology and laboratory chemistry (with B grade or higher. If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

Biology, Chemistry & Biochemistry: applicants must complete 4 units of college-prep math, laboratory biology and chemistry (preferably with B grades or higher. If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

Engineering & Diagnostic Ultrasound: applicants must complete 4 units of college-prep math, laboratory physics and chemistry (preferably with B grades or higher). If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

Business: must complete 3 units of college preparatory mathematics (preferably with B grades or higher) to be considered for admission. If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

Students who do not meet the criteria for their chosen major are encouraged to contact the Admissions Office for additional information.

Notable Academic Programs
- Engineering
- Arts Leadership
- Film Studies
- Computer Science
- Sport and Exercise Science
- Business and Law (dual degree)
- Environmental Science
- Nursing
- Social Work
- Humanities for Leadership
- Marine and Conservation Biology
- Diagnostic Ultrasound

Student Life
First- and second-year students are required to live on campus in one of six residence halls unless living with a parent or guardian off campus, and more than 90% of the first-year class lives on campus.

SU offers over 100 student clubs and organizations ranging in focus from community service, cultural heritage and academic honors societies to professional development and outdoor recreation.

Each May, the Student Events and Activities Council (SEAC) sponsors Quadstock, an annual on-campus music festival with multiple stages and bands throughout the day. The event has been a campus tradition for almost 30 years.

Sports and Recreation
SU’s 20 intercollegiate athletic programs compete at the NCAA Division I level in the Western Athletic Conference (WAC). Students also participate in sport clubs and intramurals.

#1 Most Innovative College
Out of universities in the West
U.S. News and World Report

Students
59% female
41% male
30% students of color
38% LGBTQ

Faculty
54% female
46% male
26% faculty of color

Student-to-faculty ratio 21:1

Fields of Study
Choose from 60 fields of study to layer and craft your ideal education. Study abroad, independent learning contracts, and internships can also be part of your studies.
evergreen.edu/studies

Housing and Campus Life
Around 75% of first-year students live on campus. Housing options can be themed, and include single or double studios, up to six-bedroom apartments, and duplexes.
evergreen.edu/housing

Plus, you’ll find nearly 80 student groups, locally sourced food, great coffee, and more to explore on campus and in Olympia.
evergreen.edu/campuslife

Outcomes
90% of our graduates find success in careers, service, or in grad schools across the globe in just one year after graduation. Notable alumni include Matt Groening, Carrie Brownstein, Macklemore, and Lynda Weinman.

2019 – 2020 Open Houses
To book an individual visit or RSVP for an open house visit evergreen.edu/admissions/visit. There is something available almost every month.

Application and Admissions Requirements
Test-optional: $50 Application Fee or Fee Waiver request; High School transcripts; and the Application Statement.

Traditional: $50 Application Fee or Fee Waiver request; High School transcripts; and official ACT or SAT exam scores.

Running Start Students
Running Start students should complete the freshmen application (Evergreen or Common). Credit earned with a grade of C or higher will be transferred into Evergreen and 100% of credits applied toward a Bachelor’s degree. Students who earn an Associate’s Degree through Running Start can expect to graduate Evergreen in two years.

Advanced Placement, International Baccalaureate and Cambridge Exam credits:
Evergreen has updated its policies for AP, IB and Cambridge Exams. All credits are applied toward an Evergreen degree. Credit will be granted for IB exam scores of four or higher: five credit per standard level (SL) exam and nine credits per higher level (HL) exam. IB diploma holders will receive 45 credits.

Nine credits will be granted for any AS or A level Cambridge Exam score of E or higher, however if both an AS and an A level exam are taken credit will be granted for only one. AICE holders will receive 45 credits.

A minimum score of 3 on an AP exam is required to earn credit.

TEST OPTIONAL ADMISSION
Starting Fall 2020 test-optional admission is open to all freshmen applicants including homeschoolers, GED holders, and international students. Applicants may use either the Evergreen or the Common Application.

UW school code: 003797

Test Optional Admission
Puget Sound allows students the option to apply without submitting standardized test scores. More information can be found at www.pugetsound.edu/testoptional.
Additional Information

First-Year Application Requirements
- Common Application, including Member Questions
- School Report and official high school transcript
- Counselor Evaluation
- Teacher Evaluation
- Official SAT/ACT score (optional)
- Interview (optional)

Scholarships
All applicants are considered for academic merit scholarships ranging from $15,000 to $26,000 per year. Talent Scholarships are available in Music, Theater, Art, and Debate. Puget Sound offers two scholarships that cover the full cost of tuition, room, and board: the Lillis Foundation Scholarship and the Matelich Scholarship. More information is available at pugetsound.edu/scholarships.

Running Start
Puget Sound accepts college credits earned while in dual credit programs such as Running Start and College in the High School. Applicants should apply as first-year students, not as transfers.

AP/IB Exam credits
Puget Sound generally accepts a score of 4 or higher on AP exams and 5 or higher on IB exams. A maximum of 16 units (2 years) of credit can be awarded.

Visits and Events
We offer a number of virtual visits and events, including information sessions, live student-narrated tours, one-on-one appointments, and other events. You can learn more or register at pugetsound.edu/visit.

Please visit our main website at pugetsound.edu/admission for more information and updates on when in-person visits will become available.

Colleges That Change Lives
Puget Sound is included in the college guidebook Colleges That Change Lives. More information is available at www.ctcl.org.

### Additional Information

#### COVID-19 Admissions Policies
- Test-optional through Autumn 2021
- Credit/No Credit or Pass/No Pass grading accepted
- English Proficiency options expanded to include exam results from Duolingo, English 3, or iTEP
- Additional information: [www.uwb.edu/admissions/covid-19](http://www.uwb.edu/admissions/covid-19)

#### Fun Facts
- UW Bothell ranks No. 2 in the nation for public colleges that provide the greatest return on investment. *Source: CNBC Make It (2019)*
- UW Bothell alumni earned the “best ROI” among all alumni from Washington state colleges, making $609,000 more in 20 years than high school graduates do. *Source: Payscale.com (2018)*
- 50% of incoming first year students at UW Bothell students are first generation
- More than 350 students at UW Bothell are eligible for veteran benefits
- In 2018-19, 61% of undergraduate students graduated debt-free
- Each year, UW Bothell students work with more than 375 businesses, not-for-profit organizations, government agencies and other community partners on projects that advanced their education and our partners’ goals

#### Student Diversity
- <1% American Native or Alaska Native
- 30% Asian
- 7% Black or African-American
- 10% Hispanic or Latino
- 9% International (student visa)
- 1% Native Hawaiian or Pacific Islander
- 6% Two or more races
- 36% White

#### Campus Visits and Events
Due to COVID-19, Campus visits and in-person events will not be held until further notice. Virtual information sessions and appointments are available. For more information: [www.uwb.edu/admissions/visit](http://www.uwb.edu/admissions/visit)

#### On-Campus Housing
Student housing offers fully furnished apartments that are move-in ready in an energetic and exciting community of 300 students. Rates for our spacious units include utilities, washers and dryers, cable, and internet. *Housing Application Priority Deadline: April 15*
Learn more: [www.uwb.edu/housing](http://www.uwb.edu/housing)

#### Unique Degree Programs
- Applied Computing
- Conservation & Restoration Science
- Earth System Science
- Educational Studies
- Gender, Women & Sexuality Studies
- Interactive Media Design
- Mathematical Thinking & Visualization
- Science, Technology & Society

#### Transfer Admissions
Transfer Information: [www.uwb.edu/admissions/transfer](http://www.uwb.edu/admissions/transfer)
Priority Deadlines: [www.uwb.edu/admissions/application-dates](http://www.uwb.edu/admissions/application-dates)

#### International Admissions
The Center for International Education provides comprehensive service to prospective and current students including admission, immigration, and general information to support international students at UW Bothell. Please contact uwbintl@uw.edu for assistance.

#### Running Start/College in the HS/AP and IB Credit and Evaluation:
UW Bothell accepts college credits earned through Running Start and College in the High School. All applicants participating in these programs must apply as first-year students and submit official SAT/ACT scores regardless of the number of college credits earned. Students interested in Running Start should take their intended major into consideration when selecting classes. Contact Admissions for more information. Minimum AP and IB scores to qualify for college credit are available here: [www.uwb.edu/admissions/apply/firstyear/advance](http://www.uwb.edu/admissions/apply/firstyear/advance)

Freshman Admissions and Deadlines

Contact: tacoma.washington.edu 253-692-4742 uwtinfo@uw.edu
UW SAT/ACT codes: UW TACOMA is TEST OPTIONAL SAT4445, ACT 4493
Deadline: January 15th (app closes on June 30th)
Decisions/notification: Rolling after October 1st
Application fee: $60
Application fee waiver: Yes. Process imbedded within application. Prompt at end.
General admission information and application: Application opens on Sept. 1st. All applicants who meet CADRs, hold a 2.0, and present a complete application will be reviewed. Students will upload unofficial transcript into application. We do not require letters of recommendation. If a student submits test scores, they must arrive from agency.

Financial Aid and Deadlines

Contact: tacoma.uw.edu/finaid 253-692-4374 uwtfa@uw.edu
FAFSA priority filing deadline: January 15th
UW school code: 003798

Husky Promise: Guarantees full tuition and standard fees will be covered by grant or scholarship support for eligible WA state residents. Financial Aid paperwork must be filed by January 15th to qualify. Please visit washington.edu/huskypromise
Additional Information

Transfer Admissions
Applicants who hold **less than 40 transferable** credits must meet all CADRs, hold a 2.0 transferable college GPA, and submit all official transcripts to be considered. Test scores submissions are optional.

Applicants who hold **more than 40 transferable** credits must hold a 2.0 transferable college GPA, and complete intermediate algebra (graded C- or better) to be considered.

**Be a Competitive Applicant:** UW Tacoma encourages all students to consider ways of making their application more competitive. These efforts may include a higher GPA, submitting a quality personal statement, and meeting priority deadlines. Transfer students should strongly consider taking an English composition class, 2 terms of a world language, and coursework applicable to their intended major. Also, be aware that many majors have prerequisites and separate applications.

**Transfer Application Priority Dates**
- Winter 2021: October 15
- Spring 2021: February 15
- Fall 2021: March 15

**Transfer Admissions Advising**
All students intending to transfer are encouraged to attend a Transfer Tuesday and/or meet with one of our admissions advisors. In person, zoom and phone appointments can be made by emailing uwtinfo@uw.edu. Register for Transfer Tuesday: [tacoma.uw.edu/transfertuesdays](http://tacoma.uw.edu/transfertuesdays)

Walla Walla University Facts
Founded: 1892
Colors: Orange and Green
Mascot: Wolves
President: John McVay
Locations:
Main Campus – College Place, WA
School of Nursing – Portland, OR
Marine Biology Station – Anacortes, WA
School of Social Work and Sociology Extension
Campuses – Missoula and Billings, MT
Over 100 Areas of Study
Male/Female Ratio – 48%/52%
Ethnic Diversity – 28%

Core Themes
Walla Walla University is a community of faith and discovery committed to:
- Excellence in thought.
- Generosity in service.
- Beauty in expression.
- Faith in God.

Philosophy
Walla Walla University is founded on Christian teachings and values as understood and appreciated by the Seventh-day Adventist church. Central to these teachings is the belief that every person is created in the image of God as a being of inestimable value and worth, imbued with powers of intelligence, stewardship, and creativity akin to those of the Creator. Walla Walla University, therefore, seeks in its mission to foster the unique gifts of every individual within this Christian community of faith and discovery. Committed to excellence in thought, the university seeks to impart a broad knowledge of the arts, sciences, and professions by careful instruction and open inquiry at both the undergraduate and graduate levels. Recognizing that God is the source of all truth, goodness, and beauty, the university seeks to convey to students a wisdom that translates academic achievement into responsible citizenship, generous service, a deep respect for the beauty in God’s creation, and the promise of re-creation through Jesus Christ.

Degrees Offered
- Associate of Science Degree
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Education (BEd)
- Bachelor of Music (BMus)
- Bachelor of Science (BS)
- Bachelor of Science in Engineering (BSE)
- Bachelor of Social Work (BSW)
- Master of Arts (MA)
- Master of Arts in Teaching (MAT)
- Master of Education (MEd)
- Master of Initial Teaching (MIT)
- Master of Science (MS)
- Master of Social Work (MSW)

Study abroad programs offered in: Argentina, Austria, Brazil, China, France, Germany, Israel, Italy, Lebanon, Spain, United Kingdom, and the Ukraine.

Athletics
Member institution of the National Association of Intercollegiate Athletics.

Varsity Teams:
- Women’s basketball, golf, volleyball, cross country.
- Men’s basketball, golf, soccer, and cross country.

Member of the Cascade Collegiate Conference. Intramural sports include basketball, flag football, soccer, volleyball and much more.

Scholarship deadline: January 31
Additional Information

Admission to WSU is competitive. Admission offers will be extended to the strongest candidates in the pool based on their academic credentials including grades, completion of the College Academic Distribution Requirements (CADRs), grade trends and other information the student may provide. Washington State University will not require SAT or ACT scores for applicants seeking to enter the summer or fall semester (August) 2021 or spring semester (January) 2022. This applies to all campuses in the WSU system. Accordingly, in order to treat applicants equitably in the admission process, SAT/ACT scores will not be used as a factor in admission decisions for the entering classes of fall semester 2021 or spring semester 2022. No decision has been made regarding test score requirements for fall 2022 and beyond.

Assured Admission:
U.S. high school students who are ranked in the top 10 percent of their high school class or who have a cumulative GPA of 3.60 or better (on 4.0 scale) are assured admission to WSU.

Running Start/College-in-the-HS:
Students who participate in Running Start, College-in-the-High School, or other dual credit programs and apply to attend WSU right after high school are considered freshmen in the admission process, and use the FRESHMAN application regardless of how many college credits they may have earned. They should also send official college transcripts if available.

Homeschooled Students:
WSU welcomes homeschooled students. See admission.wsu.edu/apply/as/freshman/requirements/.

Transfer Admissions and Deadlines:
Applications open early; students should apply early if possible. Priority date January 31. Apply at apply.wsu.edu.
Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed a full year of transferable academic college coursework will be considered for admission based on their college work. Students who have not completed a full year of transferable academic college coursework at the time they apply may be asked for additional information for review. Details at transfer.wsu.edu. See transfercredit.wsu.edu for information on how credits transfer to WSU.

AP, Cambridge (AICE), IB, and CLEP:
WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See wsu.edu/advancedcredit.

Transfer Admission & Deadlines
Deadlines: March 1 (summer/fall), September 15 (winter), January 1 (spring)
>> admissions.wwu.edu/transfer

Running Start & Other Transfer Credit:
Official college transcripts or test scores are required for credit to be awarded. In general, AP scores of a 3 or higher and IB higher and standard level scores of 4 or higher earn college credit.
>> admissions.wwu.edu/freshman

Visit & Tour Dates/Info
Campus Visits: admissions.wwu.edu/visit
Group visit requests: admissions.wwu.edu/visit/viking-group-visits

Programs for Students:
Fall Preview Day: Oct. 26
Admitted Student Day: Early April
Discovery Days: October-May on most Friday afternoons and Mondays in July and August
Campus tours: M-F, 10:15 a.m. and 2:15 p.m.; Sat., 11 a.m. and 2 p.m.

Campus Housing
Living on campus is a choice at Western, yet over 90% of freshmen do. Freshmen who meet the housing deadlines are guaranteed housing in their first year at Western. >> housing.wwu.edu

Sports & Recreation
NCAA Division II athletics include: basketball, cheerleading, cross country, golf, soccer, softball, track & field, and women's rowing and volleyball. Western has 20+ club sports and intramurals, too.
>> Last year, women's DII soccer and rowing teams won national championships.

New & Notable
Out of more than 600 institutions, Western ranks in the top 10 nationally for graduates who go on to earn research doctorates, Survey of Earned Doctorates

Western is among the top five producers of Peace Corps volunteers nationwide among medium-sized schools.

For 20 years in a row, Western has ranked #1 among public, masters-granting universities in the Pacific NW, U.S. News & World Report.

Pre-Med, Pre-Law, and other pre-professional pathways:

High expectations, academic commitment, and strong faculty support result in high acceptance rates into medical school, law school, and other selective graduate programs.

Honors Program:
Western’s selective Honors Program offers small and interactive classes, a close-knit intellectual learning community, and early access to faculty research teams and other scholarly pursuits. >> wwu.edu/honors

Fairhaven College:
Western’s interdisciplinary liberal arts college provides creative opportunities for students to design their majors in innovative ways.

Global Education:
Students participate in a variety of international experiences, including study abroad, student teaching, internships, volunteer work, service learning and faculty-led study tours.

Additional Information

Mission
Since 1890, Whitworth has held true to its founding mission to provide our diverse student body an education of mind and heart, equipping graduates to honor God, follow Christ and serve humanity.

Academic Distinction
- *U.S. News* ranked Whitworth #1 in undergraduate teaching, #3 overall and #4 in best value among regional universities in the West.11-to-1 student-faculty ratio
- The Robinson Science Center provides state of the art laboratory space and technology for faculty-student research, including cadaver and live animal labs.
- 4-1-4 academic calendar allows for our faculty to lead dozens of semester-long and Jan-term study abroad/away programs in 65 countries around the world.
- 100% of students who complete our pre-med advising program with a 3.7 GPA or higher are admitted to at least one medical school.

Student Life
- Nearly 100% of Whitworth students engage in service learning before they graduate.
- 40+ clubs organized and led by students
- 95% of students living on campus report being satisfied with their overall residence life experience.
- Whitworth’s award-winning music and theatre programs perform regularly on campus and tour around the world.
- The Forensics (speech and debate) and Ethics Bowl teams have won multiple national championships in the last few years.
- Outdoor Recreation program offers 60+ trips per year including rock climbing, backpacking, mountain biking, skiing, rafting, snowshoeing and more.

Championship Athletics
Whitworth’s student athletes put academics first and win on the field. Competing in 21 varsity sports in the NCAA Division III, Whitworth has won the trophy for the best overall athletes program in the Northwest Conference for 12 years in a row. Learn more at: [www.whitworth.edu/athletics](http://www.whitworth.edu/athletics)

Best Value
- 100% of incoming freshman receive aid
- 97% of our graduates finish in four years or less
- 4-Year Graduation Guarantee Program
- **Whitworth Bound Promise:** Admitted College Bound eligible freshmen with 3.25 weighted, cumulative HS GPA or greater will have 100% of Whitworth tuition covered by scholarships/grants.
- **Honors Program & Scholarship Weekend:** Admitted seniors with a 3.75 GPA are invited to apply to join the Honors Program and to compete for full tuition scholarships in the spring.

Campus Updates
- New degrees: B.S. in Environmental Science, B.S. in Engineering, B.A. in Criminology & Criminal Justice,
- $1,000 Visit Scholarship awarded to incoming fall 2021 students who fully participate in a 2020-21 admissions visit program. Visit [whitworth.edu/visit](http://whitworth.edu/visit) for more information.
- Bilingual Central & Eastern WA Representative: Raul Sanchez
- Partnership with RaiseMe, allowing students to earn micro-scholarships in grades 9-12 that they can apply toward their Whitworth tuition. Visit whitworth.edu/raiseme for more details.
Notes:
