## **About the Washington Council and the Fall Counselor Workshop Higher Education Book**

The Washington Council for High School-College Relations is a not-for-profit organization that provides information and programs to encourage and assist Washington students in their transition from high schools to colleges, and from two-year colleges to four-year colleges. To this end, the Washington Council produces this book and sponsors the following Programs:

### **Washington Council Programs for Students**

- Eighth Grade College Exploration Day
- High School College Planning Days
- Fall Transfer Fairs/Events

### **Washington Council Workshops and Resources for Advisers**

- Fall High School Counselor Workshops
- Transfer Adviser Workshops
- Washington Council Web Resources, Calendar, and Listserv ([www.wa-council.org](http://www.wa-council.org))

The Washington Council member organizations include Washington high schools, Washington colleges and universities, and higher education agencies. Washington Council publications and programs are run and governed by a Board of Directors that is representative of its membership.

### **The 2022-23 Fall Counselor Workshop Higher Education Book: A Resource for High School Counselors is a collection of postsecondary opportunities in the State of Washington.**

The Washington Council Board has been responsible for collecting the entries and overseeing preparation of the book. The participating institutions are responsible for information on their institutions. Readers are cautioned that they must consult the admissions offices at individual colleges to be sure of having the most current information.

All institutions listed in the Fall Counselor Workshop Higher Education Book subscribe to the principles and laws of the State of Washington and the federal government, including applicable executive orders pertaining to civil rights. These institutions are committed to the policy that all persons shall have equal access to programs and facilities without regard to age, color, creed, marital status, nation or ethnic origin, physical handicap, race, religion or sex. All statements and content included in the Fall Counselor Workshop Higher Education Book are made by the individual colleges and universities and organizations that are represented in this book. The information contained in the Fall Counselor Workshop Higher Education Book is subject to change, and the editors and individual institutions will not be responsible for change or error.

## Council of Presidents

410 11<sup>th</sup> Ave NE

Suite 101

Olympia, WA 98501

(360) 292-4100

[www.councilofpresidents.org](http://www.councilofpresidents.org)

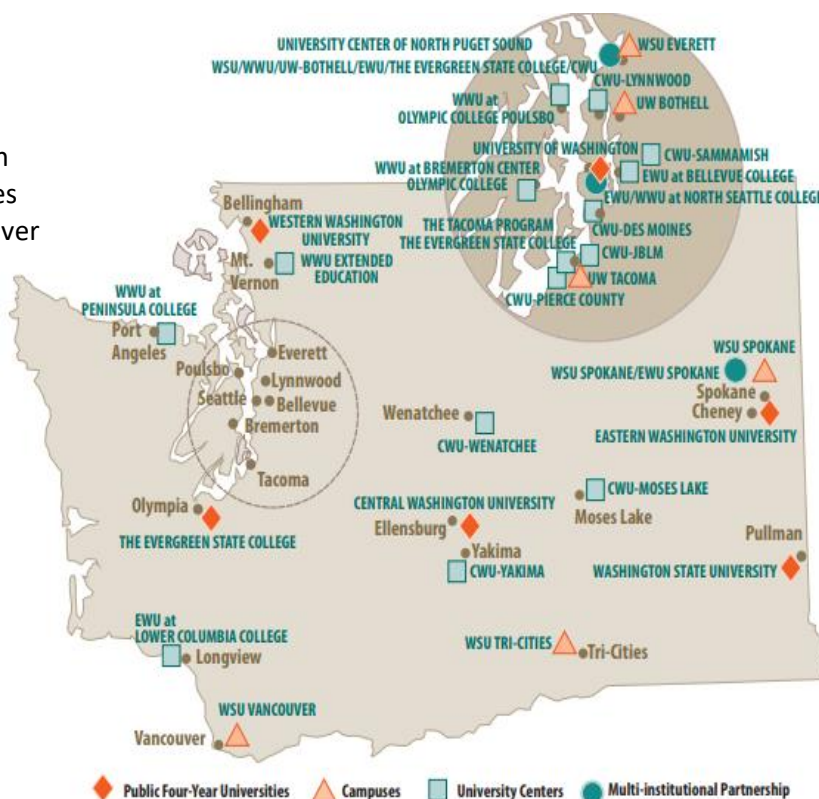

## Mission and Commitment

The Council of Presidents (COP) strives to be not only a common voice for Washington's public, four-year colleges and universities, but also the most respected and trusted resource for decision makers on issues affecting public higher education. COP serves a coordinating role for multiple initiatives and activities across the state's public baccalaureate institutions, fostering coordination and collaboration among its member institutions, with other educational partners in Washington, and at the regional and national levels.

Our institutions are committed to retaining high school graduates in our state and serving Washingtonians throughout their lives to meet their education and career goals.

## Washington's Public Baccalaureate Institutions

- Central Washington University
- Eastern Washington University
- The Evergreen State College
- University of Washington Bothell
- University of Washington in Seattle
- University of Washington Tacoma
- Washington State University Pullman
- Washington State University Tri-Cities
- Washington State University Vancouver
- Western Washington University

## How We Look as 100 College Students

### Access and Opportunities

Washington's public, four-year college and universities are committed to meeting the college and career goals of all Washington students. Together we offer a rich and diverse selection of pathways to quality degree completion. Excellence is exemplified in the accomplishments of our students, staff and faculty through quality academic instruction, innovation in research, strong student services and commitment to public service.

#### Earn a Baccalaureate Degree or Higher

Our sector is the largest provider of bachelor's and graduate degrees in Washington, offering a rich and diverse selection of pathways to quality baccalaureate, graduate, and professional degree completion. In 2019-20, graduates from the public baccalaureate sector made up three out of four (75%) of bachelor's degree earners in the state <sup>1</sup>.

#### Science, Technology, Engineering and Mathematics and High Demand

The public baccalaureate sector is committed to serving the science, technology, engineering and mathematics education goals of Washingtonians and high demand areas of the state's economy. The most recent data shows Washington's public baccalaureate institutions awarded nearly 40% of all undergraduate degrees in STEM fields.

<sup>1</sup> Integrated Postsecondary Education Data System ([IPEDS](#))

### Liberal Arts

The liberal arts represent multiple fields, including humanities, social sciences, mathematics, and natural sciences – including STEM fields. The most recent data show our campuses awarded over 60% of all undergraduate degrees in non-STEM fields.

### High Impact Programs

A range of high impact programs are available to students. International programs allow students to integrate learning with a new cultural context. Internships provide students with the opportunity to apply their knowledge and learning in the workplace. Undergraduate research offers students direct engagement in applied and academic research initiatives to shape their academic experience.

### Online Learning

Online learning continues to be a growing educational option that enables Washingtonians to earn college credit from anywhere in the state through multiple approaches. While these programs are increasingly part of students' academic experiences, they offer opportunities especially for place-bound students and working adults.

### Pre-College Opportunities for High School Students

Our institutions collaborate and provide pre-college programs and opportunities for high school students. These opportunities provide orientation, experience, and preparation for college and offer the option to earn college credit while in high school.

### Two- to Four-Year Transfer Opportunities

We are national leaders in the completion of bachelor's degrees for transfer students. Together, the sector ranks 2<sup>nd</sup> in the nation for the percentage of transfer students who begin at a community or technical college and earn a bachelor's degree.

## **Admissions**

We are excited to welcome Washington students to any one of our institutions. We want Washington high school students! Our students represent the diverse demographics of today's society. Washington high school students are our students. We pledge to serve all students, now and in the future, with a commitment to identifying and reducing equity and opportunity gaps.

Each [admissions review process](#) considers the whole student. This means institutions engage in a 360-degree review, considering grades, courses – both the type and the level at which taken – as well as outside activities and community engagement, when making admissions decisions.

All Washington public, four-year college and universities continue alternative standardized test policies regarding admissions exams first adopted in fall 2021. Students will not be disadvantaged during the admission process nor will student eligibility for institutionally supported scholarships, course placement or admissions to Honors programs be impacted by the absence of SAT or ACT standardized test scores.

## Washington Public Four-Year College and University Facts

- **A Critical Role.** Offering a rich and diverse selection of pathways to quality degree completion, our colleges and universities play a critical role in the state's economy, as well as Washington's social and civic culture. In 2019-20, the institutions served over 142,105 students and awarded over 35,000 undergraduate and graduate degrees<sup>2</sup>.
- **An Affordable Option.** In 2019-20, Washington public four-year institutions ranked in the top 10 for low average undergraduate tuition and fees among all states<sup>3</sup>. In Washington the costs are [lower](#) than national trends, with in-state tuition averaging only \$7,168 for public four years, and \$4,468 for community and technical colleges. And net costs to students are often lower once federal, state, and institutional aid are factored. Nearly one third of undergraduate students enrolled received a Pell Grant or Washington College Grant. Fifty-three percent (53%) of the Class of 2020 graduated from a Washington baccalaureate degree-granting institution with no student loan debt<sup>4</sup>.
- **Serving an Increasingly Diverse Student Population.** Over half (52%) of undergraduate students in 2019-20 identified as students of color. Fourteen percent of students were 25 years old or older. Nearly one third of students received the Pell or Washington College Grant.
- **Strong Commitment to Degree Completion.** As of 2019, Washington's public, four-year college and universities ranked 2<sup>nd</sup> in graduation rates for the West region of the United States. In the same academic year, the average length of time to complete a bachelor's degree for students who enrolled in a Washington public baccalaureate institution directly from high school was 4.02 years.
- **Value Added.** Bachelor's degree completion continues to be [associated](#), in Washington and nationally, with increased lifetime earnings, lower unemployment rates, lower incidences of poverty, better health outcomes, longer life expectancy and higher rates of civic and social engagement.
- **Dynamic Education for Current and Future Careers.** These campuses continue to actively engage in the development and review of education pathways and credentials that lead to degrees and outcomes to respond effectively to the changing demands of the current and future workplace.
- **Our Role in Workforce and Economic Development.** Demand for workers with postsecondary credentials is higher than it has ever been. Our campuses are directly engaged with businesses and employers. As a sector, we partner with businesses and employers to identify knowledge and skills offered in our degree programs that are necessary to meet the economic needs of the state.

## Ensuring College & Career Readiness via a Comprehensive School Counseling Program (CSCP)

All students need access to personalized career and college exploration opportunities to assist them with seeing connections between their learning and future aspirations, including further education or training and/or career preparation via community and technical colleges or universities, apprenticeships, industry certification programs, and military or on-the-job training.

During the 2021 legislative session, the Legislature passed Substitute Senate Bill (SSB) 5030, which clarifies the role of the school counselor in alignment with current best practices. SSB 5030 requires districts to develop and implement a comprehensive school counseling program (CSCP) for all schools within the district that includes, among other areas of support, a focus on college and career development in alignment with the American School Counselor Association (ASCA) National Model. Go to the OSPI's [Comprehensive School Counseling Program webpage](#) for resources to assist in the understanding and development of CSCPs.

**From SSB 5030, as detailed in RCW 28A.320.600, Washington school districts must develop a CSCP Plan that:**

- Establishes a comprehensive school counseling program that uses state and nationally recognized counselor **frameworks** and is systemically aligned to state learning **standards**;
- Provides a process for identifying **student needs** through a multilevel **school data review and analysis** that includes, at a minimum, use-of-time data, program results data, and data regarding communication with administrators, parents, students, and stakeholders;
- Explains how direct and indirect **services will be delivered** through the comprehensive school counseling program; and
- Establishes an **annual review and assessment process** for the comprehensive school counseling program that includes building administrators and stakeholders.

## Recent Legislation that Supports Postsecondary Preparation

**From HB1599, Washington's updated graduation requirements include guidance that:**

- Districts must adopt an Academic Acceleration policy *by the 2021-22 school year*
  - ❖ course decisions must be made in alignment with their HSBP (see [RCW 28A.320.195](#))
- Evidence is provided that all students receive information about *state and federal financial aid* programs
- **All 10th grade students must update their HSBP**, using their statewide assessment scores, transcript and other pertinent data or information to *inform junior year course decisions*
- Students with Individualized Education Program (IEP) services **must develop a HSBP aligned with their IEP Transition Plan**, and in a *similar manner and with similar staff* as their gen. ed. peers
- All districts must provide access to an *electronic platform* for the HSBP (see [Bulletin 041-20](#))
- Student must complete a *Graduation Pathway* that is aligned with their HSBP (see below)

**From SB6141, a Financial Aid Advising Day (FAAD) requirement** (see RCW [28A.300.815](#)):

- Districts must notify and provide an annual FAAD for seniors and families *by Dec. 1*
- The HSBP must inform students about the **Washington College Grant** (former State Need Grant) and other specifics about applying for financial aid
- A new WA financial aid calculator should be demonstrated to families during the FAAD

## Graduation Requirement Emergency Waiver (GREW) Extension

- Rules adopted by the State Board of Education (SBE) in May 2022 extend the emergency waiver program through the 2022-2023 school year for the class of 2023. Access the SBE's [Emergency Waiver Program webpage](#) to ensure understanding of their final rules for the 2022-23 GREW.
  - The GREW still allows eligible students to waive the graduation pathway requirement and up to 2.0 "core" credits.
  - The High School and Beyond Plan (HSBP) must still be completed according to [RCW 28A.230.090](#) and be aligned with how students demonstrate their postsecondary preparation in order to access a GREW.
  - Schools should use the GREW as a **last resort** and only with students for whom a "good faith effort" has been made to support their completion of all graduation requirements.
  - Special care should be given to ensuring students are not waiving the courses or a graduation pathway that would ensure their preparation for, and access to, postsecondary education opportunities.

## Other Relevant Legislative Updates

HB1664 (2021) – Phases in additional funding over the next three years for physical, social, and emotional supports in schools. This funding must be used to increase access to nurses, psychologists, school counselors, and social workers.

*Prototypical Funding for School Counselors after HB1664*

\*Additional information about how districts can access these funds is included in [OSPI's Physical, Social, and Emotional Support \(PSES\) Q&A](#).

HB1176 (2020) – Prohibits the withholding of transcripts or grades as a means to recoup fees for property damage

## Other Relevant OSPI Updates

OSPI's 2021-24 [Strategic Goals](#) (#2) include the following focus on increasing access to postsecondary options that will prepare our students for their future goals:

### Rigorous Learner-Centered Options in Every Community

Provide all students with access to challenging coursework, culturally responsive and anti-racist curriculum, and pathways to graduation and beyond that meet their unique interests.

**Initial Objectives**

- Access to meaningful High School and Beyond Planning for all students beginning in 8th grade
- Equitable access to dual credit courses
- Flexibility in the 24-credit graduation requirement, providing for custom-tailored pathways and options

- The Superintendent of Public Instruction has approved five new state Career and Technical Education (CTE) course equivalencies, now available for district adoption. CTE equivalency courses align with core content

learning standards to support student course flexibility and choice on their path to obtaining a diploma and preparing for postsecondary education. These state equivalency frameworks were built in collaboration with educators and business and industry partners and are considered best practice for aligning instruction of CTE course content with learning standards for core academic courses.

- **Newly-Approved CTE Course Equivalencies:**
  - [190003 Family Health](#) (.5 Health)
  - [260102 Principles of Biomedical Sciences](#) (1.0 Lab Science)
  - [430203 Fire Science Technology](#) (1.0 Science; 1.0 PE; 1.0 CTE)
  - [480511 Core Plus Aerospace 540](#) (1.0 ELA; 1.0 Math; 1.0 Science)
  - [510601 Dental Assisting](#) (1.0 Lab Science)
- Starting *September 2021*, any statewide CTE Equivalency courses offered in a district or at a skill center must be offered for academic credit. This can help students meet their credit and graduation pathway requirements while also meeting college admissions standards.
- Districts with 2000 or more students must provide access to at least one statewide CTE equivalency course.
- Seal of Biliteracy: the requirement for students to have met standard on the SBA in ELA was removed so now students can be considered as having met the ELA standard by meeting any of the Graduation Pathway options!
  - There is also work happening to broaden the number of languages in which students can demonstrate their proficiency, and increase access to exams in rural areas, thus providing a broader group of students with more opportunities to meet their World Language requirement for four-year college admissions.

### Graduation Pathways available to the Class of 2023:

#### Career/Technical Field = CTE Course Sequence

- Complete a sequence of 2.0 or more total credits that either includes a dual credit course or leads to an industry recognized credential (IRC)
  - ❖ students do not have to actually *earn* college credit or an IRC while in high school
- Complete a Core Plus program

#### Military Career Interest = ASVAB Exam (AFQT Section only)

- Score for Class of 2023 = 31
  - ❖ *Check the State Board of Education website by September 1 for annually updated score*

#### Postsecondary Education = English Language Arts (ELA) and Math Courses and Exams

(Can use any combination of the ELA and math options listed in this section.)

- ACT (ELA = 14; math = 16) or SAT (ELA = 410; math = 430)
  - The SAT's ELA score remains the same with writing; the essay is no longer required
- Dual credit courses (1.0 credit total for ELA and/or math):
  - AP/IB/Cambridge: Earn a C+ (each term) in state-approved course
  - CTE Dual Credit: must earn high school ELA and/or math credit; local approval
  - College in the High School or Running Start courses: local approval
- Dual credit exams (for state-approved courses):
  - AP = 3+
  - Cambridge = E
  - IB = 4+

- State assessments:
  - Smarter Balanced: ELA = 2548; math = 2595
  - WA-AIM: ELA = 104; math = 103
- Transition courses (1.0 credit total for ELA and/or math):  
(Passing course results in placement into a college-level course)
  - Bridge to College courses have state-level approval
  - Local articulation agreement between districts and sponsoring colleges

[\*brittni.thompson@k12.wa.us\*](mailto:brittni.thompson@k12.wa.us)

## **About the Washington Student Achievement Council**

The Washington Student Achievement Council (WSAC) is a nine-member council supported by a cabinet-level state agency. The Council's mission is to advance educational opportunities and attainment in Washington. In pursuit of that mission, the Council:

- Leads statewide strategic planning to improve educational coordination and transitions.
- Supports Washingtonians through the administration of financial aid, two college savings plans, and support services.
- Advocates for the economic, social, and civic benefits of postsecondary education.

## **What's New in 2022-2023**

### **Bridge Grant**

For the academic year 2022-2023, students who are receiving the maximum Washington College Grant may be eligible to receive an additional \$500 Bridge Grant. The Bridge Grant is to assist with costs associated with higher education. The Bridge Grant is not available to students that are eligible for the College Bound Scholarship and the award is limited to the student's need.

### **Washington College Grant Campaign**

There will be a campaign implemented to increase awareness of the Washington College Grant program. This is expected to be a multi-faceted campaign to encourage students, apprentices, and families to apply. Washington College Grant gives more money to more people for more kinds of education and training beyond high school.

### **Washington Award for Vocational Excellence**

The Washington Award for Vocational Excellence (WAVE) relaunched after a 10-year hiatus due to budget cutbacks during the Great Recession. The award recognizes high-performing career and technical education (CTE) students at both the high school and college level, covering up to two years of tuition, according to the tuition charged by the institution students will attend—up to \$11,000 per year. WAVE is administered by the Workforce Board in collaboration with the Washington Student Achievement Council, which handles the disbursement of funds. Application information is available at the Workforce Board's WAVE landing page: [wtb.wa.gov/wave/](http://wtb.wa.gov/wave/)

### **College Bound Scholarship – Auto-enrollment**

Effective retroactively to the 2019-20 academic year, all public school free-and-reduced-price lunch eligible 7th, 8th and newly eligible 9th graders will be auto-enrolled in the College Bound Scholarship. WSAC will work with OSPI to auto-enroll eligible students. Schools and their districts should provide contact information for eligible students via the WSAC portal and help notify students of this opportunity in partnership with WSAC.

### **Student Loan Education Course**

[studentloaned.wa.gov](http://studentloaned.wa.gov)

The Student Loan Education Course provides a series of learning modules with information on applying for aid, comparing award letters, knowing how much aid a student needs, and repayment topics with four tracks:

- Preparing for school
- Understanding my loans
- Loan repayment

- Supporting my child's education

## Residency

It is now easier for undocumented students and others to meet residency requirements for in-state tuition and state aid. To qualify, students must:

- Earn a high school diploma, GED, or diploma equivalent from anywhere in the United States before their first term.
- Live in Washington for at least 12 consecutive months immediately before their first term for purposes other than college.
- Sign an affidavit saying they meet the above requirements. Students who are not a US citizen, national, or permanent resident will also commit to applying for U.S. permanent residency when eligible.

## Aim Higher Washington

[wsac.wa.gov/aim-higher](https://wsac.wa.gov/aim-higher)

The Aim Higher initiative is a coordinated effort to increase equity in educational attainment by helping more students in Washington apply for financial aid. The initiative's programs provide students with early, accessible, pathway-relevant financial aid information and application support. More information can be found at [wsac.wa.gov/aim-higher](https://wsac.wa.gov/aim-higher).

## Plan Your Future

[wsac.wa.gov/actionplan](https://wsac.wa.gov/actionplan)

WSAC developed a student-centered one-stop-shop website to assist juniors and seniors with their postsecondary planning, including COVID-19 guidance, admissions and financial aid application support, and other critical resources.

## Access and Support Programs

### College & Career Compass

[compass.wa.gov](https://compass.wa.gov)

The College & Career Compass is a free online tool that provides information on career and educational pathways. Critical information helps students understand available educational opportunities, college costs and financial aid, and students supports. The program search allows users to find Washington programs and colleges based on their interests, location, length of the program, and more. Compass users can send their information to campus contacts to receive more information and assistance in enrolling.

### Washington Application for State Financial Aid (WASFA)

[wsac.wa.gov/wasfa](https://wsac.wa.gov/wasfa)

The Washington Application for State Financial Aid (WASFA) is accessible at [wsac.wa.gov/wasfa](https://wsac.wa.gov/wasfa). This application is available to students who are not eligible to complete the Free Application for Federal Student Aid (FAFSA) due to their immigration status, defaulted federal loans, or other issues with federal aid. Students who complete the WASFA will be considered for state financial aid programs only. The WASFA is now available in English and Spanish.

## GEAR UP

[gearup.wa.gov](http://gearup.wa.gov)

GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federally funded program that provides high-poverty school districts with resources to support them in preparing students for postsecondary options. WSAC, Central Washington University, Washington State University, University of Washington, and the Highline School District lead GEAR UP programs serving over 45,000 students in 76 school districts. The WSAC-led program serves over 5,500 students in 26 school districts. WSAC maintains a website of free resources available to schools, students, and families, including family newsletter templates, college visit resources, a scholarship listing, and more. There is also a page focused on COVID-related updates and resources.

## 12th Year Campaign

[wsac.wa.gov/12th-year-campaign](http://wsac.wa.gov/12th-year-campaign)

[wsac.wa.gov/fafsa-completion](http://wsac.wa.gov/fafsa-completion)

The 12th Year Campaign provides free trainings, materials, and other resources to those working with students on admissions and financial aid applications. The 12th Year Campaign can also support districts and schools with their Financial Aid Advising Day. Additionally, the 12th Year Campaign also promotes the Plus 5 Push by encouraging sites using 12th Year Campaign resources and student-level FAFSA data from the secure WSAC portal to increase their financial aid completion by 5 percent.

## College Savings Programs-WA 529

[wastate529.wa.gov](http://wastate529.wa.gov)

The Guaranteed Education Tuition (GET) Program and the DreamAhead College Investment Plan are Washington's two 529 college savings plans that help families save for future college and career training expenses.

GET and DreamAhead accounts grow tax-deferred and remain tax-free when used for qualified education expenses – tuition, fees, room & board, books, supplies and more. Students can use GET and DreamAhead funds at public or private four-year colleges or universities in the U.S. and even some schools abroad, as well as trade schools and registered apprenticeship programs.

## GET

GET is a 529 prepaid tuition plan that offers Washington residents a peace of mind way to save for higher education. The State guarantees that savings in a GET account will keep pace with changes in-state public tuition rates. Specifically, 100 GET units purchased today will always equal one year of tuition and state-mandated fees at Washington's highest price public university, no matter how much it changes in the future. The GET open enrollment period is November–May each year.

## DreamAhead

DreamAhead is a 529 college investment plan open to anyone in the United States. The plan features various static investment portfolios and self-adjusting, age-based investment portfolios built on low-cost index mutual funds. DreamAhead investors can customize their saving portfolios based on their risk tolerance and student age. DreamAhead enrollment is open year-round.

## **Scholarship Search**

### **theWashBoard**

[thewashboard.org](http://thewashboard.org)

TheWashBoard.org is committed to increasing access to scholarships and financial aid for Washington students. Launched in 2010, theWashBoard.org, a free, scholarship matching website for Washington students, is a simple and central scholarship search and application resource. Last year, nearly \$12.3 million in scholarships were offered with a minimum of 2,157 available awards on TheWashBoard.org.

## **Need-based financial aid programs**

### **College Bound Scholarship**

[collegebound.wa.gov](http://collegebound.wa.gov)

The College Bound Scholarship is an early commitment of state financial aid to cover tuition at public rates, some fees, and a small book allowance at over 65 eligible Washington postsecondary institutions.

This commitment is mostly fulfilled by the Washington College Grant. The application is a two-step process. After being auto-enrolled in 7th, 8th, or in some cases, 9th grade, high school students must fulfill program pledge requirements and meet residency and income requirements. Students must enroll within one year of high school graduation and receive four academic years' worth of funds to be used within five years of high school graduation.

### **Passport to Careers Program**

[wsac.wa.gov/passport-to-careers](http://wsac.wa.gov/passport-to-careers)

[wsac.wa.gov/passport/guide](http://wsac.wa.gov/passport/guide)

This program offers two pathways for foster youth and unaccompanied homeless youth seeking a postsecondary degree or career training.

The Passport to College program helps students successfully attend a postsecondary institution by providing a college scholarship and comprehensive support.

The Passport to Apprenticeship Opportunities program helps students with career-related training under state-approved apprenticeship or pre-apprenticeship programs. Support services and financial aid are provided through ANEW.

### **Washington College Grant**

[wsac.wa.gov/wcg](http://wsac.wa.gov/wcg)

[wsac.wa.gov/apprenticeship-program-providers](http://wsac.wa.gov/apprenticeship-program-providers)

The Washington College Grant provides need-based financial aid to Washington students pursuing postsecondary education and access to funding for registered and approved apprenticeship programs. Students who meet eligibility requirements<sup>1</sup> can use the financial aid at Washington's eligible institutions<sup>2</sup>, including public two- and four-year colleges and universities, and many accredited private/independent colleges, universities, and career schools

---

<sup>1</sup> Find income and program requirements at [wsac.wa.gov/wcg](http://wsac.wa.gov/wcg)

<sup>2</sup> Find a complete list of eligible institutions at [wsac.wa.gov/sfa-institutions](http://wsac.wa.gov/sfa-institutions)

in the state. In addition, participants may receive Washington College Grant funding for approved apprenticeship programs available through approved apprenticeship program providers.

In 2022-23, the eligibility thresholds have increased<sup>3</sup> and funds are guaranteed to all eligible students and apprenticeship participants, making the Washington College Grant one of the most generous financial aid programs in the country.

## **State Work Study**

[wsac.wa.gov/state-work-study](https://wsac.wa.gov/state-work-study)

State Work Study is financial aid for low- and middle-income students. Qualifying students get an approved on- or off-campus job to support their education. Work study builds students' skills, increases their earnings, and reduces reliance on student loans. The state contributes to the wages of work study employees, so participating employers benefit from educated and motivated workers at a lower cost.

## **Merit-based financial aid programs**

### **American Indian Endowed Scholarship**

[wsac.wa.gov/american-indian-endowed-scholarship](https://wsac.wa.gov/american-indian-endowed-scholarship)

The American Indian Endowed Scholarship program provides educational scholarships on a competitive basis to high-achieving resident students, with demonstrated financial need, who have close social and cultural ties to an American Indian tribe or community within the state. Recipients demonstrate academic merit and a commitment to serve the American Indian communities in Washington.

## **Workforce programs**

### **Educator Workforce Programs**

[wsac.wa.gov/teachers](https://wsac.wa.gov/teachers)

The Washington State Educator Workforce Program provides financial aid to attract and retain teachers to work in subjects or locations of high need known as shortage areas. The program includes options for current teachers, student teachers, paraprofessionals, and non-educators hoping to move into the teaching field. There are conditional scholarships that require teaching service in a public school in exchange for the scholarship funds and one grant that is awarded to applicants with the most financial need who are student teaching at Title I public common schools.

### **National Guard Grant**

[wsac.wa.gov/national-guard](https://wsac.wa.gov/national-guard)

The National Guard Grant helps eligible, actively participating members of the Washington National Guard get an undergraduate degree or certificate. The program provides education opportunities to qualified service members and serves as an incentive to extend their National Guard service. Participants commit to serving one year in the Washington National Guard in exchange for each year of grant funding. Combined with state and federal aid, grants can be used for costs of attendance, such as tuition, fees, room, and board, at approved colleges in Washington, as well as a portion of books and materials.

---

<sup>3</sup> Find income and program requirements at [wsac.wa.gov/wcg](https://wsac.wa.gov/wcg)

## **Dual Credit**

### **Washington College Grant Maximum Usage Standard & Dual Credit**

[wsac.wa.gov/college-credit-high-school](https://wsac.wa.gov/college-credit-high-school)

The Washington College Grant (WCG) has a maximum usage standard of 15 quarters/10 semesters or equivalent. The timeframe only applies to the quarters in which a student received the WCG. Because dual credit students cannot receive state financial aid to pay for college credits earned through dual credit, no course work taken in dual credit programs will apply to the WCG maximum usage timeframe<sup>4</sup>. Additionally, students who earn an associate degree through dual credit programs can use WCG toward another associate degree, as long as they are enrolled in an aid-eligible program.

Maximum usage timeframes differ for state, federal, and institutional financial aid. Dual credit participation may still affect a student's access to financial aid, depending on the type of aid. Students who get close to the maximum timeframe will need to work closely with the financial aid representative at their college/university to maintain eligibility for federal and institutional aid. This issue is most likely to occur for students who graduate high school with a high number of college credits. Colleges and universities also typically include credits earned in dual-credit programs to evaluate satisfactory academic progress (SAP) when determining financial aid eligibility.

## **College Admissions and Transfers**

### **Transfers**

[wsac.wa.gov/transfers](https://wsac.wa.gov/transfers)

Washington's public community and technical colleges offer transfer associate degrees that make it easier for students to transfer to bachelor's programs in Washington. These degrees transfer to all public and most private four-year colleges and universities.

There are three different transfer associate degrees:

- Direct Transfer Agreement (DTA) Associate Degree: Meets most lower division general education requirements at four-year colleges and universities
- Associate of Science – Transfer (AS-T) Degree: For students who want to earn a bachelor's degree in engineering or science
- Major Related Programs (MRPs): DTA and AS-T plans that prepare students for bachelor's degrees in specific majors such as business, nursing, and computer science

Once admitted to a participating bachelor's degree program, students who complete transfer degrees can generally expect 90 transferrable quarter credits and junior class standing.

### **College Admissions**

[wsac.wa.gov/college-admissions](https://wsac.wa.gov/college-admissions)

Washington colleges have different admission policies, and some are more selective than others. Public community and technical colleges have an open-admission policy. WSAC works with partners in K-12 and higher education to set minimum admission standards for the state's public baccalaureate schools.

### **Minimum Admission Standards Policy Update**

WSAC and partners conducted a comprehensive review of The Admission Standards Policy in the spring of 2022. The review was focused on clarifying language for standardized test policies regarding test-optional practices, removing

---

<sup>4</sup> Once a student completes their BA/BS, they are no longer eligible to receive the WCG, even if they had not utilized the fulltime limits. College credits earned through dual credit programs may be applied to BA/BS degrees.

redundancies in the graduate and professional alternate admissions under option two, and generally strengthening guidance within the policy.

## **Counselor Resources**

### **Graduation requirements**

[sbe.wa.gov/our-work/graduation-requirements](https://sbe.wa.gov/our-work/graduation-requirements)

Information about waivers: [sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program](https://sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program) – The Board adopted permanent rules at the May 2022 meeting, extending the waiver to the class of 2023.

[sbe.wa.gov/our-work/waivers](https://sbe.wa.gov/our-work/waivers): view “Applications for Waiver of Implementation of the 24 Credit Framework for Up to Two Years” and “Waivers Granted from the Credit-Based Graduation Requirements”.

Students seeking admission to a public four-year public college in Washington must meet the credits required in the minimum college admission standards- [wsac.wa.gov/college-admissions](https://wsac.wa.gov/college-admissions). In addition, students interested in college athletics and athletic scholarships must meet NCAA academic eligibility requirements, available at [ncaa.org/sports/2014/10/24/play-division-i-sports.aspx](https://ncaa.org/sports/2014/10/24/play-division-i-sports.aspx)

# Community and Technical Colleges of Washington

**COMMUNITY AND  
TECHNICAL COLLEGES**  
*Washington State Board*

Washington State Board for Community and  
Technical Colleges  
1300 Quince Street  
PO Box 42495  
Olympia, WA 98504-2495  
(360) 704-4400

[www.sbctc.edu](http://www.sbctc.edu)

## Student Profile

Total Enrollment: 278,435  
Faculty/Student Ratio: 1:17

## Type of Student

College/University transfer: 42%  
Professional-technical: 35%

## Top Degrees Awarded 2020-21

- Associate in Arts (DTA)
- Associate in Business (DTA)
- Associate in Science (DTA)
- Registered Nursing

## Top Transfer Destinations

Each year, about 23,000 students who started their education at a community or technical college students transfer to a public or private baccalaureate institution.

To help make transferring simple for students, community and technical colleges hold direct transfer agreements with:

- Bastyr University
- Central Washington University
- City University of Seattle
- Cornish College of the Arts
- Eastern Washington University
- The Evergreen State College
- Gonzaga University
- Heritage University
- Northwest University

- Pacific Lutheran University
- Portland State University
- Seattle Pacific University
- Seattle University
- St. Martin's University
- University of Washington (all campuses)
- Washington State University (all campuses)
- Western Governors University
- Western Washington University
- Whitworth University

## Resources for Counselors

### [CheckOutACollege.org/GetMore](http://CheckOutACollege.org/GetMore)

Find college and degree options, career and wage data, ideas for paying for college, search by program and location, multiple languages, links to two-year and four-year colleges, Fall Counselor Workshop PowerPoint, and publications.

### Check Out a College brochures

Get brochures from your nearest community or technical college, or order larger quantities at a reasonable price.

**FREE:** Ask your local college for Check Out a College brochures.

See the Washington community and technical outreach staff roster at <http://www.CheckOutACollege.org/GetMore> for college brochure contacts.

**LOW COST:** Order online from the Washington State Department of Printing website:

- Go to [myprint.wa.gov](http://myprint.wa.gov)
- In the "Search" field at lower left, type "Check Out a College"
- Order based on instructions

## Dual Credit Options

### Running Start

Running Start allows 11th and 12th grade students to take college courses at Washington's 34 community and technical colleges. Students earn high school and college credits for these courses. Running Start students and their families do not pay tuition for up to 15 college credits, based on combined college and high school FTE of up to 1.2 FTE. Students pay mandatory fees, books, and transportation. Some colleges have grants and waivers to help students with these expenses. Check with the college for details.

Students interested in Running Start may get more information from their high school counseling office or from the Running Start coordinator at their local college. Many colleges offer orientation sessions to help students and families learn more about the program. The entire catalog of courses is available to Running Start students. This includes electives, vocational, online, and advanced course work.

More at [www.sbctc.edu](http://www.sbctc.edu)

### College in the High School

College in the High School programs provide college-level academic courses to 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade students. Courses are taught at the high school by high school teachers with college curriculum, college textbooks, and oversight by college faculty and staff.

- Students pay fees, but typically far less than regular college tuition.
- Students may also pay for textbooks.
- Located at the high school.

### CTE Dual Credit

CTE Dual Credit allows high school students to earn college credit in their high school career and technical education (CTE) classes without leaving their high school campus. CTE Dual Credit used to be called Tech Prep.

- Tuition free.
- Located at the high school.
- Credits apply only to [professional-technical certificates or degrees](#).

## Professional-Technical Program Matrix

The SBCTC Workforce Education professional-technical program matrix in this handbook is subject to change. Programs are listed by general categories and may not reflect actual program names.

**See Career and Job Training Programs matrix.**

### Eligible Training Provider (ETP) list

Visit the Career Bridge website at [www.careerbridge.wa.gov](http://www.careerbridge.wa.gov) for the ETP list.

## Centers of Excellence

Centers of Excellence focus on industries that drive the state's economy and workforce, building innovative workforce education programs. The 11 centers connect and partner with industry, economic development and community-based organizations, secondary education, and four-year colleges and universities through training, career presentations, and events.

- Aerospace & Advanced Manufacturing
- Agriculture & Natural Resource
- Allied Health
- Clean Energy
- Construction
- Education
- Global Trade & Supply Chain Management
- Homeland Security
- Information and Computing Technology
- Marine Manufacturing and Technology
- Semiconductors and Electronic Manufacturing

More at [www.sbctc.edu](http://www.sbctc.edu)

## Applied Baccalaureate Degrees

An applied baccalaureate (applied bachelor's) degree builds on the education and training from a two-year technical associate degree, allowing graduates to move up the educational and professional ladder without starting over.

### Degree Options

**Most community and technical colleges offer a variety of applied bachelor's degrees.**

For a complete list, visit [www.SBCTC.edu](http://www.SBCTC.edu).

### Applied Baccalaureate Tuition

Tuition rates are roughly double the cost of regular community and technical college credits.

**See community and technical college tuition chart.**

### University and College Transfer

More and more students get started on a bachelor's degree with an associate transfer degree. Students get a high-quality undergraduate experience and save money by starting at a community or technical college and transferring to a Washington four-year college, branch campus, university center, or applied baccalaureate program.

### Associate transfer degrees

Several options are available, so students should work closely with an advisor to choose the right degree and classes for their educational and career goals. Students should contact the four-year college or university of their choice to fully understand and meet degree requirements before transferring.

**See Transfer Degree Inventory chart.**

### University Centers and Transfer Partnerships

Students can earn an associate transfer degree at a community or technical college and then stay on campus to complete a bachelor's degree from one of our many four-year college or university partners. Options are subject to change.

**See University Centers and Transfer Partnerships chart.**

### High School Diploma Options

Community and technical colleges offer three ways to earn a high school diploma.

1. Earn an associate degree through Running Start, request high school diploma from college
2. Earn an associate degree, request high school diploma from college (may require financial aid)
3. Earn a high school diploma from the college through one of the following high school completion programs (may require financial aid)

### I-BEST

Washington's nationally renowned Integrated Basic Education and Skills Training program (I-BEST) uses a team-teaching approach to combine adult education

classes with regular, credit-bearing academic or job training classes so students get through school and into jobs faster.

### Project I-DEA

With I-DEA, English language learners who face the largest language gaps are learning English quickly and in practical ways.

Like I-BEST, this project uses an integrated, team-teaching approach so students learn English in tandem with job skills and life skills. Classes are "flipped": Students learn basic words and ideas online and cement their knowledge in class with the aid of instructors and peers. Computers and 24-hour internet access allow students to learn topics that matter most to them, anytime, anywhere.

### Competency-based education

Many adult education courses are competency-based; students move through adult education into pre-college (remedial) or college-level courses based on knowledge gained rather than time spent in a classroom. Students move as quickly through courses as their competencies take them.

### High School Equivalency (HSE)

Many people who did not finish high school have the same knowledge and skills as those who did graduate. By taking and passing a series of HSE tests, adults can demonstrate they have acquired the same level of knowledge. Washington state uses the four-part GED® tests for its HSE test.

Most colleges and employers accept an HSE credential as being equivalent to a high school diploma. SBCTC oversees the HSE testing program for the State of Washington. Those who meet the eligibility requirements may take the HSE tests at official test centers located throughout the state. You can find a local test center through the GED® Testing Service.

For general questions, contact Lou Sager at [lsager@sbctc.edu](mailto:lsager@sbctc.edu).

### High School+

High School+ is a competency-based high school diploma offered at Washington's community and technical colleges for adults who are at least 18 years old. Advisors look at transcripts and knowledge gained from life experience, and work with students to craft an educational plan to fill gaps. To receive a diploma,

students must demonstrate competency in reading, writing, and math in the context of science, history, government, occupational studies, and digital literacy.

Contact: Troy Goracke [tgoracke@sbctc.edu](mailto:tgoracke@sbctc.edu)

### Sports and Recreation

Community colleges provide a variety of enrichment activities and programs, including intercollegiate athletics. Sports include basketball, baseball, cross country, golf, softball, soccer, tennis, track and field, volleyball and wrestling. Recognizing the time commitment of student-athletes, colleges may fund tuition Grants-in-Aid through scholarships of up to 40 percent of tuition costs. Visit the Northwest Athletic Conference website at [www.nwacsports.org](http://www.nwacsports.org) for details.

### Multicultural/Diversity and Student Leadership

The multicultural/diversity and student leadership offices on our college campuses work to create an environment that welcomes everyone, encourages civic engagement and student involvement, and provides opportunities for student success. They offer events, programs, and spaces that promote understanding, celebrate diversity, and honor different points of view. Their commitment to diversity, social justice, and multiculturalism has earned prestigious awards across the state.

### Disability Student Services

Campus disability support service offices ensure equal access to educational programs and services by providing consultation on accommodations (e.g. placement testing, classroom, assistive technology) for students with disabilities who are otherwise qualified for college.

The rights of students with disabilities are different in college from what they were in high school. It is important for high school students and their parents to plan appropriately for their students' transitions to post-secondary institutions. Compared to services at public schools, the services provided by post-secondary institutions may seem minimal.

To be eligible for disability-related services, students must have a disability as defined by the Americans with

Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

### Financial Aid

Community and technical colleges award federal, state, college-based grants, and work-study based on the Free Application for Federal Student Aid (FAFSA) and Washington Application for State Financial Aid (WASFA).

**Financial aid deadlines vary. Check with the college of your choice for priority dates. We encourage students to apply early.**

Colleges widely recommend students planning to attend fall quarter 2022 adhere to the timeline set for College Bound students (February 1).

Those planning to attend winter or spring 2024 should also apply for aid by spring 2023.

**See Admissions and Financial Aid chart.**

### Scholarships

A variety of scholarships may be available from each college based on financial need, program of study or major, academic merit, leadership or community service. Many colleges offer scholarships through their foundations or list scholarships at their websites.

**Most deadlines for fall 2023 scholarships for graduating high school seniors offered by community and technical college foundations will be in February, March and April 2023.**

### Tuition Waivers

Certain populations are eligible for full or partial reduction of tuition. Tuition waivers vary by campus, so check with college registration offices.

Some examples: Military veterans, senior citizens, active-duty military/Washington National Guard, children of deceased or disabled law enforcement officers and firefighters, families of fallen soldiers and families of disabled veterans, basic education.

## **Admission Requirements and Criteria**

**For Fall Quarter 2022 students, BC admits:**

- Eligible applicants, at least eighteen (18) years of age, or are a high school graduate, hold a GED, or other equivalent high school credential.
- High school students who apply under the provisions of a Washington State student program, such as Running Start, Career Education Options (CEO), or Summer Enrichment.
- Underage students on a case-by-case basis, and as determined by the Dean of Student Central.
- Selected applicants to specific programs with selective admission criteria. (Note: Due to enrollment limitations, these programs may not admit all qualified applicants.)

## **Application Process/General Admission:**

New students must take the following steps before registering for classes:

- Complete the online admission application by the deadline for the quarter desired. (Note: An admission fee is charged, but students do not pay the fee until they submit first quarter tuition.)
- Obtain English and math placement using one of the options listed on the Testing & Placement Services website. (Note: A placement fee is charged, but students do not pay the fee until they submit first quarter tuition.)
- Attend a new-to-BC orientation session.
- Follow directions provided in the "Welcome Letter" email, sent shortly after submission of application.

Prospective and new students are encouraged to contact the Welcome Center for more information.  
[www.bellevuecollege.edu/welcome/](http://www.bellevuecollege.edu/welcome/)

## **Deadlines and Fees:**

**Fall Quarter final application deadline:** Sept. 10

**Application fee:** \$66

## **Estimated Annual Expenses**

**For full-time, resident students in 2022-23**

<b>Tuition &amp; Fees</b>	\$4,056
<b>Rent/Food/Utilities</b>	\$7,944
<b>Books/Supplies</b>	\$942
<b>Transportation</b>	\$1,662
<b>Misc./Personal</b>	\$1,800
<b>Total</b>	\$16,164

Figures based on tuition for Washington state residents, living with a parent/guardian. For net price information:  
[www.bellevuecollege.edu/calculator/npcalc.htm](http://www.bellevuecollege.edu/calculator/npcalc.htm)

## **Financial Aid & Scholarships**

425-564-2227 / <https://www.bellevuecollege.edu/fa>

**Average awards in 2021-22:**

- Federal, state, and institutional aid: \$6,762
- Annual average loan amount: \$4,682

**Other aid and scholarships:**

Between 2016-2021 the BC Foundation awarded 1,717 students with scholarships totaling more than \$1,745,640.

**Financial aid deadlines:**

- Fall Quarter (2022): July 1, 2022
- Winter Quarter (2023): Nov. 1, 2022
- Spring Quarter (2023): Feb. 1, 2023
- Summer Quarter (2023): May 1, 2023

## **Housing:**

Residence halls accommodate 400 students in a mix of suites and apartments. The communal spaces include areas for studying, meeting, and socializing.

[www.bellevuecollege.edu/housing/](http://www.bellevuecollege.edu/housing/)

## **Sports and Recreation**

- Facilities: Courter Field, 1,000-seat capacity; Courter Family Athletic Pavilion, 2,500-seat capacity; soccer field, and fitness center.
- NAACC Conference

## About the College

Bellingham Technical College, located in Whatcom County, offers high-quality education in a supportive, student-first environment. We prepare students for high-wage, high-demand careers. With more than 55 associate degrees and 39 certificates, students can choose programs in fields ranging from Accounting to Machining, Nursing to Process Technology and Culinary Arts to Fisheries & Aquaculture Sciences. BTC students can take advantage of many transfer opportunities, including:

- Business
- Engineering Technology (multiple paths)
- Pre-Nursing

BTC offers two fully online Bachelor of Applied Science degrees, in Engineering Technology and in Operations Management. These two-year degrees can be added on top of an existing associate or bachelor's degree and will prepare students for higher paying positions in a variety of industries and businesses.

## Admission Requirements and Criteria

BTC welcomes applications from students who are at least 18 years of age or a high school graduate, or those who have applied for admission through special programs such as Running Start and IMPACT!

## Dual Credit Options

Dual Enrollment options allow high school students to take classes that will apply towards both high school and college credit. Students can earn dual credit on their High School campus via CTE Dual Credit or Advanced Placement (AP) programs. They can also earn dual credit on BTC's campus through our Running Start program.

## Running Start

Running Start allows qualified high school juniors and seniors, including public, private and home school students, to receive college credit while completing high school requirements. Students are enrolled simultaneously in high school and college classes (or just college classes) and are awarded dual credits by their high school and college. out more online at [www.btc.edu/RunningStart](http://www.btc.edu/RunningStart)

## IMPACT! Youth Re-Engagement

IMPACT! is a free, flexible program that helps students who have dropped out or are significantly behind in credits create a path to academic and career success. Students get free tuition at BTC and academic support as they work toward their GED and continue on for an associate degree or certificate. [www.btc.edu/Impact](http://www.btc.edu/Impact)

## CTE Dual Credit

Career and Technical Education (CTE) Dual Credit provides career pathways for high school students. High school and college instructors work together to choose CTE courses that meet entry-level requirements for comparable college courses, so that students may be able to receive BTC credit while still in high school. Learn more about all of BTC's dual credit options at <http://www.btc.edu/DualCredit>.

## Estimated Annual Expenses

Bellingham Technical College Cost of Attendance  
2022-2023 based on Full-Time enrollment for 3  
quarters

	Living w/ relatives	Not living w/ relatives	Non- Resident, Not living w/ relatives
Tuition & Fees*	\$6,000	\$6,000	\$9,900
Books & Supplies	\$702	\$702	\$702
Rent/Food/Utilities	\$7,944	\$16,512	\$16,512
Transportation	\$1,662	\$1,935	\$1,935
Personal Expenses	\$1,800	\$1,800	\$1,800
TOTAL	\$18,108	\$26,949	\$30,849

\*Estimated for average for full-time enrollment  
(12+ credits). Amount may vary depending on  
program, credit load, and program fees.

## Financial Aid

Phone: 360-752-8351

Email: [finaid@btc.edu](mailto:finaid@btc.edu)

Website: [www.btc.edu/FinancialAid](http://www.btc.edu/FinancialAid)

School Code: 016227

## Priority FAFSA/WAFSA Dates

BTC accepts FAFSAs and WASFAs on a rolling  
basis, but recommends that students begin the  
application process at least two months prior to the  
suggested deadline dates for best results:

Summer quarter	May 1
Fall quarter	July 1
Winter quarter	November 1
Spring quarter	February 1

## Housing

BTC is located in a residential area near the  
Birchwood and Columbia neighborhoods where  
apartment, condo or house rentals and purchase  
opportunities are available.

## Campus Visits

Join us for campus tours, Running Start  
information sessions, program information  
sessions, advising and registration sessions, and  
more.

Email: [admissions@btc.edu](mailto:admissions@btc.edu)

Website: [www.btc.edu/calendar](http://www.btc.edu/calendar)

Phone: 360-752-8345

## Student Life

The Associated Students of Bellingham Technical  
College (ASBTC) leads student government, hosts  
campus events and activities throughout the year,  
and students participate in clubs such as Phi Theta  
Kappa, Culinary Club, Genders & Sexualities  
Alliance, and student chapters of professional  
organizations, such as the Student Nursing  
Organization and the American Welding Society.  
BTC has an attractive campus and fosters a  
welcoming campus environment. Come check out  
the Student Center in the Campus Center building.  
The Student Center is a great place for student  
and club gatherings, and has study spaces for  
students.

## Student Profile

Total Enrollment: 3,437  
 Faculty/Student Ratio: 17:1

## Program Intent

College/University Transfer: 42%  
 Professional-technical: 32%

## Admission Requirements and Criteria

### General Eligibility:

BBCC accepts all applicants who are 18 years of age or older. Those under 18 years of age who have graduated from an accredited high school, have an equivalent certificate, e.g., the General Education Development (GED) Test, or qualify, as a Running Start student will be admitted. Applicants who are younger than 18 and who do not meet these requirements must provide BBCC with a written release from their school principal authorizing BBCC to admit them. All applicants must be 16 years of age or older unless they have graduated from high school or are part of a state approved program such as Running Start. Some programs have specific admission procedures and limited space; therefore, admission to BBCC does not guarantee admission into all programs. Students enrolling in a degree program must apply for college admission. BBCC will assign an advisor, evaluate transfer course work and maintain a student file for officially admitted students. Registration priority is given to students who have been officially admitted to BBCC.

Cascadia does not offer on-campus housing. Room and board estimate is based on standard market rates in the area.

## Student Life, Recreation, Resources

The Activities and Recreation Center (ARC) at Cascadia College and UW Bothell offers a fitness center, food trucks, a game room, meeting and event spaces, and student resources.

The Kodiak Cave is an emergency food resource center located on campus that directly serves the student body of Cascadia College. Kodiak Cave's mission is to end hunger on our campus by providing nourishing meals, education and resources to our community. It currently operates as a "choice pantry", meaning guests will be able to pick the food from the cross-cultural items that best meets their needs. This gives guests dignity as well as comfort because they can choose from items that they are familiar with. It also helps to reduce food waste. Beginning March 2020, Kodiak Cave opened for curbside pick-up and weekly deliveries as well as started offering virtual cooking classes for students to help educate them on nutrition, further reducing waste, and saving money.

## New Degrees & Programs

The Cascadia Scholars Program was implemented to help BIPOC (Black, Indigenous, Persons of Color) and historically marginalized students connect to the college and achieve their educational and career goals. The program offers mentoring, resources, and support for students. Cascadia working with local school districts to provide students of color conferences in 2022. The conference themes include identity, collaboration, education, leadership, and social justice.

Cascadia College is one of two current colleges in partnership with University of Washington to offer new American Indian and Indigenous Studies (AIIS) courses that directly transfer into UW's AIIS degree program. These courses celebrate the contemporary lives and historical local experiences of PNW Indigenous peoples. Through these courses, Cascadia will be centralizing the indigenous experience within its own community culture, as well as collaborating

with tribal groups to help meet their academic and workforce needs.

Cascadia's Networking Infrastructure Technology (NIT) pathway is part of the Cloud Computing Career Launch Program which is a partnership with Amazon's AWS Educate and Washington's technology employers. The program is integrating industry recognized cloud computing curriculum such as security, architecture, and database platforms. By adapting our program (course modifications have started in Fall 2021) with cloud skills, students will obtain the latest job skill and career paths to cloud computing, and provide internship opportunities with industry partners.

## New Buildings

STEM 4, a joint venture with UW Bothell, was funded by the legislature during the 2018-19 session. It will house classrooms, labs, study spaces, and faculty offices for both institutions. Construction is progressing rapidly and the project is on schedule for completion for classes to begin fall or winter of 2023.

Cascadia is partnering with Together Center, an organization that envisions a healthy, housed and thriving community where people can easily access a range of compassionate services in one location, to operate a classroom focusing on Running Start and Basic Education courses for residents at the south end of our district.

Cascadia submitted a pre-design report for the college's Gateway Building which will consolidate all our student services and program offices in one location. The goal is to enhance Guided Pathways by designing a building to facilitate Guided Pathways and ensure that every student feels welcomed and supported.

# Centralia College

Centralia College  
600 Centralia College Blvd.  
Centralia, WA 98531  
360-736-9391  
[www.centralia.edu](http://www.centralia.edu)

## Student Profile

Total Enrollment: 4,285 (headcount)  
Faculty/Student Ratio: 1:23

## Program Intent

College/University Transfer: 34%  
Professional-technical: 29%

## Admission Requirements and Criteria

### General Eligibility

Applying to Centralia College is easy. There's no application fee and applications are accepted throughout the year for most programs.

For general admission, students must be 18 years of age or older, and have a high school diploma or GED. There are special admission requirements for students younger than 18.

For detailed information, visit [www.centralia.edu](http://www.centralia.edu).

Centralia College also offers classes for adults seeking a GED or Adult High School Diploma, or those needing to learn the English language.

For more information, visit [www.centralia.edu](http://www.centralia.edu).

## Deadlines & Fees

Regular Application Deadline: Applications are accepted throughout the year for most programs.

Application Fee: \$0

Application Fee Waiver: N/A

Other Fees: Student Activity Fee = \$30 per quarter;  
Student Use Fee = \$4 per credit (up to 10 credits);  
Student Project Fee = 5% per credit (up to 18 credits)

## Selective Admissions Programs

The Nursing and Bachelor of Applied Science programs have unique admissions procedures, deadlines, and application fees. For detailed information, visit the Centralia College website at [www.centralia.edu](http://www.centralia.edu).

## Dual Credit Options

### Running Start

Centralia College has a robust Running Start program for eligible high school juniors and seniors to earn college and high school credits at the same time. Dedicated Running Start counselors and advisors ensure students are supported and set up for success. For more information, visit the college website at [www.centralia.edu](http://www.centralia.edu).

### College in the High School

Juniors and seniors in high school may be eligible to enroll in college-level classes in their high schools. Classes are taught by high school teachers and reflect the same academic standards as classes offered on the college campus.

Interested students should contact their school district for information about class availability, schedules, and the application process.

## Estimated Annual Expenses

Tuition/Fees (15 credits)	\$4,770
Room and Board	\$7,200
Books/Supplies	\$825
Total	\$12,785

## Housing

EvCC has two student housing buildings, Mountain View and Cedar Hall. Mountain View has 120 private, furnished apartments, each with its own bathroom and kitchen area. Cedar Hall has studio, three-bedroom, and four-bedroom apartments for 132 students.

Units can be leased for one to four quarters. Rent includes all utilities and wireless internet. On-site staff is available to assist students, and buildings are protected by Campus Safety & Security.

Application and more information for both buildings is available at [EverettCC.edu/Housing](http://EverettCC.edu/Housing)

## Campus Visits

Phone: 425-388-9100  
Website/Email: [EverettCC.edu/Tour](http://EverettCC.edu/Tour)

## Pathways, Programs, and Degrees

EvCC has eight pathways, which are groups of related degrees and certificates. Each pathway has a team of academic advisors who work with students to create an education plan.

The college offers more than 90 programs, including university transfer degrees and certificates for technical and career fields.

### Aerospace

EvCC is the home of the Washington State Center of Excellence for Aerospace and Advanced Materials Manufacturing and offers degree programs, certificates, and continuing education for to in-demand jobs in the aerospace industry.

### Advanced Manufacturing

EvCC's Advanced Manufacturing Training & Education Center (AMTEC) offers six programs to train students for in-demand jobs. All programs are short, stackable and lead to a professional certificate or college degree. Students learn about the manufacturing process from start to finish as they complete interdisciplinary projects like creating unmanned aerial vehicles, rockets, robots and paddle boards.

### Nursing

EvCC's Nursing and Health Sciences building includes hospital-like classrooms and a clinical simulation lab.

### Engineering

After earning an associate degree, engineering students can stay on EvCC's campus to earn a bachelor's degree in mechanical engineering through Washington State University Everett.

### Visual Arts

EvCC's visual arts program includes photography, studio art (drawing, design, painting, ceramics, sculpture and printmaking), and visual communications (graphic arts, digital illustration, and web design).

### Four-Year Degrees at EvCC

Everett University Center, coordinated by Washington State University, is located at EvCC's campus. The University Center offers bachelor's and master's degree programs through partner universities: WSU, University of Washington Bothell, Western Washington University, Eastern Washington University, and Hope International University.

### Sports and Recreation

Intercollegiate Athletics:

EvCC has 11 athletic teams, including:

- Men's & Women's Basketball
- Men's and Women's Cross Country
- Men's and Women's Track and Field

- Men's and Women's Soccer
- Men's Baseball
- Women's Softball
- Women's Volleyball

EvCC also has a 49,000 square foot Student Fitness Center that has a gym with bleacher seating for 2,250, a cardio and free weight training room, a climbing wall and running track.

### Student Life

EvCC has more than 40 student clubs, student leadership opportunities, student government, and a wide variety of events and activities, including live music, an art gallery, theater, speakers and all-campus celebrations.

## Scholarship Website

[www.ghc.edu/foundation](http://www.ghc.edu/foundation)

Financial Support for Students:

In addition to traditional scholarships managed through the Grays Harbor College Foundation, other financial support opportunities include the Hughes Tool scholarships and World Class Scholars.

## Workforce Funding & Support Programs

[www.ghc.edu/student-services/workforce-funding](http://www.ghc.edu/student-services/workforce-funding)

Student support programs and grants through the Opportunity Grant, WorkFirst Program, Worker Retraining, Early Achievers Grant (EAG), and the Basic Food Education & Training Program (BFET) are offered.

## Housing

No on-campus housing is offered at this time.

## Campus Visits

360-538-4026

[admissions@ghc.edu](mailto:admissions@ghc.edu)

[www.ghc.edu/admissions](http://www.ghc.edu/admissions)

## Student Life

At Grays Harbor College, we offer a variety of ways that students can be involved. The Office of Student Life provides events, trips, lectures, intramural, concerts, clubs, multicultural programs, leadership opportunities, and more.

The Associated Students of Grays Harbor College (ASGHC) works as a bridge between the students and the campus administration. There are multiple opportunities to be involved as a student leader as an executive board member or as a senator.

Check out our website for more information:

[www.ghc.edu/studentlife](http://www.ghc.edu/studentlife)

## Sports and Recreation

Men's and women's athletic programs include: Men's - basketball, baseball, golf, and wrestling. Women's - basketball, softball, golf, soccer, cross country, and wrestling. Co-ed: fitness lab, weight training and Esports.

## Areas of Study at GHC\*

### **Arts & Humanities, Education, & Human Development**

Associate in Arts (DTA)
Associate in Arts - Bridge to Native Pathways
Associate in Music (DTA/MRP)
Bachelor of Applied Science in Teacher Ed.
Chemical Dependency
Criminal Justice
Early Childhood Education
Human Services

### **Business**

Accounting
Associate in Business (DTA/MRP)
Bachelor of Applied Science in Org. Management
Bookkeeping
Business Management
Business Technology
Hospitality & Ecotourism
Medical Records (Administrative Support)

### **Career & Technical Education**

Associate in Construction Management (DTA/MRP)
Automotive Technology
Carpentry Technology
Commercial Driver License
Diesel Technology
Log Truck Driving
Welding Technology

### **Allied Health Professions**

Associate in Nursing (DTA/MRP)
Associate in Pre-Nursing (DTA/MRP)
Chemical Dependency
Medical Assistant
Medical Office Administrative Support
Nursing Assistant Certified

### **Science, Technology & Engineering**

Associate in Biology (DTA)
Associate in Science - Transfer Track 1 (AS-T)
Associate in Science - Transfer Track 2 (AS-T)
Bachelor of Applied Science in Forest Resource Management
Natural Resource Technician

\*GHC offers certificates in many other Professional/Technical programs, as indicated in the matrix included in this book.

## Introduction

Highline College is nationally and internationally recognized as a premier college, a reputation earned through the development of an institutional culture that values innovation, globalization of curriculum and community participation. Founded in 1961 as the first community college in King County and located just south of Seattle, Highline now offers applied bachelor's degrees in seven high-demand programs.

Diversity and inclusion are bedrocks of the institution. In 2014, this commitment earned the college the prestigious Award of Excellence for Advancing Diversity from the American Association of Community Colleges, recognizing Highline as a leader among the nation's community colleges for increasing diversity as well as educational and social justice equity. Highline is also a four-time winner of the HEED Award and the 2016 winner of the ACCT Equity Award for the Pacific Region. These awards speak to the college's support of historically disadvantaged and underrepresented individuals in postsecondary education.

## Accreditation

Northwest Commission on Colleges and Universities

## Student Profile

Highline is the most diverse higher education institution in the state, with more than 70% students of color. Highline is designated as a Minority-Serving Institution by the U.S. Dept. of Education.

Total Enrollment: 13,196 (2020-21)

## Program Intent

College/University Transfer: 46%  
Basic Skills: 26%  
Professional-technical: 17%  
Applied Baccalaureate: 4%

## Admission Requirements and Criteria

### General Eligibility

- Any applicant who is at least 18 years old or who has completed high school.
- Those under 18 who have not completed high school are admitted conditionally; these students need to be also admitted into one of our high school programs (e.g., ELL ExCEL, Pathway to College, Running Start)

### Selective Admissions Programs

AAS programs: [admissions.highline.edu/apply/aas-selective-admissions](http://admissions.highline.edu/apply/aas-selective-admissions)

- Registered Nursing

High School Programs: [highline.edu/what-we-offer/finish-high-school/](http://highline.edu/what-we-offer/finish-high-school/)

- Associate Degree Earns High School Diploma
- Career Start
- ELL ExCEL
- GED
- High School Completion
- High School Enhancement
- Pathway to College
- Running Start

Applied bachelor's programs: [highline.edu/bas](http://highline.edu/bas)

- Cybersecurity and Forensics
- Early Childhood Education
- Elementary Education
- Global Trade and Logistics
- Integrated Design
- Respiratory Care
- Youth Development

### Dual Credit Options

[highline.edu/what-we-offer/finish-high-school/](http://highline.edu/what-we-offer/finish-high-school/)

Career Start, ELL ExCEL, High School Enhancement, Pathway to College, Running Start

### High School Options

[highline.edu/what-we-offer/finish-high-school/](http://highline.edu/what-we-offer/finish-high-school/)

ELL ExCEL, GED program, High School 21+, High School Completion, High School Enhancement, Pathway to College

## Estimated Annual Expenses

Figures are calculated based on tuition for Washington state residents taking 15 credits of lower-division courses during fall quarter 2021, while living with a parent/guardian.

Tuition	\$1,448
Room, Board, Food	\$1,172
Books/Supplies	\$314
Transportation	\$420
Personal Expenses	\$671
Total	\$3,725

## Designed for Student Success

At North Seattle College, we're proud to be a caring, diverse, and supportive community. Our goal is to create a place where students from all races, ethnicities, abilities, genders, countries, and communities can succeed. You belong at NSC.

NSC is one of the top transfer colleges in the state, and our programs continually evolve to meet regional industry need. In addition to associate degrees, the college offers six bachelor of applied science degrees, and 60-plus professional-technical degrees and certificates that lead to competitive careers for our graduates.

NSC is easily accessible by bike, bus, car, and light rail. The campus is connected to the new Northgate Link light rail station by the John Lewis Memorial Bridge (Pedestrian and Bicycle), which opened in October 2021. Located in a residential area of Northgate, the college is close to Seattle's popular Greenlake Park. The lush green campus is surrounded by environmentally sensitive wetlands, which have inspired a college-wide commitment to sustainability.

## Student Profile

Total Enrollment: 15,725  
Faculty/Student Ratio: 24

## Program Intent

College/University Transfer: 56%  
Professional-technical: 40%

## Admission Requirements and Criteria

Pierce College has an open-door admissions policy, practices equal opportunity. Pierce College District does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, gender, marital status, disability, or status as a disabled or Vietnam-era veteran.

Students may apply for admission to Pierce College if they meet any one of these criteria:

- Qualified for admission through Running Start or a similar program
- Are 18 years of age or older
- Their high school class has graduated
- They are a high school graduate or have earned a GED

Applying for admissions to Pierce College is as simple as completing an online admission form. For additional admissions information refer to <https://www.pierce.ctc.edu/get-started>.

## Special Admissions Programs

Some programs, such as the Bachelor of Applied Science degrees, Veterinary Technology, and Nursing, have special admission requirements. See each program web page for details.

## Admissions Fees

There is no admission fee for general admissions. Some special admissions programs have fees.

## Housing

The Center for Global Scholars is a residence hall where domestic and international students come to live and learn together. For more information, please visit <https://www.pierce.ctc.edu/ie-cgs>.

## Dual Credit Options

### Running Start

Through the Running Start program, high school students may enroll in up to 15 college-level credits (based on students' combined high school and college enrollment) per quarter tuition-free.

To be eligible, a student must:

- Be a junior or senior
- Eligibility for English 101 through Guided Self Placement

For more information on the steps to get started, please visit the Running Start website at [www.pierce.ctc.edu/running-start](http://www.pierce.ctc.edu/running-start).

#### Estimated Annual Expenses

Tuition (3 quarters with 15 credits)	\$4,350
Books/Supplies	\$1,000
Fees	\$600
Total	\$5,950

#### Financial Aid

Priority filing for Fall Quarter: May 1  
For more information on financial aid, please call 253-964-6544 or visit [www.pierce.ctc.edu/financial-aid](http://www.pierce.ctc.edu/financial-aid).

#### Campus Visits

Virtual tour website:  
<https://www.pierce.ctc.edu/visit>  
Email: [rschindler@pierce.ctc.edu](mailto:rschindler@pierce.ctc.edu)

#### Bachelor of Applied Science degrees

Dental Hygiene, Homeland Security Emergency Management, Teaching, Applied Business Management, Fire Services Leadership and Management, and Construction Management.

#### Sports and Recreation

Raider Athletics participates in the highly competitive Northwest Athletic Conference (NWAC), which is composed of 36 regional members in Washington, Oregon, Idaho and British Columbia. The Raiders field teams for women in basketball, cross country, soccer, softball, and volleyball; and for men in baseball, basketball, and soccer. Pierce College Fort Steilacoom serves as home for the baseball, men's and women's basketball, women's cross country, and volleyball teams. Pierce College Puyallup is home for the

men's and women's soccer and women's softball programs. Pierce College also provides opportunities for students to show their school spirit on the Raider Cheer Squad and Raider Mascot Team. Raider Athletics has a rich tradition of success, dating back to the program's inaugural season in 1968-69, when the college first participated in men's basketball. Raiders teams have won conference championships in softball ('82), soccer ('92), and baseball ('12). More info can be found at [www.PierceRaiders.com](http://www.PierceRaiders.com).

#### Excellence in Student Success

Pierce College Fort Steilacoom was recognized by the prestigious Aspen Institute with a Rising Star award in 2019 for dramatically improving student outcomes. This award placed Pierce College in the top five best community colleges in the nation, and in 2021 the college was recognized as a top 10 finalist. In 2022, Pierce was named one of 25 Semifinalists competing for the 2023 Aspen Prize. Pierce received the honors thanks to improved student retention and completion over time, a commitment to equitable outcomes for students, service to military students and their families, and a dedicated focus on helping all students overcome obstacles.

Pierce College was also named a Leader College of Distinction in 2019 by Achieving the Dream.

#### Student Life

Pierce offers a variety of clubs and activities. In addition, Pierce has chapters of Phi Theta Kappa, the national honors society for two-year colleges.

The Fort Steilacoom campus features the 58-seat Science Dome, which has become the only digital planetarium of its kind in the South Puget Sound region. The Science Dome offers live astronomy presentations, full dome videos on a 38-foot domed screen, interactive children's shows, K-12 field trip, Pierce College class instruction, special events and more.

## Programs

### College Transfer

Students can take their first two years of college in smaller classes and then, students can transfer their credits to a four-year college or university to finish their bachelor's degree.

### Professional/Technical

Seattle Central offers a variety of career preparation, short-term certificate, associate degree, and applied bachelor's degree programs to help students launch successful careers including:

### Business Technology Management

Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship

### Creative Arts

Graphic Design, Apparel Design and Visual Media

### Culinary

Culinary Arts and Specialty Desserts & Breads

### Healthcare

**Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management, Nursing, Surgical Technology & other Allied Health fields**

#### Information Technology

**IT-Networking**, Web Design, Web Development, Programming, Database Administration and more

#### Maritime

Marine Engineering Technology and Marine Deck Technology

#### Social & Human Services

**Applied Behavioral Science**, Chemical Dependency, Early Childhood Education & Family Studies and Social & Human Services

#### Wood Technology

Carpentry and Boat Building & Repair

\*Bachelor's of Applied Science degrees bolded.

#### Basic Studies

These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

#### Dual Credit Options

##### Running Start

This program gives students a "running start" on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information: [seattlecentral.edu/programs/high-school/running-start](http://seattlecentral.edu/programs/high-school/running-start)

##### Other High School Programs

Seattle Central currently offers CTE dual credit and other programs to help high school students start earning college credit while in high school. More information: [seattlecentral.edu/programs/high-school](http://seattlecentral.edu/programs/high-school)

##### I-BEST (Integrated Basic Education and Skills Training)

This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic and workforce skills at the same time. More

information: [seattlecentral.edu/programs/basic-and-transitional-studies/i-best](http://seattlecentral.edu/programs/basic-and-transitional-studies/i-best)

#### Campus Visits

Phone: 206.934.3800

Website: [seattlecentral.edu/get-started/visit-campus](http://seattlecentral.edu/get-started/visit-campus)

#### Student Life

##### Student Support Services

Tutoring, advising, counseling, multicultural services, veterans services, and women's programs. Workforce Services, TRiO, MESA, College Success Program, and other programs also support qualifying students throughout their time at Seattle Central.

##### Student Clubs/Organizations

Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

##### Campus Events

Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including concerts, an annual Unity Fair, art events, panel discussions and more.

##### Sports and Recreation

Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.

## **Admission Requirements and Criteria**

### **General Eligibility**

We maintain an "open door" admissions policy and admit any person who may benefit from our programs, regardless of academic background.

### **Deadlines & Fees**

More deadlines and fees at [spscc.edu/apply](http://spscc.edu/apply)

Quarter you want to start	Applications processed starting	Quarter begins
Winter 2023	July 2022	Jan. 3, 2023
Spring 2023	Sept. 2022	April 3, 2023
Summer 2023	Jan. 2023	July 5, 2023
Fall 2023	Jan. 2023	Sept. 19, 2023

Application Fee: No fee for general application.

Other Fees: Additional fees include a Technology Fee, a Student Building Fee, a Matriculation Fee, and course fees as applicable. Running Start students pay Associated Student Programs fee.

[spscc.edu/tuition-fees](http://spscc.edu/tuition-fees)

### **Selective Admissions Programs**

The following programs have requirements beyond the regular application process and have a \$25 Application Fee:

- Dental Assisting
- Expanded Function Dental Auxiliary
- Nursing

[spscc.edu/apply/special](http://spscc.edu/apply/special)

## **Dual Credit Options**

### **Running Start**

Running Start allows high school juniors and seniors in Washington State to take classes and earn credits at a community college. Running Start students who participate full-time can graduate with a high school diploma and an associate degree at the end of their senior year. Running Start students make up about 26% of SPSCC students and can participate in clubs, student leadership, and more. Students who place into or have completed English 101 (ENGL&101) are eligible. This includes public school, private school, and home school students.

[spscc.edu/runningstart](http://spscc.edu/runningstart)

### **College in the High School**

SPSCC works with many local high schools to provide College in the High School classes. Interested students should contact their high school for more information.

## FAFSA Deadlines

Submit FAFSA starting Oct. 1 for the next school year.

Priority deadlines are:

- Summer 2022 – March 18, 2022
- Fall 2022 – June 10, 2022
- Winter 2023 – Oct. 21, 2022
- Spring 2023 – Jan. 20, 2023

School Code: 005372

## Housing

We do not offer on-campus housing, but do offer a housing program and emergency housing support.

[spscc.edu/personal-support/housing-basic-needs](https://spscc.edu/personal-support/housing-basic-needs)

## Campus Visits

Admissions Info Session or Campus Tour – Dive into admissions, financial aid, assessment and placement, and more in-person and online.

Start Here Desk – Just starting to explore college? A quick introduction to our enrollment steps may be just what you need.

One-on-One Appointment – If you have degree questions, you can get them answered by an Educational & Career Planner at the New Student Advising and Registration orientation (NSAR).

360-596-5440

[outreach@spscc.edu](mailto:outreach@spscc.edu)

[spscc.edu/visit](https://spscc.edu/visit)

## Sports and Recreation

SPSCC Clipper Athletics compete in the Northwest Athletic Conference (NWAC) Western Region for:

- Men's Basketball
- Women's Basketball
- Men's Soccer
- Women's Soccer
- Women's Volleyball

The Clipper Athletics programs at SPSCC provide opportunities for student-athletes to participate in highly skilled, competitive intercollegiate sports. These programs greatly contribute to the academic success of our student-athletes while giving them an opportunity to play sports during their first two years of college.

[spsccathletics.com](https://spsccathletics.com)

SPSCC also recently launched Clipper eSports, allowing student-athletes an opportunity to get involved in the world of competitive gaming. Clipper eSports is committed to helping student-athletes develop professional pathways through education, coaching, and practice.

[spscc.edu/campus-life/esports](https://spscc.edu/campus-life/esports)

## Workforce Transitions

For students ready to get into the workforce quickly, our technical certificate and degree programs can be the perfect path. Our Workforce Transitions programs provide financial support to help connect students with a path into a high-demand, high wage career. These programs can support:

- Professional technical training (over 30 degrees and certificates available)
- Job skills training—specific skills needed to gain employment
- Pre-college skills (diploma, GED®, basic skills, or ESL) to prepare for career training

Each program has different criteria and requirements, but SPSCC has tools and experts to help each student find funding that will put them on a solid path to completion and employment.

- Total Enrollment: 5,942 for all WWCC sites.
- Faculty/Student Ratio: 14.4.

## Program Intent

- College/University Transfer: 27%
- Professional-technical: 44%
- Basic Skills: 17%
- Personal/Other: 11%

## Admission Requirements and Criteria

### General Eligibility

Walla Walla Community College is an open-access higher education institution. All qualified individuals are accepted who are at least 18 years of age or are graduates of an accredited high school or have an equivalent certificate. Applicants under the age of 18 at the time of registration who are not high school graduates must complete the Under-Age Admission Policy paperwork or be participating in a program designed for high school students.

### Deadlines & Fees

- Regular Application Deadline: Open enrollment.
- Priority Application Deadline: Depends on program.
- Application Fee: \$0.

### Selective Admissions Programs

Some programs have specific admission procedures and limited space; therefore, admission to the College does not guarantee availability of all programs or courses. Please review special admission procedures for workforce

programs under entrance requirements for the specific program of interest at [www.wwcc.edu](http://www.wwcc.edu).

## Dual Credit Options

### Running Start

Running Start, a program created by the Washington State legislature, provides an opportunity for juniors and seniors in public high schools to enroll in courses at WWCC. This program provides academically qualified students an opportunity to attend college courses and earn college credits, tuition-free, while completing high school graduation requirements. Additional information: <https://www.wwcc.edu/high-school/running-start/>.

### CTE Dual Credit

CTE Dual Credit is a cooperative effort between K-12 schools, community and technical colleges, and the business community to develop applied integrated academic and technical programs. Additional information: <https://www.wwcc.edu/high-school/cte-dual-credit/>.

### College in the High School

CIHS classes are taught by qualified, credentialed instructors on the local high school campus. Courses usually run one trimester/semester but may last a full academic year. Students attend their college class as part of their normal high school schedule while continuing to enjoy access to their own teachers, counselors, friends, and extracurricular clubs & sports. Additional information: <https://www.wwcc.edu/high-school/cihs/>.

## Estimated Annual Expenses

Tuition	\$4,850
Rent/Food/Utilities	\$3,516
Books/Supplies	\$1,000
Transportation	\$1,650
Misc./Personal	\$2,076
Total	<u>\$13,092</u>

## Financial Aid

- Phone: 509.527.4301
- Financial Aid Website: [wwcc.edu/financial-aid/](http://wwcc.edu/financial-aid/)
- Scholarship Website: [wwcc.edu/paying-for-college/scholarships/](http://wwcc.edu/paying-for-college/scholarships/)

WWCC offers financial aid in the form of grants, loans, scholarships and employment. All students are encouraged to complete the easy process to apply for scholarships—money students don't need to pay back.

### FAFSA Deadlines

## Sports and Recreation

Walla Walla Community College offers a wide variety of athletic opportunities for prospective student athletes. In the Fall, Warrior Field on the front of campus hosts Men's and Women's Soccer, while Volleyball takes center stage in the Dietrich Center – often referred to as 'The Dome'. The Winter quarter sees The Dome taken over by the Men's and Women's Basketball while the Spring months offer Baseball, Softball, Men's and Women's Golf and Rodeo. The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.

WWCC students also have access to a new 18,800 square-foot recreation center with an indoor basketball court and state-of-the-art weight and fitness equipment. Learn more: <https://studentlife.wwcc.edu/rec-center/>.

Students can participate in a variety of college events and activities. The areas around both Walla Walla and Clarkston also offer a large number of opportunities for entertainment and outdoor activities.

Other Fees: Registration fee, \$30/quarter (Wenatchee campus). Technology fee, \$65/quarter (Wenatchee campus), \$30/quarter (Omak campus). Student recreation center fee, \$5/credit, \$75/quarter maximum (Wenatchee campus). Omak comprehensive fee, \$1.50/credit, \$15 maximum.

### Selective Admissions Programs

Qualified applicants who have met the prerequisites for the allied health program of their choice are considered of equal merit and equally qualified to be accepted into a limited enrollment program. However, if the number of qualified applicants exceeds the number of available spaces in a program, admission will be competitive and based on an estimate of the student's potential to succeed. Students applying to an allied health program must attend an allied health information session prior to submitting a supplemental application for a program. The information sessions will describe the requirements of the programs, the application processes, the selection criteria and the occupation under consideration. Application materials are available on the website, [www.wvc.edu/AlliedHealth](http://www.wvc.edu/AlliedHealth). Information session schedules are available in the allied health office and on the college website.

# Yakima Valley College

S. 16<sup>th</sup> Avenue & Nob Hill Blvd  
PO Box 22520  
Yakima, WA 98907-2520

[ycc.edu](http://ycc.edu)

## Student Profile

Total Enrollment: 3,725  
Faculty/Student Ratio: 18 to 1

## Program Intent

College/University Transfer: 52%  
Professional-Technical: 42%  
Bachelor of Applied Science: 6%

## Admission Requirements and Criteria

### General Eligibility

Yakima Valley College (YVC) is committed to an open-door policy and encourages the use of its post-secondary educational opportunities and services by the whole community. All community members, whether or not they possess a high school diploma, may enroll at the college without regard for their past educational record. More information is available at: [yvcc.edu/admissions](http://yvcc.edu/admissions)

### Deadlines & Fees

Regular Application Deadline:

- Fall 2022 – Mid-August (Quarter Begins 9/19/22)
- Winter 2023 – Mid-November (Quarter Begins 1/3/23)
- Spring 2023 – Mid-February (Quarter Begins 3/29/23)

Priority Application Deadline: No Admissions Priority Deadline

Application Fee: \$30

Application Fee Waiver: None

Other Fees: Additional fees include audit fees, lab fees (depending on the class), combined service fees, technology use fee, eLearning fee, graduation application fee, and student activity fee. More information is available at: [yvcc.edu/tuition](http://yvcc.edu/tuition)

## Selective Admissions Programs

Certain professional/technical programs have selective admission processes. There are also special admission processes for the Bachelor of Applied Science programs (Agricultural Sciences, Business Management, Dental Hygiene, IT Network System Administration, and Teacher Education), College & Career Readiness programs, International Student Program, Running Start and Underage Student Admission. Additional information may be found at: [yvcc.edu/admissions](http://yvcc.edu/admissions)

## Dual Credit Options

### Running Start

The Running Start Program is a partnership between YVC and Washington State public high schools. The program offers eligible high school juniors and seniors the opportunity to enroll in regular college classes on our campus and to receive both high school and college credit for those classes. Eligibility for Running Start is based on placement into English 101 and Math 085 on our placement exam. Additional information is available at: [yvcc.edu/runningstart](http://yvcc.edu/runningstart)

### College in the High School

Career & Technical Education (CTE) Dual Credit provides career pathways for high school students. CTE Dual Credit classes are taught at the high school or skills center and integrate academics with technical development to help prepare students for advanced education and careers related to professional/technical occupations. Additional information and a list of participating high schools available at: [yvcc.edu/academics/dual-credit](http://yvcc.edu/academics/dual-credit)

## Estimated Annual Expenses

Tuition	\$4,704
Room and Board	\$16,512
Books/Supplies	\$702
Fees	\$180
Total	\$22,098

## Financial Aid

Phone: 509.574.6855

Website: [yvcc.edu/financialaid](http://yvcc.edu/financialaid)

Scholarship Website: [yvcc.edu/scholarships](http://yvcc.edu/scholarships)

## FAFSA Deadlines

YVC recommends applying for financial aid at least 2-4 weeks prior to start of each quarter to allow for processing. YVC accepts applications for financial aid throughout the year.

### Fall

Priority Filing Date: Mid-August

### Winter

Priority Filing Date: Early December

### Spring

Priority Filing Date: Late February

### Summer

Priority Filing Date: Late May

## Housing

The Student Residence Center (SRC) provides a safe living community for students at a competitive price. The residence hall is located on the Yakima Campus and is within a short walking distance to classes, the library, and other campus and recreational facilities. Single and double units available. More information is available at [yvcc.edu/housing](http://yvcc.edu/housing)

## Campus Visits

Phone: 509.574.4712

Website/Email: [admission@yvcc.edu](mailto:admission@yvcc.edu)

Call or email to schedule a campus tour. YVC also offers a virtual tour of its Yakima and Grandview campuses.

View the virtual tour at:

[yvcc.edu/tour](http://yvcc.edu/tour)

## Sports and Recreation

Yakima Valley College has successfully competed in intercollegiate athletics since 1928. YVC has traditionally offered a comprehensive athletic program to accommodate the special interests and talents of as many students as possible. Women's and men's sports programs, providing competitive athletic experiences to coincide with the student's academic experiences, are an important part of the YVC experience.

YVC is a member of the Northwest Athletic Conference (NWAC). Intercollegiate athletic programs are offered in men's baseball and basketball and in women's basketball, softball, volleyball and soccer. More information is available at: [goyaks.com](http://goyaks.com)

All YVC students also have access to a state-of-the-art Fitness Center on campus with more than 50 pieces of major equipment to pursue their health and wellness goals.

## **Additional Information**

---

### **Our Vision**

As the world's leading academic center for advancing and integrating knowledge in the natural health arts and sciences, Bastyr University will transform the health and well-being of the human community.

### **Our Mission**

We educate future leaders in the natural health arts and sciences. Respecting the healing power of nature and recognizing that body, mind and spirit are intrinsically inseparable, we model an integrated approach to education, research and clinical service.

### **Core Themes**

Core Theme One: Education

- Goals: The University offers rigorous and relevant teaching practices in support of the promotion of innovative ideas, student learning and educational success.

Core Theme 2: Care

- Goals: The University promotes positive health outcomes through natural sciences, healing and service that improve the quality of life for patients and communities. Bastyr University strives to attract and support talented individuals committed to promoting a healthy world.

### **Student Demographics**

- Average student age: 31
- Median student age: 29
- Gender: 84% female/16% male
- International Students: 60, representing 27 countries

### **Learning Facilities**

- Naturopathic teaching clinic accessible to students for their health care needs
- Medicinal Herb Garden and Greenhouse
- Campus library

### **Campus Laboratories**

- Botanical Medicine Lab
- Cadaver Anatomy Lab
- Histology Lab
- Hydrotherapy Lab
- Nutrition Kitchen
- Research Lab
- Soft Tissue Manipulation Lab

Music - Performance, Composition, Electronic

Theater - BFA in Musical Theater, BFA in Acting/Original Works

Performance Production - costume, scenic, lighting design, technical direction, stage management

Admission Counselors assigned by discipline.

### **Why Cornish?**

**Seattle** - Seattle is an amazing city for young emerging artists. Just the right size to see the great work of professionals and be seen as an artist with new ideas to share.

**Faculty** - Faculty are world-class working professional artists. They are actively involved in the Seattle arts community and beyond. Teachers, artists, mentors - they help you bridge the gap from student to professional.

**Students** - Your peer group is here! You will be surrounded by serious, practicing artists 24/7. Faculty, classmates, staff - are all part of the community. It is a supportive, nurturing environment in which to take risks with your art making.

**Voice** - At Cornish, we place great emphasis on developing each distinct voice. Students are encouraged to push the boundaries, take risks, and feel supported to do so. The primary focus is on generating new work, versus just recreating established works.

**FAFSA priority filing deadline:** December 1, 2022

**School code:** 003778

## **Additional Information**

---

### **Test Optional for First-Year Applicants**

Gonzaga University does not require an SAT or ACT. Students applying without a test have the same access to everything: admission, automatic merit scholarships, special scholarships, Honors, and direct admission to nursing and engineering. No additional information is required.

Gonzaga also recognizes that high schools may have chosen to use a “Pass/Fail” grading option or other grading policies due to the pandemic, and the University notes that we continue to use a holistic admission review process to best understand applicants’ academic profile and history.

---

### **Application Deadline and Scholarships**

The deadline for first-year students is December 1, 2022. We will accept late applications until Feb. 1, 2023. Students will be notified of their admission by March 1, 2023. They will be automatically considered for a merit-based scholarship at the time of admission.

The Free Application for Federal Student Aid (FAFSA) opens October 1, and our priority deadline is December 1, 2022. Gonzaga-specific scholarship applications are due by January 1, 2023 (available at [gonzaga.edu/scholarships](https://gonzaga.edu/scholarships)). The January 1 deadline also applies to students applying to the Honors Program ([gonzaga.edu/honors](https://gonzaga.edu/honors)).

---

### **GU-UW Health Partnership Building, Opening Summer 2022**

In the new Health Partnership Building, the UW School of Medicine and Gonzaga University are partnering to present the Foundations Phase – the first 18 months of medical school – on Gonzaga’s campus in Spokane. Begun in 2016, the UW/GU partnership continues to identify and pursue opportunities for research collaboration, including biomedical and health-related research that involves larger alliances of Spokane-based researchers.

---

### **New Integrated Science and Engineering Facility**

After opening in the Fall of 2021, the John and Joan Bollier Family Center for Integrated Science and Engineering Facility has provided students of all majors with a space that fosters innovative learning and houses 15 different types of labs for collaborative undergraduate research.

---

### **Meeting the Needs of Pell-Eligible Students – Full-Tuition Commitment**

Gonzaga is working hard to meet the financial need of all Pell-eligible students in the state of Washington by providing grant and scholarship aid to cover the cost of tuition for first-year students ([gonzaga.edu/magis](https://gonzaga.edu/magis)).

---

### **Connect with Gonzaga / On Campus & Virtual Options**

[Gonzaga.edu/virtualgonzaga](https://Gonzaga.edu/virtualgonzaga) offers Virtual Information Sessions, Meetings with Admission Counselors, Student Panels, and more. On Campus offerings can be found at: [gonzaga.edu/visitgu](https://gonzaga.edu/visitgu). If you have questions or would like a Gonzaga representative to provide information or a presentation to your students, please reach out to the representative for your school - [gonzaga.edu/mycounselor](https://gonzaga.edu/mycounselor).

## Additional Information

---

**What Makes HU Unique-** Heritage University empowers a multi-cultural and inclusive student body to overcome the social, cultural, economic, and geographic barriers that limit access to higher education. Rooted in the homeland of the Yakama Nation, the University embraces transformational student-centered education that cultivates leadership and a commitment to the promotion of a more just society

**Strength In Smaller Numbers-** Small class sizes. Affordable undergrad and graduate programs. Multiple campuses throughout the community. These are just a few examples of why Heritage is the right university for you.

**Student Life-** We believe in empowering our students with campus life resources and opportunities to support their personal and professional goals. Heritage provides a well-balanced student experience by offering a variety of extracurricular and co-curricular activities that serve as leadership and professional development opportunities, and for a chance to form lifelong connections. Be a part of the campus community and discover all the ways you can be involved at Heritage!

---

### **Start Unstoppable You**

Heritage University invites you on a journey to academic and professional success! We offer a wide variety of different undergraduate degrees:

- Nursing
- Social Work
- Education
- Criminal Justice
- Nursing
- Plus many more!

**Diversity-** Heritage is the only private university in the state to be designated by the U.S. Department of Education as a Hispanic Serving Institution (HSI). Additionally, with its percentage of Native American students, it is also designated as Native American Serving Non-Tribal Institution (NASNTI). Heritage is one of only two universities in the country to be designated as both a HSI and a NASNTI. The broad diversity found at Heritage is an asset to all students as this exposure to different ethnicities and cultures helps them succeed in a multicultural workforce.

**Financial Aid-**For the vast majority of Heritage University students, a college education would be unobtainable without financial aid support. Through its equity packaging of grants and scholarships, Heritage is able to provide that support to every student with a demonstrated need.

- 91% of Heritage students receive financial aid.
- \$20,175 is the average combined financial aid and scholarship award for first-year freshmen.
- \$4 million in scholarships and institutional aid is awarded annually by Heritage.

Because Heritage is a private institution, it relies heavily on the generosity of donors. The university works with donors to create endowed and named scholarships and to build awarding criteria to match their individual funding goals.

## Additional Information

---

### Application Requirements

Short Answer Question, Official High School Transcript, SAT or ACT Scores (Optional)

### Scholarships

Northwest University awards scholarships to incoming students based on academics, athletic talent, musical & theatre talent, participating in a campus visit, and need. Need-based financial aid comes in the form of scholarships, grants, or loans and are based on the information from the FAFSA.

In addition, Northwest University is affiliate of the Act Six Scholarship program serving the Tacoma-Seattle region. [www.actsix.org](http://www.actsix.org).

### Campus Visits

Schedule Online: [www.northwestu.edu/visit](http://www.northwestu.edu/visit)

Email: [visit@northwestu.edu](mailto:visit@northwestu.edu).

Phone: 425.889.5286

\$500 scholarship if visiting before Feb 15.

### Housing

NU offers residence halls, student apartments, and family housing on campus.

### Athletics

The Eagles compete in 4 men's and 6 women's sports as a member of the Cascade Collegiate Conference in the NAIA (Division I & II). Learn more at [www.nueagles.com](http://www.nueagles.com).

### Unique Opportunities

- All majors require internships with local businesses and organizations that frequently lead to full-time employment.
- Career Readiness initiative to equip students with competencies and certificates for preparation in the workplace.
- 80% of NU majors require global learning in study abroad and departmental trips.
- NU students have access to many service learning opportunities and mission trips during the year and throughout breaks.
- Students attend spiritual life gatherings and events, and Biblical studies courses are included in the core curriculum.

### Notable Programs

• NU's Recording Arts Technology and Music Production programs offer practical experience in our prestigious on-site recording arts studio, the largest live sound stage north of Los Angeles.

• NU's Education program includes a Master's in Teaching, providing distinction for future teachers.

### Undergraduate Majors & Minors

## Additional Information

---

### What Does it Mean to Be a Lute?

- *Lutes Ask Tough Questions* - We seek opportunities in the present to improve the future, asking “why are things the way they are — could they be better?” We then listen hard for unexpected answers that turn into just and sustainable solutions.
- *Lutes Make It Happen* - From the classroom to the workforce, we’re doers who investigate, teach, create, serve, and play — with and for our neighbors down the street and those around the globe.
- *Lutes Center Community* - We foster belonging by engaging in meaningful dialogue, seeking authenticity, building connections, and opening minds to see community in new, expansive ways.
- *Lutes Embrace Complexity* - The challenges of our lifetime are complicated — and so are the people surrounding them. We bring our whole, imperfect selves to the table every day, dedicating our passions and skills to finding innovative ways to meet the moment.
- *Lutes Open Doors* - We know that nothing worth doing is done alone. When we build something new, we open the door for others to join us. And when we flourish, we hold the door open for those who come after us.

### Campus Visits/Tours - plu.edu/visit

Seniors will qualify for a \$1,000 visit scholarship if they attend an admission sponsored tour or event on-campus.

\* We are open for field trips and group visits too.

### Dual Credit/College Level Credit Policy

PLU generally requires a score of 4 or 5 on AP exams to earn college credit, we award up to 30 credits for completion of an IB Diploma and we do accept transferrable Running Start credit.

More info: [plu.edu/admission/advanced-credit](http://plu.edu/admission/advanced-credit)

Running Start Information Page:

[plu.edu/admission-first-year/apply/running-start-students/](http://plu.edu/admission-first-year/apply/running-start-students/)

### Housing

8 residence halls and 1 apartment-style living community.

Including some Opt-In Themed Learning Communities

- Creative Expression
- First in the Family
- Student of Color
- Environmental & Social Justice
- International Hall – Languages & Honors Program
- Lavender Community
- STEM House
- Wellness House
- Women’s Empowerment & Gender Equity

On-Campus housing is generally required for a student’s freshman and sophomore years.

### Sports & Recreation - golutes.com

PLU has 19 varsity NCAA DIII athletic teams and 4 club sports (lacrosse, men’s rowing wrestling, and ultimate Frisbee) along with a wide offering of intramural and rec programs.

### Find YOUR PLU Admission Contact

<https://www.plu.edu/admission/counselors/>

### New & Notable Majors – plu.edu/majors

PLU has over 90 programs of study that include majors, minors, certificates, endorsements and concentrations. Some include:

- Criminal Justice
- Data Science
- Gender, Sexuality & Race Studies
- Theatre AND Musical Theatre (BFA or BA)
- Business: AACSB accreditation
- Communication (including film and journalism)
- Education
- Music (BA, BME or BFA)
- 3-2 Engineering/Engineering & Industry Minor
- Computer Science
- Biology
- Nursing
- Environmental Studies
- Kinesiology
- Pre-Professional Health Programs (Pre-Med)
- Pre-Law – Advising and a Minor

### Global Education & Study Away

- PLU was the first American University to have study away classes on all 7 continents at the same time.
- 1 of only 22 US colleges to receive the highest level of accreditation from The Forum on Education Abroad
- We are on a 4-1-4 calendar system. J-Term (January Term) allows our students one extra chance to study away.
- Our IHON Program allows students to enroll at Oxford University for 4-6 months.
- Top 20 nationally for highest percentage of students who study abroad

### Scholarships/Financial Aid -

#### plu.edu/admission/scholarships

- 99% of students receive financial aid from PLU.
- *PLU Pledge* is our loan repayment assistance program ([plu.edu/plu-pledge](http://plu.edu/plu-pledge))
- *Academic Merit Scholarships* - \$6,000-\$32,000
- *PLU Presidential Scholarship* - \$26,000-full tuition (Separate application that is due December 1<sup>st</sup>)
- *Artistic Achievement Scholarships* in Art, Music, Theatre, Dance - \$1,000-\$7,500 per year (audition/portfolio required)
- *253 PLU Bound Scholarship* – Full Tuition (just have to be admitted to PLU, have a 3.3 or higher weighted GPA and be a recipient of the WA State College Bound scholarship). Students will also receive an additional \$1,000 Supporting Success Scholarship and \$1,500 Housing Grant.
- *Nurse and Educator Dependent Commitment* – If a student’s parent/guardian is a nurse or k-12 educator they get at least 50% off tuition.

---

### **Saint Martin's at a Glance**

- Percentage of ethnically diverse students on campus: 52%
- Total undergraduate campus enrollment (transfers and first-year students): 1395
- Total first year student enrollment: 292
- Total graduate campus enrollment: 248
- Number of veteran students on campus: 193
- Student to faculty ratio: 12:1
- Percentage of first-generation students: 34%
- Percentage of students on Lacey campus with military affiliation: 15%
- Number of faiths represented on campus: 21
- Saint Martin's has provisional admissions program for students falling under a 2.8 GPA

### **4 Colleges**

College of Arts and Sciences

College of Education and Counseling

School of Business

Hal and Inge Marcus School of Engineering

### **13 NCAA Division II Sports**

**Men's Teams:** Baseball, Basketball, Cross Country, Track & Field, Golf, Soccer

**Women's Teams:** Basketball, Cross Country, Track & Field, Golf, Soccer, Softball, Volleyball

### **Campus Highlights**

Saint Martin's sits on over 380 wooded acres and is just minutes from the state capital, Olympia. Our campus features running trails, a 9-hole disc golf course, state-of-the art facilities including a Platinum LEED Engineering building and a new nursing facility. All within walking distance of stores, banks, restaurants, and free public transportation.

### **Saints Live with Heart**

Founded in 1895, Saint Martin's University is a Catholic, Benedictine institution that has a diverse, student-centered environment that balances faith, reason, service, and community. We endeavor to unite academic excellence with social responsibility, providing the kind of education that transforms lives and promotes fulfillment of the common good.

### **The Saint's Promise**

If you do not secure employment or graduate school within six months of Commencement, Saint Martin's will guarantee a three-month paid

internship or tuition-free enrollment to a Saint Martin's graduate program for one semester.

### **Benedictine Scholars Program**

Each year ten incoming students whose academic records are matched by their leadership experiences and a commitment to compassion and social justice are chosen to receive a \$10,000 renewable scholarship (\$40,000 over four years, stackable with merit scholarship).

### **Act Six Program**

Act Six is a leadership and scholarship program creating a network of social-justice-oriented community affiliates and faith-based colleges to equip emerging young leaders to transform their college campuses and home communities. The scholarship is a full-tuition, full-need scholarship.

### **31 Majors**

Accounting

## Additional Information

---

### Vision:

To prepare students to be courageous and gracious contributors in a diverse and changing world.

### Scholarships: [spu.edu/scholarships](https://spu.edu/scholarships)

Applicants receive consideration for merit scholarships ranging from \$9,000 to \$16,500 annually.

In 2021-22, 95% of all undergraduate students received financial aid. The average award for students was \$34,363

### Falcon Bound Commitment

SPU offers a 4-year full-tuition commitment to any incoming freshmen who is eligible for the College Bound Scholarship Program and has an unweighted GPA of 3.0 or higher, **or** an SAT 1220/ACT 25.

### The Seattle Advantage

- 15-minute bus ride from downtown Seattle
- 93% job placement rate **or** graduate school enrollment within 1 year of graduation
- Mentorship Program: 1,700 professional mentors from organizations including Microsoft, Seattle Seahawks, Fred Hutchinson Cancer Research Center, Starbucks, Nordstrom, Boeing, Washington State Legislature, and more
- 13 Fortune 500 companies located in Seattle
- SPU is driving distance from Mount Rainier, North Cascades, and Olympic National Parks

### Rigorous Academics

- For the 6<sup>th</sup> year in a row, SPU is nationally ranked by *US News & World Report*
- University Scholars: SPU's honors program now available as an additional Major or Minor
- 5 Fulbright Scholars in the past 3 years
- 300+ Study Abroad options
- 95% medical school acceptance rate
- All classes taught by professors

### Student Life and Christian Commitment

- 7 ministries on campus and 3 weekly worship services
- 60 different Christian denominations represented in staff and faculty
- John Perkins Center for Reconciliation, Leadership and Community Development
- 54% of Students are Underrepresented Minorities
- 45+ Student clubs

### Updates

For Fall 2023 we are a Test-Optional admissions school

### Notable Academic Programs

- Business Administration: AACSB Accredited
- Nursing
- Pre-Medicine
- Psychology
- Engineering: ABET Accredited
- Computer Science
- Food and Nutritional Science
- Elementary and Secondary Education
- Apparel Design and Apparel Merchandising
- Music Therapy
- Exercise Science
- Global Development Studies
- Christian Reconciliation
- Social Justice and Cultural Studies Major
- Costume Design & Production Major
- Mechanical Engineering Major
- Criminal Justice Major
- Student-Designed Majors

### Transfer Credits:

SPU accepts college credits earned through Running Start, College in the High School, AP, and IB. All students receiving the credit from these programs must apply as first-year students.

### Housing

- 5 residence halls and 13 campus apartments
- 95% of freshmen live in residence halls
- First and second-year students are required to live on campus unless commuting from a parent or guardian's home

### Sports & Recreation

- NCAA Division II (Great Northwest Athletic Conference/GNAC)
- 9 National Championships
- Men's: Basketball, Cross Country, Soccer, Track & Field
- Women's: Basketball, Cross Country, Soccer, Track & Field, Rowing, and Volleyball
- 27 Intramural sports offerings

## **General Admissions Information**

First-year applicants must submit: completed Common Application, official transcript, one teacher recommendation, one counselor secondary school report and a \$60 application fee (ACT and/or SAT score submission is optional). Transfer students: completed Seattle University Transfer Application, official transcripts from all colleges/universities attended, and a \$60 application fee. Students with fewer than 45 college credits must submit final HS transcripts, SAT/ACT scores are optional. Transfer applicants to the BSN and Diagnostic Ultrasound programs should check the website for additional application requirements and deadlines.

## Additional Information

---

### **Campus Visits**

Campus tours are offered year-round. Learn more and RSVP at [www.seattleu.edu/visit](http://www.seattleu.edu/visit), or contact us: [visit@seattleu.edu](mailto:visit@seattleu.edu) or (206) 220-8040

Connect with us virtually at:

<https://seattleu.edu/connect-virtually>

**Scholarships & Financial Aid** First-year and transfer students who complete an admissions application to Seattle University are automatically considered for merit-based scholarships, which begin at \$8,000.

The **Sullivan Leadership Award** is a competitive, full tuition, full room and board scholarship for incoming first-years at Seattle University. More information can be found at [www.seattleu.edu/sullivan](http://www.seattleu.edu/sullivan).

The **Seattle U Bound Scholarship** is a full tuition scholarship that students enrolled in the Washington State College Bound Scholarship may be eligible for. Learn more at <https://seattleu.edu/seattleu-bound>.

### **Admissions Review**

Seattle University offers the distinct advantage of considering first-year applicants for direct entry admission. Accordingly, there are specific requirements for admission to certain majors:

**Nursing:** must complete 4 units of college-prep math, a full year each of laboratory biology and laboratory chemistry (with B grade or higher). If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

**Biology, Chemistry & Biochemistry:** applicants must complete 4 units of college-prep math, laboratory biology and chemistry (preferably with B grades or higher). If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

**Engineering & Diagnostic Ultrasound:** applicants must complete 4 units of college-prep math, laboratory physics and chemistry (preferably with B grades or higher). If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

**Business:** must complete 3 units of college preparatory mathematics (preferably with B grades or higher) to be considered for admission. If test scores are submitted, have scores of 570+ on the SAT Math or 24 or higher on the ACT Math section.

Students who do not meet the criteria for their chosen major are encouraged to contact the Admissions Office for additional information.

### **Notable Academic Programs**

- Engineering
- Arts Leadership
- Film
- Forensic Psychology
- Computer Science
- Kinesiology
- Business and Law (dual degree)
- Environmental Science
- Nursing
- Social Work
- Humanities for Leadership
- Marine and Conservation Biology
- Diagnostic Ultrasound

### **Student Life**

First- and second-year students are required to live on campus in one of six residence halls unless living with a parent or guardian off campus, and more than 90% of the first-year class lives on campus.

SU offers over 100 student clubs and organizations ranging in focus from community service, cultural heritage and academic honors societies to professional development and outdoor recreation.

Each May, the Student Events and Activities Council (SEAC) sponsors Quadstock, an annual on-campus music festival with multiple stages and bands throughout the day. The event has been a campus tradition for almost 30 years.

### **Sports and Recreation**

SU's 18 intercollegiate athletic programs compete at the NCAA Division I level in the Western Athletic Conference (WAC). Students also participate in sport clubs and intramurals.

## **Additional Information**

---

### **Campus Tours**

Available Monday – Friday at 10:00am & 3:00pm

[Evergreen.edu/visit](http://Evergreen.edu/visit)

### **Scholarships**

Evergreen offers merit-based awards at time of application. These funds are in addition to state and federal aid and go directly against tuition.

3.5-4.0: \$1,200

3.0-3.49: \$900

Students can also apply for other scholarships at [evergreen.edu/scholarships](http://evergreen.edu/scholarships)

### **Common App**

Students can apply to The Evergreen State College via the Common Application.

[Commonapp.org](http://Commonapp.org)

### **Member of Colleges That Change Lives**

An organization dedicated to the advancement and support of a student-centered college search process. We support the goal of every student finding a college that develops a lifelong love of learning and provides the foundation for a successful and fulfilling life beyond college.

[Ctcl.org](http://Ctcl.org)

### **3 things that set Evergreen apart**

#### **1. Interdisciplinary Education**

Every class a student takes will encompass multiple subjects to help students make connections and the world as it is.

#### **2. 16-Credit Programs**

Instead of taking 5 different classes during the quarter students take 1 class (called a program). This class has multiple teachers and is worth 16 credits.

#### **3. Narrative Evaluations**

Instead of letter grades students receive narrative evaluations that describe the work they accomplished.

### **Fields of Study**

African American Studies  
Agriculture  
American Studies  
Archeology  
Biology  
Botany  
Business, Management, Entrepreneurship

**FAFSA priority filing deadline:** Same as application deadline

**School code:** 003797

## Additional Information

---

### **First-Year Application Requirements**

- Common Application, including Member Questions
- School Report and official high school transcript
- Counselor Evaluation
- Teacher Evaluation
- Official SAT/ACT score (optional)
- Interview (optional)

### **Scholarships**

All applicants are considered for academic merit scholarships ranging from \$15,000 to \$30,000 per year. Talent Scholarships are available in Music, Theater, Art, and Debate. Puget Sound offers two scholarships that cover the full cost of tuition, room, and board: the Lillis Foundation Scholarship and the Matelich Scholarship. More information is available at [pugetsound.edu/scholarships](http://pugetsound.edu/scholarships).

### **Running Start**

Puget Sound accepts the Washington State Direct Transfer Agreement, and awards college credit earned while in dual credit programs such as Running Start and College in the High School. Applicants should apply as first-year students, not as transfers.

### **AP/IB Exam credits**

Puget Sound generally accepts a score of 4 or higher on AP exams and 5 or higher on IB exams. A maximum of 16 units (2 years) of credit can be awarded.

### **Visits and Events**

We offer a number of in-person and virtual options for connecting with Puget Sound, including tours, information sessions, one-on-one appointments, and other events. You can learn more or register at [pugetsound.edu/visit](http://pugetsound.edu/visit).

### **Colleges That Change Lives**

Puget Sound is included in the college guidebook *Colleges That Change Lives*. More information is available at [ctcl.org](http://ctcl.org).

### **Notable Areas of Study**

Asian Languages and Cultures (Chinese, East Asian Languages, Japanese)  
Asian Studies  
Bioethics  
Biology  
Business (Business Leadership, International Business)  
Computer Science  
Education Studies  
Engineering, Dual-degree  
English  
Environmental Policy and Decision Making  
Exercise Science  
Gender & Queer Studies  
Health Professions (pre-med, pre-dental, pre-veterinary)  
International Political Economy  
Music (Music Business, Music Education, Music Performance, Composition, Songwriting)  
Neuroscience  
Politics & Government  
Pre-law  
Psychology  
Science, Technology, and Society

### **Housing and Student Life**

All incoming students are required to live on campus for the first two years. Nearly 70% of students live on-campus. Puget Sound has over 100 student-led clubs and organizations.

### **Logger Athletics**

Puget Sound is a member of the Northwest Conference in the NCAA Division III

*Men's Sports:* Baseball, Basketball, Cheerleading, Crew, Cross Country, Football, Golf, Soccer, Swimming, Tennis, Track & Field

*Women's Sports:* Basketball, Cheerleading, Crew, Cross Country, Golf, Lacrosse, Soccer, Softball, Swimming, Tennis, Track & Field, Volleyball

### **Success at Puget Sound**

- 11:1 student-to-faculty ratio
- 83% of the Class of 2020 were employed, in graduate school, or in full-time volunteer programs (such as AmeriCorps) within seven months of graduation
- One of the top producers of Fulbright Scholars and Peace Corps volunteers among small colleges nationwide

### **Walla Walla University Facts**

Founded: 1892

Colors: Orange and Green

Mascot: Wolves

President: John McVay

Locations:

Main Campus – College Place, WA

School of Nursing – Portland, OR

Marine Biology Station – Anacortes, WA

Masters in Social Work Extension

Campuses – Missoula and Billings, MT

Over 100 Areas of Study

Male/Female Ratio: 48%/52%

Ethnic Diversity: 46%

### **Core Themes**

Walla Walla University is a community of faith and discovery committed to:

- Excellence in Thought
- Generosity in Service
- Beauty in Expression
- Faith in God.

### **Philosophy**

Walla Walla University is founded on Christian teachings and values as understood and appreciated by the Seventh-Day Adventist Church. Central to those teachings is the belief that every person is created in the image of God as a being of inestimable value and worth, imbued with powers of intelligence, stewardship, and creativity akin to those of the Creator.

Walla Walla University, therefore, seeks in its mission to foster the unique gifts of every individual within this Christian community of faith and discovery. Committed to excellence in thought, the university seeks to impart a broad knowledge of the arts, sciences, and professions by careful instruction and open inquiry at both the undergraduate and graduate levels. Recognizing that God is the source of all truth, goodness, and beauty, the university seeks to convey to student's wisdom that translates academic achievement into responsible citizenship, generous service, a deep respect for the beauty in God's creation, and the promise of re-creation through Jesus Christ.

### **Degrees Offered**

- Associate of Science Degree
- Bachelor of Arts (B.A.)
- Bachelor of Business Administration (B.B.A.)
- Bachelor of Education (B.Ed.)
- Bachelor of Liberal Studies (B.L.S.)
- Bachelor of Music (B.Mus.)
- Bachelor of Science (B.S.)
- Bachelor of Science in Engineering (B.S.E.)
- Bachelor of Social Work (B.S.W.)
- Master of Arts (M.A.)
- Master of Arts in Teaching (M.A.T.)
- Master of Education (M.Ed.)
- Master of Initial Teaching (M.I.T.)
- Master of Science (M.S.)
- Master of Social Work (M.S.W.)
- Doctorate of Social Work (D.S.W.)

### **Study Abroad Programs**

Offered in Argentina, Austria, Brazil, France, Germany, Israel, Italy, Lebanon, Spain, Taiwan, United Kingdom.

### **Athletics**

Member institution of the National Association of Intercollegiate Athletics.

Varsity teams:

- Women's basketball, cross country, gold, and volleyball.
- Men's basketball, cross country, golf, and soccer.

Member of the Cascade Collegiate Conference.

Intramural sports include basketball, flag football, soccer, softball, volleyball, and much more.

**WASFA filing priority date:** January 31

**Scholarship application:** futurecoug.wsu.edu/apply

**Scholarship application deadline:** January 31

## **Additional Information**

---

### **First-Year Admission**

First-year admission is based on academic credentials including grade trends, completion of College Academic Distribution Requirements (CADRs) and course rigor.

**Washington State University no longer uses SAT/ACT scores as a factor for admission.** The Office of Admissions will contact students if more information is needed. WSU welcomes homeschooled students. See [admission.wsu.edu](http://admission.wsu.edu).

For information about international student admission, visit [ip.wsu.edu](http://ip.wsu.edu).

### **Common App**

Applications submitted through the Common App will be accepted for first-year and international students starting in 2022.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual credit programs and apply to attend WSU right after high school are considered first-year students for admission purposes, regardless of total college credits earned. Official college transcripts must be submitted for college credit to be transferred.

### **Transfer Admission and Deadlines**

Priority date for fall: July 15.

Priority date for spring: November 15.

Apply at [futurecoug.wsu.edu/apply](http://futurecoug.wsu.edu/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed at least 27 semester (40 quarter) credits of transferable academic college course work will be considered for admission based on their college work. Students who have completed fewer credits at the time of application may be considered first-year students for admission purposes. See [admission.wsu.edu/transfer-pullman](http://admission.wsu.edu/transfer-pullman).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [go.wsu.edu/advancedcredit](http://go.wsu.edu/advancedcredit).

### **Majors**

See a full list of academic programs at [academics.wsu.edu](http://academics.wsu.edu). Cybersecurity will be offered as a new major starting fall 2023.

### **Find your WSU Pullman admission counselor**

Each prospective student and high school counselor has a personal admission counselor who can help answer questions and assist through the application, financial aid, and enrollment processes. Visit [rep.wsu.edu](http://rep.wsu.edu).

### **Multicultural Student Services (MSS)**

MSS facilitates the best undergraduate experience for multicultural, first generation, and underrepresented students through culturally relevant support services. Visit [mss.wsu.edu](http://mss.wsu.edu).

### **Campus Visits**

Schedule a campus visit, guided or self-guided tour, or attend an event. Virtual offerings and live and on-demand presentations are also available. Explore options at [visit.wsu.edu](http://visit.wsu.edu).

### **Housing**

First-year students under 20 years old are required to live on campus for their first year (with some exceptions) in one of WSU Pullman's 14 on-campus residence halls. Visit [housing.wsu.edu](http://housing.wsu.edu).

### **Access Center**

The Access Center serves students with temporary, chronic or permanent physical, health, learning, sensory, or psychological disabilities by providing accommodations, auxiliary aids, and services that remove barriers to their education. Visit [accesscenter.wsu.edu](http://accesscenter.wsu.edu).

### **Pre-Health Studies**

WSU offers a comprehensive pre-health program for undergraduates interested in pursuing medical school and other professional degrees. Visit [healthprofessions.wsu.edu](http://healthprofessions.wsu.edu).

### **TRIO Student Success Programs**

The U.S. Department of Education's TRIO Program is a federal outreach and student services program designed to identify and provide services for individuals from disadvantaged backgrounds. Our TRIO Student Success Programs target to serve and assist low-income individuals, first-generation college students and individuals with disabilities to progress toward degree attainment. TRIO Student Success Programs also houses a STEM and Health Sciences grant that provides a range of services to support students on their academic journey.

## **Additional Information**

---

### **First-Year Student Admission**

Holistic review of application materials including academic credentials, completion of the CADRs, grade trends, and other information the student may provide other documentation.

Washington State University does not require SAT or ACT scores for applicants. This applies to all campuses in the WSU system. Accordingly, SAT/ACT scores will not be used as a factor in admission decisions.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual-credit programs, and apply for admission directly out of high school are considered first-year students in the admission process regardless of how many college credits they may have earned. They should also send official college transcripts if available.

### **Homeschooled Students**

WSU Tri-Cities welcomes homeschooled students. See [tricities.wsu.edu/admission](http://tricities.wsu.edu/admission) for requirements.

### **Transfer Admission and Deadlines**

Application opens early August; students should apply early if possible. Priority date July 15 for fall entry. Apply at [tricities.wsu.edu/admissions/apply](http://tricities.wsu.edu/admissions/apply).

Transfer students are those who have enrolled in a regionally accredited college or university **after** the summer following their high school graduation. Transfer students who have completed a full year of transferable academic college coursework will be considered for admission based on their college work. Students who have not completed a full year of transferable academic college coursework at the time they apply may be asked for additional information for review.

Transfer applicants who have successfully completed a Direct Transfer Agreement (DTA) associate degree from a regionally accredited post-secondary institution in Washington at the time of application will be admitted as space allows. See [tricities.wsu.edu/admissions/transfer-requirements](http://tricities.wsu.edu/admissions/transfer-requirements).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [tricities.wsu.edu/admissions/freshman-requirements](http://tricities.wsu.edu/admissions/freshman-requirements).

### **Transfer Admission and Deadlines**

Priority date for fall: July 15.

Priority date for spring: November 15.

Apply at [vancouver.wsu.edu/apply](http://vancouver.wsu.edu/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed at least 27 semester (40 quarter) credits of transferable academic college course work will be considered for admission based on their college work. Students who have completed fewer credits at the time of application may be considered first-year students for admission purposes. See [vancouver.wsu.edu/reqs](http://vancouver.wsu.edu/reqs).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [vancouver.wsu.edu/college-credit](http://vancouver.wsu.edu/college-credit).

### **International Admission**

Visit [ip.wsu.edu/future-students/requirements](http://ip.wsu.edu/future-students/requirements).

### **Find your WSU Vancouver admissions counselor**

Visit [vancouver.wsu.edu/counselors](http://vancouver.wsu.edu/counselors).

### **Majors**

See a full list of academic programs at [vancouver.wsu.edu/programs](http://vancouver.wsu.edu/programs).

### **Pre-Health Studies**

WSU Vancouver offers a comprehensive pre-health program for undergraduates interested in pursuing medical school. For more information, email [van.prehealth@wsu.edu](mailto:van.prehealth@wsu.edu).

### **Campus Visits**

Attend an admissions event or schedule a tour. Visit [vancouver.wsu.edu/visit](http://vancouver.wsu.edu/visit).

### **Access Center**

The Access Center serves students with temporary, chronic or permanent physical, health, learning, sensory, or psychological disabilities by providing accommodations, auxiliary aids, and services that remove barriers to their education. Visit [vancouver.wsu.edu/access](http://vancouver.wsu.edu/access).

### **Housing**

WSU Vancouver does not have on-campus housing. Visit [vancouver.wsu.edu/housing](http://vancouver.wsu.edu/housing) for information about local housing options.

### **Center for Intercultural Learning and Affirmation**

CILA cultivates an inclusive community where historically underserved students are affirmed and have sense of belonging at WSU Vancouver through intercultural learning, co-curricular programming and service that illuminates students' cultural wealth and intersecting identities. Visit [vancouver.wsu.edu/cila](http://vancouver.wsu.edu/cila).

## **Additional Information**

---

### **Transfer Admission & Deadlines**

Deadlines: March 1 (summer/fall), September 15 (winter), January 1 (spring)

>> [admissions.wvu.edu/transfer](https://admissions.wvu.edu/transfer)

### **Running Start & Other Transfer Credit**

Official college transcripts or test scores are required for credit to be awarded. In general, AP scores of a 3 or higher and IB higher and standard level scores of 4 or higher earn college credit.

>> [admissions.wvu.edu/first-year](https://admissions.wvu.edu/first-year)

### **Visit & Tour Dates/Info**

#### **Campus Visits:**

[admissions.wvu.edu/visit](https://admissions.wvu.edu/visit)

#### **Group visit requests:**

[admissions.wvu.edu/visit/viking-group](https://admissions.wvu.edu/visit/viking-group)

#### **Programs for Students:**

Fall Preview Day: October

Admitted Student Day: Early April

Campus tours: M-F, 10:15 a.m. and 2:15 p.m.; Sat., 11 a.m. and 2 p.m.

### **Campus Housing**

Living on campus is a choice at Western, yet nearly 90% of first year students do. First year students who meet the housing deadlines are guaranteed housing in their first year at Western.

>> [housing.wvu.edu](https://housing.wvu.edu)

### **Sports & Recreation**

NCAA Division II athletic programs include:

basketball, cheerleading, cross country, golf, soccer, softball, track & field, and women's rowing and volleyball. Western has 20+ club sports and a popular intramurals program, too.

>> [www.wvuvikings.com](https://www.wvuvikings.com)

### **National Recognition**

Out of more than 600 institutions, Western ranks in the top 10 nationally for graduates who go on to earn research doctorates. (*Survey of Earned Doctorates*)

Western produced five Fulbright winners in 2019, placing it tied for fifth place among public masters-granting institutions nationally.

For 22 years in a row, Western has ranked #1 among public, masters-granting universities in the Pacific Northwest. (*U.S. News & World Report*)

### **Pre-Med, Pre-Law, and other preprofessional pathways**

High expectations, academic commitment, and strong faculty support result in high acceptance rates into medical school, law school, and other selective graduate programs.

### **Honors College**

Western's selective Honors College offers small and interactive classes, a close-knit intellectual learning community, and early access to faculty research teams and other scholarly pursuits.

>> [www.wvu.edu/honors](https://www.wvu.edu/honors)

### **Fairhaven College**

Western's interdisciplinary liberal arts college provides creative opportunities for students to design their own major.

>> [fairhaven.wvu.edu](https://fairhaven.wvu.edu)

### **Global Education**

Students participate in a variety of international experiences, including study abroad, student teaching, internships, volunteer work, service learning, and faculty-led study tours.

>> [studyabroad.wvu.edu](https://studyabroad.wvu.edu)

### **Notable Programs**

Art Studio, Biochemistry, Biology, Marine and Coastal Science, Business and Sustainability, Chemistry, Communication Studies, Computer Science, Cybersecurity, Data Science, Design, Education, Elementary Education, Engineering, English, Environmental Science, Environmental Studies, French, Geology, Geophysics, German, Human Services, Industrial Design, Interdisciplinary Studies (Fairhaven), Japanese, Journalism, Kinesiology, Manufacturing and Supply Chain Management, Music, Psychology, Public Health, Spanish, Urban Planning & Sustainable Development, Women's Gender & Sexuality Studies, and more.

### **About**

As a small residential liberal arts college in Walla Walla, Washington, Whitman is rooted in the traditional liberal arts values like critical thought and academic rigor. At our foundation is also a belief in the value of community and power of relationships. Our graduates are scholars but also explorers, advocates and scientists. They climb mountains, travel to far-off corners and give voice to others. They care about community and aim to become citizens of the world.

### Mission

Since 1890, Whitworth has held true to its founding mission to provide our diverse student body an education of mind and heart, equipping graduates to honor God, follow Christ and serve humanity.

### Academic Distinction

- U.S. News ranked Whitworth #2 in value, #4 in undergraduate teaching and top-10 overall among regional universities in the West.
- 11-to-1 student-faculty ratio
- The Robinson Science Center and new Dornsife Health Sciences Building provide state-of-the-art research and teaching spaces, including motion-analysis, exercise physiology, cadaver and live animal labs.

- 4-1-4 academic calendar allows for our faculty to lead dozens of semester-long and Jan-term study abroad/away programs in 60+ countries around the world.
- 100% of students who complete our premed advising program with a 3.7 GPA or higher are admitted to at least one medical school.
- 96% of graduates are in a job or graduate school within 9 months of graduation.

### Best Value

- 100% of incoming students receive financial aid
- Guaranteed University Scholarships of \$12,000-\$27,000
- **Whitworth Bound Promise:** Admitted College Bound eligible first-years with 3.0 cumulative, weighted high school GPA or greater (or college transfer students with a 3.0 cumulative college GPA or greater) will have **100% of tuition covered** by scholarships/grants.  
[whitworth.edu/collegebound](http://whitworth.edu/collegebound)
- \$1,000 Visit Scholarship awarded to incoming fall 2023 students who fully participate in a qualifying 2022-23 admissions visit program. Visit [whitworth.edu/visit](http://whitworth.edu/visit) for more information.
- 4-Year Graduation Guarantee Program  
[whitworth.edu/finish-in-four](http://whitworth.edu/finish-in-four)

### Championship Athletics

Whitworth's student-athletes perform at a high level both in the classroom AND at their sport. Competing in 21 varsity sports in the NCAA Division III, Whitworth has won the trophy for the best overall athletic program in the Northwest Conference an impressive 13 times.

[www.whitworth.edu/athletics](http://www.whitworth.edu/athletics)
